Thank you for your kind  
letter dated March 6<sup>th</sup>.

The arrangements you have made  
for John and Robert are very satis-

that they have made such nice

I can have them home for the

It is nice to know that John  
has made improvement in his  
school work. All of his letters show  
that he was trying hard and  
I am sure that with the  
encouragement he receives he will

Dear Mr. Vardine -

Enclosed is a check for room reservation for John. I can't see my way clear at the present time to send Robert also. However, if things take a turn for the better I will most certainly send him to C. N. H. Mr. Ekdahl and myself haven't come to any agreement as yet and he is not sending me enough to live on. Therefore, what I will soon on Robert will certainly help me to meet my expenses. Of course, I intend to see him for proper support but I thought I would give him a chance to do what is right first. I will bring John on Thursday Aug 27th and get Robert's things if convenient for you and Mrs. Vardine. I would appreciate it if you would accommodate me for that

Dear Mrs. Oswald:

Your letter together with your check for \$10.00 room reservation for John received. We are delighted that we are to have John back with us, but greatly disappointed that we may not have Robert. Under the circumstances we are going to make you this proposition. We will give you a 10% discount, (\$60.00 off on Robert's account) a work scholarship of \$100.00 for Robert and a work scholarship of \$100.00 for John. This will make the total cost for Robert \$240.00. Total cost for John \$600.00. The total cost for both boys will be \$940.00. Please let us know at once if you want to accept this proposition. I am getting a great many applications for work scholarships and we only have a limited number to offer.

Assuring you of our great interest in the boys and hoping that we may be able to have both of them under the above proposition, I am with all best wishes to you and Lee.

My Dear John:

The contract for our new building was let on July 15th, and work was begun Monday of last week on the new building. However, we cannot hope for the building to be completed during the first semester. Therefore, we will have to peg our attendance at 112 for the first semester. This is the largest number we can take care of without crowding the students. This we do not want to do.

We are glad that you have reserved your room for next session. I hope that we may have a great year in every way at C.H.A. We shall be glad to allow you a credit of \$15.00 if you can bring another good boy with you. Room reservation should be made at an early date. If you desire new or more catalogs please let me know. Dear Mr. Small:

Thank you so much for your fine letter of October 15. Mr. Johnson left this afternoon for home and will not be back until Monday afternoon. I think I asked Mr. Johnson to send John's profits but I might have failed to do so. We have been so unusually busy. Anyway I will request him to work at it Monday morning. I am glad John is working and that he is saving some of his money. We so want him back with us at S.M.A. It might be well if John has the time for him to take some night school work. Tell him that I said it would help him. Please let me know that we are most interested in his finishing at S.M.A. I am delighted to know that Robert is doing nicely. We certainly do miss both John and Robert. They are wonderful boys and we appreciate and love them so much. I do hope that you are getting along nicely. Please tell the "Pirate Fighter" hello for me. I would enjoy seeing him so much. He is a great little fellow.

Tell all three of your boys that we have a fine attendance this year, year, a splendid Commandant and that we have won all of our foot-ball games so far. We also have the best band we have ever had. We have enrolled 127 members, 126 were present today. Tell Robert and John that this is the first homecoming, they left here at 12:10. I surely do want both of your boys to be back with us as soon as possible.

WASHINGTON XX D.C. 20380

Mr. J. Lee Rankin  
General Counsel  
President's Commission on the  
Assassination of President Kennedy  
200 Maryland Avenue NE  
Washington, D. C. 20002

Dear Mr. Rankin:

This is in reply to your letter of 2 June 1964 relative to marksmanship capabilities of Lee Harvey OSWALD, former Private First Class, 1653230, U. S. Marine Corps. In view of the lapse of time since Mr. Oswald was separated from the Marine Corps, it would be impossible to ascertain precisely the number of hours in which he participated in weapons marksmanship practice or how many rounds of ammunition he fired. In addition, the service records of the Marine Corps are designed only to show what formalized marksmanship practice and marksmanship qualification courses a Marine has fired. As you will note from Mr. Oswald's service record book, a copy of which I believe the Commission has in its custody, the form marked NAVMC 118(6)-PD (Rev. 7-54) shows Mr. Oswald's weapons firing record.

During the time Oswald fired at the Weapons Training Battalion, Marine Corps Recruit Depot, he was attached to the Second Recruit Training Battalion, Marine Corps Recruit Depot, San Diego, California. At the time he completed familiarization firing at the range at the Naval Air Station, Atsugi, Japan, he was attached to Marine Air Control Squadron 1, Marine Aircraft Group 11, 1st Marine Aircraft Wing. At the times he fired the range at the Marine Corps Air Facility, Santa Ana, and Marine Corps Air Station, El Toro, California, he was attached to Marine Air Control Squadron 9, Marine Wing Headquarters Group, 3d Marine Aircraft Wing.

The information provided to the right of the final qualification column is not contained in his service records but is based upon regulations in effect at the time. In addition, under course "A" you will notice the entry of 212MM. This final qualification score being designated as MM (marksman) is in error and should have read SS (sharpshooter).

EXPERT -220; SHARPSHOOTER -210; MARKSMAN -190

For the Course marked "B", the qualification is:

EXPERT -225; SHARPSHOOTER -215; MARKSMAN -190

Regarding a comparison of the Marine Corps' requirements with those of the other services, it is believed that the requirements of the other services can be best obtained by you directly from those services. Enclosed, however, are copies of Marine Corps regulations describing the several marksmanship courses. These were effective at the time Oswald was on active duty in the Marine Corps.

The Marine Corps considers that any reasonable application of the instructions given to Marines should permit them to become qualified at least as a marksman. To become qualified as a sharpshooter, the Marine Corps is of the opinion that

DC-bmt  
8 Jun 1964

most Marines with a reasonable amount of adaptability to weapons firing can become so qualified. Consequently, a low marksman qualification indicates a rather poor "shot" and a sharpshooter qualification indicates a fairly good "shot". I trust the foregoing will serve the purpose of your inquiry.

"I would like to submit the following report concerning the events occurring on November 24, 1963.

"I was stationed on the north side door that exits into the basement from in front of the jail office and just south of the jail door in the basement garage corridor. As Oswald was brought past me he was being led by Captain Fritz and was between two detectives. As they reached the edge of the ramp, I saw a man dressed in a suit and wearing a gray hat dart in front of Oswald and just behind Captain Fritz. I distinctly heard the suspect shout a phrase, the only words I could make out were 'son-of-a-bitch.'

"Before I could move, I saw someone grab his arm and at this time I caught a glimpse of a pistol and heard the report of the shot. Oswald shouted, 'Oh no!,' and collapsed. As I started forward I was cut off by the officers that had dived on the subject and was pushed back. I then assisted in dragging the prisoner to the jail office where he was held on the floor until Detective McMillon could get the handcuffs on the prisoner.

"I asked, 'Who is it?', and the suspect turned his head my way and shouted, 'You know me, I'm Jack Ruby!' We then picked him up, and along with Captain King, Detective Clardy, Detective McMillon, and myself, we took him to the jail elevator and went directly to the fifth floor.

Date 11/25/63

DON RAY ARCHER, Detective, Auto Theft Bureau, Dallas Police Department, Dallas, Texas, residing at 2035 San Francisco, Dallas, Texas, advised that he was stationed on the north side door that exists into the basement from in front of the jail office and just south of the jail door in the basement garage corridor of the Dallas Police Department. As LEE HARVEY OSWALD was brought past ARCHER, he was being led by Capt. WILL FRITZ, who was approximately 5 feet in front of OSWALD. OSWALD was being led out by the two detectives. As they reached the edge of the ramp, ARCHER saw a man dressed in a suit and wearing a gray hat dart in front of OSWALD and just behind FRITZ. ARCHER heard this man shout a phrase, the only words he could make out were "son of a bitch".

Before he could move, ARCHER saw someone grab OSWALD's arm and ARCHER caught a glimpse of a pistol and heard a shot. OSWALD shouted "Oh, no!" and collapsed.

ARCHER assisted in dragging the person doing the shooting to the jail office where he was held on the floor until Det. MC MILLON could get the handcuffs on him. ARCHER asked "Who is it?" as did several others who were present. The suspect turned and headed towards the crowd and shouted, "You know me, I'm JACK RUBY" to those present.

and  
ARCHER, along with Capt. KING, Det. CLARDY, Det. MC MILLON took him to the jail elevator and went directly to the fifth floor where the jail is located. Det. ARCHER, CLARDY and MC MILLON put the suspect spread-eagled against the wall and searched him thoroughly for a weapon, putting all personal items found on his person into the suspect's hat. ARCHER stated he did not inventory the property taken from the person of the suspect. Dets. CLARDY, MC MILLON and ARCHER and Jailer HAAKE remained with RUBY until approximately 3:00 p.m., November 24, 1963, at which time RUBY was escorted to the Dallas Police Department Homicide Bureau, located on the third floor. ARCHER pointed out he was left with the prisoner as they were afraid he would do himself bodily harm. ARCHER advised he did not know nor had he ever met RUBY prior to November 24, 1963.

ARCHER stated he has no idea when or who made the decision to transfer OSWALD to the Dallas County Jail, Dallas.

on THOMAS M. O'MALEY, and File # DA 11-1008

Texas. He stated he did not know when the information to transfer OSWALD was released to the press or what time it was given to the press. He stated he was at no time advised of the plans for transferring OSWALD, nor does he know what instructions were given to fellow officers.

ARCHER feels possibly the reason for security breakdown was the presence of such a large number of news media personnel allowed to cover the transfer of OSWALD present in the basement of the Dallas City Police Department. The brilliant illumination sent by lights set up for television camera made it impossible to see any distance, thus obscuring anyone's vision looking into these lights.

Date 11/26/63

ANDREW ARMSTRONG, JR., 3821 Dickson Circle, Apartment C, employed as bartender and who works as an assistant to JACK LEON RUBY in the management of the Carousel Club, 1312 1/2 Commerce Street, Dallas, Texas, advised he has been working there for about the past year for RUBY.

ARMSTRONG advised he had engaged in conversation with RUBY on Friday afternoon, November 22, 1963, at which time RUBY appeared to be very much upset over the assassination of President JOHN F. KENNEDY. This contact was made shortly after noon on that date, was from the offices of The Dallas Morning News. ARMSTRONG advised he does not know whether or not his employer, RUBY, had witnessed the Presidential parade pass but at the time of the conversation on Friday, shortly after noon, RUBY did not make mention that he had witnessed the Presidential motorcade, however, did appear to be emotionally upset over the assassination.

ARMSTRONG advised that the last contact he had with RUBY was about 9:00 PM, Saturday, November 23, 1963, at which time RUBY did not make any mention as to his plans or intentions and seemed much more calm and settled in his conversation as compared to that on the previous day.

ARMSTRONG described RUBY as highly emotional, and one who would not allow jokes on the part of the master of ceremonies in the club which might be construed as being in an unfavorable light concerning certain races, religious faiths and political affiliations.

At the time of talking to RUBY on Friday, November 22, 1963, he had informed the Carousel Club would be closed Saturday, Sunday and Monday nights. The club was open for business on Monday, November 25, 1963, he said upon the instructions of EVA GRANT, sister of JACK RUBY.

The photograph of LEE HARVEY OSWALD was shown to ~~ARMSTRONG~~ and he failed to identify such as being a patron of the Carousel Club and claimed he could not recall ever having seen this person at the club or in the company of JACK RUBY.

Date 11/27/631

ANDREW ARMSTRONG, JR., employed as bartender, the Carousel Club, 1312 $\frac{1}{2}$  Commerce Street, advised JACK RUBY had allowed one LARRY (LNU) to sleep at the Carousel Club and had seen that individual from about the time the State Fair of Texas had been in session at Dallas during October, 1963.

LARRY had been employed at a concession of some kind at the State Fair and after the business had been unsuccessful had lost his job and was taken in by RUBY. LARRY, further identification unknown, left the premises of the Carousel on Saturday morning, November 23, 1963, and has not been seen around the place since. His whereabouts or destination were unknown.

A list of names of the persons calling JACK RUBY at the Carousel Club had been maintained by LARRY in a small spiral notebook with blue cover, the purpose of his recording the names being to inform RUBY these individuals had called. The names, telephone numbers and addresses had been written in this book by LARRY, whose full name possibly is C. L. CRAWFORD or CRAWFORD, as is evidenced by a handwritten letter left in the room which he occupied at the Carousel.

The original notebook described above was obtained from ANDREW ARMSTRONG, JR., Bartender, Carousel Club.

## FEDERAL BUREAU OF INVESTIGATION

Date December 13, 19631

ANDREW ARMSTRONG was contacted at the Carousel Club, 1312½ Commerce Street, Dallas, Texas, to ascertain if the Carousel Club had ever employed any female photographers and to further ascertain the policy of the club concerning taking of photographs in the club. ARMSTRONG furnished the following information:

ARMSTRONG has been associated with the Carousel Club during the past year and a half. During that period the club has never employed a photographer. During that period, ARMSTRONG could recall of no instance where a woman photographer had photographed anyone in the club with the exception of one photograph who took a picture subsequent to the murder of LEE HARVEY OSWALD.

As a general policy, the club does not allow patrons to bring cameras into the club and take pictures of patrons or performers. On rare occasions, ARMSTRONG takes photographs of patrons with their permission who have gone on the stage to perform with one of the strippers or who has gone on the stage to accept a prize won at the time the club raffles off champagne, dolls, etc. These photographs are in most instances taken by ARMSTRONG himself with a polaroid camera and the photograph is given to the patron photographed.

Approximately three weeks prior to the assassination of President KENNEDY a free lance photographer from the west coast whose first name is AL (LNU), took a series of photographs in the club with RUBY's permission with the intention of selling them to some national magazine. At the time these photographs were taken, written waivers were obtained from patrons photographed by AL (LNU). ARMSTRONG had heard that AL had sold this series of photographs taken at the Carousel Club to Life magazine.

ARMSTRONG reiterated the Carousel Club during his tenure had never employed a photographer, either male or female.

ANDREW ARMSTRONG, bartender, Carousel Club, advised he did not know of any girl named GLORIA whom RUBY had been dating.

ARMSTRONG described a girl who had worked as a hostess for five or six nights at the Carousel Club and whom RUBY had taken home after closing hours on each of the nights she worked as follows:

Race	White
Sex	Female
Height	5'2"
Weight	115 - 120 pounds
Hair	Brown

ARMSTRONG stated that this girl, undoubtedly, was the one who had been seen with RUBY at the B & B Cafe, inasmuch as RUBY customarily ate at that place after closing hours.

ARMSTRONG recalled that this girl had remained aloof from the other employees and only assigned waitresses to handle incoming groups; further that she had worked for two or three nights and had been missed for a couple of nights and returned there for, he believed, three more nights and then quit.

ARMSTRONG stated that this girl was no longer in town, to his knowledge, inasmuch as he had attempted to locate her after RUBY's incarceration, on the possibility that she might be able to assist in the operation of the Carousel Club in RUBY's absence.

The following investigation was conducted by SA JOHN E. DALLMAN at Dallas, Texas on December 17, 1963:

A search of the address book of JACK RUBY reflected the notation Larry Latin Band, followed by the numbers PR 5737.

The Dallas County Sheriff's Office advised that 1963 Texas license PR 5737 was issued to LESTON B. PRICE, 2946 Mark Twain Drive, Dallas.

LESTON B. PRICE, 2946 Mark Twain Drive, advised that he is in possession of 1963 Texas license PR 5737. He stated he is a plumber by occupation, had never heard of JACK RUBY or LEE HARVEY OSWALD prior to the President's assassination and OSWALD's murder. He stated he had never heard of the Larry Latin Band.

The following individuals advised that they could locate no record identifiable with the Larry Latin Band or verifications of the name:

SAM ISAACSON, Assistant Secretary, Dallas Federation of Musicians, Local 147, 1416 East Commerce Street;

WILMA HUGHES, American Guild of Variety Artists, 1500 Jackson Street;

BIRDIE SUE BELCHER, Merchants Retail Credit Association, 2112 Jackson Street;

ANDREW ARMSTRONG, Manager, Carousel Club, was contacted at the Carousel Club, 1312 1/2 Commerce Street, Dallas, Texas, relative to a report that two amateur photographers using Polaroid cameras had free access to the club and photographed the strippers and patrons of the club. Mr. ARMSTRONG furnished the following information:

ARMSTRONG has been managing the Carousel Club since JACK RUBY was incarcerated on November 24, 1963, and for 1 1/2 years prior to that time worked at the Carousel Club as bartender and general handyman. During this period ARMSTRONG has never seen any amateur photographers who had free run of the Carousel Club, has never seen a Polaroid camera on the premises, with the exception of the camera used by the Carousel Club. The camera owned by the club is used to photograph patrons who have won prizes or who have participated in the show. These photographs are usually taken by ARMSTRONG and are given to the customers prior to the time they depart the club.

The Carousel Club maintains no photographs taken of customers in the club.

ANDREW ARMSTRONG, JR., Assistant Manager, Big D Copa Club, formerly known as the Carousel Club, 1312-1/2 Commerce Street, Dallas, Texas, furnished the following information with regard to the time period from about 11:53 AM until about 4:00 PM or 4:30 PM, November 22, 1963:

He got on the bus near his home at about 11:53 AM and traveled the regular bus route to the bus stop at Main and Akard Street, Downtown Dallas, at about 12:25 PM. At the time he got off the bus he noticed that the Presidential Motorcade, or a large crowd of people watching the Motorcade, were at Main and Lamar Streets, a few blocks west of where he got off the bus. Upon alighting from the bus, he walked to the Carousel Club, which took him approximately four or five minutes. He estimates he arrived at the Carousel Club at about 12:30 PM.

Upon arrival at the club, he went to a room in the rear of the club and took off his jacket and then went to the men's room. While in the men's room, he heard sirens and it sounded to him as though there were many more than just one or two sirens. He became curious about this and consequently left the men's room and went to another room where he keeps his portable radio. He tuned it to Station KLIF, Dallas, and announcements were being made over the radio that someone had fired at the Presidential Motorcade. He then immediately ran to a room in the club, where CURTIS LAVERNE CRAFT, commonly known as LARRY, was sleeping, and awakened him. He told LARRY that someone had just shot at the President. LARRY, being a very hard sleeper, did not awaken completely at that time and did not get up.

He, ARMSTRONG, then listened to the radio for two or three more minutes and heard several apparently confused announcements on the radio and heard that the car carrying President KENNEDY was on its way to Parkland Hospital. He then returned to the room where CRAFT was sleeping and awakened him. CRAFT got up and got dressed. While he was doing this, they both listened to Radio Station KLIF on ARMSTRONG's portable radio.

Approximately five to fifteen minutes after LARRY got up, JACK L. RUBY telephoned him, ARMSTRONG, at the Carousel Club. He

believes that RUBY was calling from the Dallas Morning News Building inasmuch as he heard typewriters in the background and also knew that it was RUBY's habit on Friday morning to go to the newspaper building for the purpose of composing his newspaper ads for his clubs for the week-end. RUBY talked to him for three or four minutes, and he surmised that RUBY was calling to tell him that the President had been shot; however, RUBY apparently heard his radio playing in the background and said, "Oh, you have already heard?" and he told RUBY that he had. RUBY at that time told him, "If anything happens, we are going to close the club." RUBY then told him that he would see him after a short while. ARMSTRONG recalls that RUBY forgot to ask him if he had fed the dogs, which he keeps at the club inasmuch as it was RUBY's regular habit almost every time he called ARMSTRONG to ask him if the dogs have been fed.

He, ARMSTRONG, kept the radio tuned to Station KLIF, Dallas, for the remainder of that afternoon. At approximately 1:30 PM, he heard the official announcement when it was first made that President KENNEDY was dead.

Prior to the announcement of President KENNEDY's death, he had heard several announcements on the radio station to the effect that an officer of the Dallas Police Department had been shot. He does not recall hearing the name of the police officer during these announcements and believes, to the best of his recollection, that the officer had not been identified by name at the time these announcements were made.

About fifteen or twenty minutes after hearing the first official announcement of the death of President KENNEDY, JACK L. RUBY arrived at the Carousel Club. He, ARMSTRONG, believes this was at approximately 1:45 or 1:50 PM. RUBY appeared to be distraught and mumbled something about "What a terrible thing." RUBY's first coherent statement after his arrival at the club was that the club was closed and would be closed for the next three days.

RUBY immediately went to a telephone which has telephone number RI 7-2362 and started making telephone calls. He had completed one or two telephone calls within a matter of less than five minutes when they both overheard an announcement on Radio Station KLIF to the effect that Officer TIPPIT of the Dallas Police

ARMSTRONG EXHIBIT No. 5310-G—Continued

Department had been shot and killed. RUBY mentioned to him, ARMSTRONG, at that time that he knew Officer TIPPIT. ARMSTRONG said he believes that this may have been the first announcement on Station KLIF which identified by name the officer who had been shot. (It has been established through records of the Dallas Police Department that Officer J. D. TIPPIT was shot and killed at approximately 1:18 PM, November 22, 1963.)

JACK L. RUBY remained at the Carousel Club until approximately 4:00 PM. ARMSTRONG said he could not be accurate about that time but this is the best estimate he could give as to when RUBY left the Carousel Club. During the time RUBY was there, he gave ARMSTRONG instructions to contact all of the Carousel Club employees and tell them that the club would be closed Friday night, Saturday night and Sunday night. He, ARMSTRONG, started making these telephone calls at about 2:30 PM. One of the persons he called was "LITTLE LYNN", who resides in Fort Worth, Texas.

RUBY was on the telephone almost all of the time he was in the club and made several long-distance telephone calls, as well as numerous local telephone calls. RUBY was crying nearly all of this time. He, ARMSTRONG, knows, through hearing names mentioned and cities mentioned by RUBY while making these telephone calls, that long-distance calls were made that day to Arlington, Texas, where RUBY talked to RALPH PAUL, and to Detroit, Michigan; Chicago, Illinois, and Los Angeles, California. The only local telephone calls that he, ARMSTRONG, can identify were calls made to EVA L. GRANT and Dr. COLEMAN JACOBSON.

He, ARMSTRONG, has no personal knowledge of any activities, travels or whereabouts of JACK L. RUBY between the time RUBY called him from the Dallas Morning News Building and the time RUBY arrived at the Carousel Club. RUBY did not discuss that time period with him, and he has no way of knowing of RUBY's activities at that time. RUBY has never mentioned to him any intention of going to Parkland Hospital, Dallas, or of having gone there at any time.

ARMSTRONG advised that he recalls that sometime between 2:00 PM and 3:00 PM he answered the telephone at the Carousel Club and a woman asked to speak to Mr. RUBY. He recalls telling this woman that Mr. RUBY was at that time talking on another telephone and the woman asked him to have Mr. RUBY return her call as soon as possible. This woman gave him a telephone number, and he believes he recalls the name ALICE being mentioned by the woman as her name. He knows that this woman was not among his own

ARMSTRONG EXHIBIT No. 5310-G—Continued

acquaintances although he has heard of a woman by the name of ALICE NICHOLS who was a former girl friend of JACK L. RUBY.

ARMSTRONG said with regard to the foregoing information that due to the passage of time since the events set out above and the general state of confusion at the time these events were occurring, he could not be certain to the minute with regard to the times of day set out above. He stated, however, that after reflection, and after going over these stated times of day, he believes they are accurate to within a few minutes, to the best of his recollection.

ARMSTRONG related that he does not recall any woman visiting JACK L. RUBY at the Carousel Club during the afternoon of November 22, 1963, and he does not recall RUBY having gone to his office or having been in his office at the club during that afternoon. He said that RUBY usually does most of his paper work at a table near the front door of the club where the telephone is located. He said there is another telephone in the club which is a pay station and which has telephone number RIVERSIDE 1-0289. He said he does not recall JACK L. RUBY using the pay station telephone at any time that day.

CHARLES OLIVER ARNETT, 1223 South Waverly Drive, was contacted at his residence and was advised of the identity of the interviewing agents, the fact that he did not have to make a statement and that any statement made by him could be used against him in a court of law. He was advised that he had a right to consult an attorney prior to making any statement.

ARNETT stated he is a captain in the reserve police force and has been a reserve police officer for the past ten years. He stated that on Saturday night, November 23, 1963, he was stationed at the door of ~~the police department~~ <sup>the Dallas Police Department</sup> office at the police department and was assigned to keep unauthorized persons from the ~~street~~ <sup>office</sup>. He stated he was told by an unidentified patrolman to call Lieutenant MERRELL, which he did, and was advised by MERRELL that the police department had requested that a few reserve officers report to the basement of the Police and Courts Building the next morning for assignment.

Captain ARNETT advised his men and on the following morning, Sunday, November 24, 1963, he arrived at the Assembly Room of the Police and Courts Building at about 9:00 a.m. and was asked by Lieutenant WIGGINS of the police department to furnish men to search the basement parking area of the Police and Courts Building. He advised he was later requested by Captain LAWRENCE of the police department to furnish five or six men on traffic duty at the site of the assassination of the President. Captain ARNETT stated he also furnished three or four men on Commerce Street adjacent to the Police and Courts Building to help direct traffic and remove spectators from the immediate area and also furnished one man at the intersection of Pearl and Commerce Streets to direct traffic because of a faulty signal light.

Captain ARNETT stated he was in the basement during this entire period and that about 11:05 a.m. he took a position in a line of men composed of both newsmen and police officers which extended from the jail lobby door to the

location of the two operating television cameras. He stated this line of men were facing into the parking area with their backs to the Main Street ramp. He stated there was a man in civilian clothes on his immediate right who was holding a microphone and also a man in civilian clothes on his immediate left holding a note pad, and next to this individual was Captain GLEN KING. He stated he recalls there was another individual standing to Captain KING's left but that he does not know who this individual was or if he was in uniform. Captain ARNETT stated that this line of men separated to allow a police vehicle to exit on the Main Street ramp and that they later had to separate, as a vehicle was backed into their area.

Captain ARNETT stated that as OSWALD was walking past him, accompanied by two plainclothes detectives, a man appeared in front of OSWALD with his right hand extended and he then heard what sounded like a gunshot. ARNETT stated he then saw that the man who had stepped in front of OSWALD was carrying a gun and that he immediately rushed to this individual and managed to grab his leg and that assisted by other police officers, carried this individual into the jail lobby. ARNETT stated that when they reached the jail lobby, this individual stated "I am JACK RUBY, you all know me." ARNETT stated that was the first that he knew he had been holding JACK RUBY.

Captain ARNETT stated that he did see the shooting as noted above. He stated he did not know JACK RUBY prior to this and that he had never worked for RUBY and did not know anyone who did. He estimated there were between 15 and 20 individuals in the basement area of the Police and Courts Building other than police officers at the time of the shooting. He advised he was not given a briefing of the security measures to be employed in the basement, and that it seemed to him that individual assignments were made as the situation developed. ARNETT stated he does not know of any unauthorized persons permitted entrance to the basement or of anyone being permitted to enter without identification. ARNETT was exhibited a photograph of JACK RUBY taken on November 24, 1963, and he stated he does not recall seeing this individual in the basement prior to the shooting and that he is sure he has never had occasion to talk to RUBY at any time in the past. He stated he does not have any information concerning any relationship between OSWALD and RUBY.

JAMES AYCOX, Aka., James Thomas, of 2715 Hibernia, Dallas, Texas, was advised of the identity of the interviewing Agent and of the fact that he did not have to make any statement, that any statement he made could be used against him in a court of law and of his right to consult an attorney.

AYCOX explained that the paper found on the person of JACK RUBY listing his name along with three others and also showing that they had a draw of \$10 on November 20, 1963, was a payment made to the band that plays at the Vegas Club. AYCOX stated that the following individuals were members of the "Blazers."

JAMES AYCOX

AYCOX stated that he played at this club for approximately two weeks to a month and that he terminated his employment on November 20, 1963. He met RUBY through RUBY's sister, EVA GRANT, the first night that they played at the club. He stated that he would see RUBY approximately every other night thereafter when he stopped in at the Vegas Club to "see how things were going." He did not know JACK RUBY before he started to work at the club. He does not know LEE HARVEY OSWALD and after examining OSWALD's photo, stated that he never saw OSWALD and RUBY together. He knew of no subversive organizations that RUBY belonged to or of any conspiracy between RUBY and any other individual to kill OSWALD. He knew nothing of RUBY's travels, but stated that he has seen members of the Dallas Police Department in the Vegas Club while they made their nightly tour. He knew of no other connection between RUBY and the Police Department.

AYCOX explained that the notation "James Thomas, RI

## THE OSWALD MIND

### His Notes on Russia Revealed by Steno

(Editor's Note: All the world wants to know what went on in the tortured mind of Lee Oswald, the turncoat accused of assassinating President Kennedy. Here is the first diary of how Oswald tried to picture life in Russia . . . as he told it to a public stenographer and as she told it to a PRESS Reporter, Caroline Hamilton.)

By CAROLINE HAMILTON, Press Staff Writer

Lee Oswald wanted the world to think he'd come to Russia for a job, for the State Dept.

He felt that impression with Miss Pauline V. Bates, public stenographer in the Bark Bremer Hotel.

He did it by evasiveness.

When the State Dept. granted his visa, Lee Oswald said her "they stipulated lines could not stand behind me in any way."

Oswald went to see Miss Bates June 15, 1962. He had in his hand a manila envelope full of notes, handwritten and printed, on his life in Russia. Lee Oswald had found Soviet Russia no Utopia.

It so he said.

IT WAS SHORTLY AFTER 11 A.M. when he walked into her office, a pale man, lean almost to gauntness, with eyes that looked beyond her as he talked.

He had on a dark lightweight zip-up wind-length jacket, a white T-shirt and dark slacks. Miss Bates never saw him or anything else.

"I saw your name in the phone book," he said. "Can you do some typing for me?"

## EXCLUSIVE

What?

Notes I made in Russia of conditions there.

Miss Bates agreed. He told her his name, Lee Oswald — she didn't recognize it, then. And gave her a phone number where he could be reached, mentioned he was living with his mother.

Where? she asked.

"In Arlington Heights," he said.

In his manila envelope Oswald had several shoeboxes of papers, stapled together in sequences on different cities of Russia. The first was Minsk. The second Kiev. The papers were all sizes and all shapes, some strips like strips pulled from envelopes, some full sheets, some heavy brown wrapping paper.

THE NOTES WERE HANDWRITTEN in pen and pencil and typed. "I had a portable typewriter," Oswald explained, "and my wife used to muffle the sound when I typed at night."

He hoped to get a Fort Worth engineer to help him publish a book from the notes. Miss Bates is not sure today who.

That name, like the Russian names that abounded in the well-written, gripping narrative, has gone from her memory. Miss Bates just typed as he spelled. "The names didn't sound like names even, they were so unfamiliar," she commented.

He never allowed her to remain alone with his notes. He brought them when he came, took them when he left. And he made sure he had all typed copy, all carbons.

DURING THE THREE DAYS he sat, for hours at a time, in her office while she typed from his notes, Lee Oswald told her little about himself.

He said he had "just gotten back" after two years and 11 months in Russia where he worked in a factory at Minsk. He told her he was more than ready to return to the U. S. when his visa was expired but that he had married a Russian girl.

The Russians told him to go ahead back to the U. S. and she'd wait for him later. "But I knew I'd never see her again if I did," so I stayed," Lee Oswald said.

Eventually, he'd raised so much fuss, he said, they granted permission for him and his wife to leave Russia. Miss Bates thinks he told her they came across the Austrian border.

HE SOUNDED VERY BRAVE in his fight for his wife. "Lee," she asked, "aren't you afraid her relatives might be in danger?"

"No," he told her. "She thinks he said his wife was an orphan whose relatives were killed in the war."

"Does she like America?"

"Yes," he answered. "She is impressed with the sky, the cars, the food, the happy expressions on people's faces like TV."

Then he probably came as close to a smile as he ever did in her presence. The food here was plentiful and rich and she loved it.

"She must," he almost smiled. Miss Bates' impression. Lee Oswald was very fond of his wife.

LEE OSWALD said he had taken a course in elementary Russian.

(See THE MIND, Page 2.)

## At the Tragic Moment

President Kennedy, mortally wounded by an assassin in Dallas today, is shown in a hospital room, surrounded by doctors and nurses, as he lies on a gurney. The image is a composite of several photographs showing the president's condition and the medical team's efforts to stabilize him.

## FEDERAL BUREAU OF INVESTIGATION

Date 12/4/63

*in not certain if he was there*  
 1  
 BUFORD LEE BEATY, Detective, Narcotics Section, Dallas Police Department, residence 404 Freeman, Dallas, was advised of the identity of the interviewing Agents, and that he need not make any statement, and that any statement he did make could be used against him in a court of law. He was also advised of his right to an attorney. He furnished the following information:

On November 24, 1963, he started work at approximately 8:00 AM, which was his regular Sunday shift. From his arrival at the Police Department to approximately 9:30 AM, he was in his assigned office doing paper work. He then went down to the basement of the Police Department, where Captain TALBERT requested him to watch an individual of apparent Hungarian origin who was allegedly in the basement attempting to secure the release of two of his employees.

About 10:00 AM, Captain O. A. JONES passed by and requested that he wait by the jail elevator and meet the contingent of detectives from the third floor who were coming down to aid in the transfer of OSWALD and have them remain at the elevator for assignments. At approximately 10:10 AM, Captain JONES instructed the detectives to form a double line along the walls of the anteway and into the far side of the garage. Captain JONES also asked the press not to ask questions of OSWALD.

To his recollection, a Patrolman NELSON and one reserve policeman were in the basement on the other side of the double doors from the garage checking everyone who entered. After the double line was formed, only one TV cameraman was allowed through the double doors from the basement interior.

Around 11:30 AM, OSWALD was brought down in the elevator and passed through the line of officers, preceded by Lieut. R. E. SWAIN and Captain WILL FRITZ. Detectives J. R. LEAVELLE and L. C. GRAVES were on either side of OSWALD and Detective L. D. MONTGOMERY immediately behind OSWALD.

When OSWALD entered the driveway area of the basement, the members of the press surged forward and someone yelled for OSWALD to make a statement. At this time BEATY leaned slightly forward and looked around at the group of pressmen, anticipating having to move forward to keep the crowd back. He heard a shot and looked in time

to see two police officers grabbing JACK RUBY, whose hand, bearing pistol, was up in the air. He saw Detective GRAVES remove a snub-nosed pistol from RUBY's hand as RUBY was forced to the floor.

He did not see anyone prior to the time of the shooting whom he knew to be other than a policeman or a member of the press. He estimates over 100 people other than police officers were in the basement at the time of the shooting, none of whom he could call by name.

He has known RUBY for six or seven years, only casually, and had no extended conversations with him. Some time, exact date not recalled, he wrote a traffic ticket for a violation which RUBY committed in his presence. He last saw RUBY about four weeks prior to the shooting. He did not speak with OSWALD or RUBY after the shooting.

He does not know of any police officer or ex-police officer who has ever worked for RUBY. He has no knowledge of any political activity or beliefs of RUBY. He did not know OSWALD prior to the assassination and has no knowledge of any connection between OSWALD and RUBY.

He understands the garage area was searched by a group of officers prior to bringing OSWALD down. He personally saw MELBA ESPINOSA, an employee at the Police Department Information Desk, refused admittance to the basement just prior to the shooting. He noticed the reserve policeman inside the basement at the double doors challenge Captain JONES, who was in plain clothes at sometime before the shooting.

He did not personally request identification of anyone since he understood the entrances to the basement were being guarded and identification was required for persons to enter.

He advised the following is a list of officers that he remembers seeing in the basement just before and after the shooting:

B. H. CONBEST

R. L. LOWERY

J. H. HUTCHINSON

CHARLES GOOLSBY

"November 27, 1963

"Mr. J. E. Curry  
Chief of Police

"SUBJECT: Shooting of Lee Harvey Oswald

"Sir:

"On Sunday, November 24, 1963, about 11:00 A.M., I was in the basement of the City Hall, Police Courts Building. Captain O. A. Jones walked by and told me that some detectives from the third floor would be down shortly and for me to remain there and tell them to wait for him in front of the jail office window.

"We were assigned to the basement hallway of the jail office by Captain O.A. Jones, evenly divided on each side of the hallway. Our instructions were to keep the hallway clear all the way to the armored car.

"R.L. Lowery, B. H. Combest, Jerry Hutchinson, and myself and possibly some more, were assigned to the South side of the hallway directly across from the outside entrance to the jail office. On the other side of the hall were Charles Goolsby, James Watson, W. E. Chambers, W. J. Harrison and W. J. Cutshaw. I am not sure of the order of their stations.

"About ten minutes passed when Captain Jones came over with Sergeant Putnam and they both told the people of the press to clear the hallway completely and to move out into the drive North of the hallway and to the East of the ramp drive where the armored car was parked. They then told them not to ask Oswald any questions as he was leaving the building.

"About 11:30 A.M. Lieutenant R. E. Swain came out of the door of the jail office followed by Captain Fritz. The lights from the many cameras came on immediately. Following Captain Fritz was J.R. Leavelle, Lee Harvey Oswald and L. C. Graves. Following these was L. D. Montgomery.

"About half way out to the hallway the press began to reach at Oswald with microphones asking him to make a statement.

"I took one step into the hall anticipating following Oswald, Graves and Leavelle to the armored car. I heard a shot and looked over to see many police officers subduing Jack Ruby. I saw L.C. Graves take a snub-nose pistol from Ruby's hand as he was forced to the floor.

"From where i was stationed, just inside the jail office hallway, I could see one police office and a reserve officer. They were stationed at the windows of the jail office and were checking everyone that came inad out of this entrance. I recall that either one or both had been there since 9:30 A.M., this date, and that on one occasion Melba Espinosa, an employee at the Information Desk, was refused admittance to the basement.

"Never during the entire operation did I see anyone enter or leave the basement without being properly identified and in many instances searched. I never did see Ruby until after I heard the shot.

"The following is a list of the officers I remember seeing close by:

"B.H. Combest

Date December 2, 1963

Mr. IRA JEFFERSON "Jack" BEERS on interview at his residence, 10913 Joaquin, Dallas, advised that he has been a cameraman for the Dallas News for about fifteen years and worked for the Times Herald for about three years before that. He was present in the basement of the Dallas Police and Courts Building on Sunday, November 24, 1963, at the time JACK RUBY shot LEE HARVEY OSWALD, and he had the opportunity of observing this shooting and of taking a photograph of it. His assignment was to obtain photographs of the transfer of OSWALD from the Dallas Police Jail to the Dallas County Jail. He arrived in the basement of the Police and Courts Building at approximately 9:00 a.m. and stationed himself on a railing in the east side of the drive-through ramp which would place him directly across this ramp from the entrance to the book-in desk of the Dallas City Jail. He was still in this position as the officers came out of the door to the book-in office bringing OSWALD with them to transfer him. He had been looking over the crowd present which he estimated as consisting of approximately fifteen officers and 30-35 members of the press. He was aiming his camera and snapping a picture just as JACK RUBY moved in from his right and stuck his gun against OSWALD to kill him. This is the photograph that was used as a full front page picture in the Dallas News on Monday morning, November 25, 1963.

He was not required to show identification to get into the basement of the Police and Courts Building; however, he was carrying his camera and is personally acquainted with practically all police officials in Dallas, having been associated with Dallas newspapers for at least the last 18 years, and he is sure the officers who saw him in the basement knew who he was and were acquainted with him. He also observed the officers searching the cars parked in the parking area. He saw uniformed officers set up as guards in the parking area and observed uniformed guards at the Main Street entrance to the drive-through ramp and in the vicinity of the armored car which was at the Commerce Street exit to the drive-through ramp.

He is acquainted with RUBY both by name and by sight since about 18 months ago he was assigned as a cameraman

with DALE BAYSE, a reporter for the Dallas News, on a story BAYSE was doing on a stripper school being run by JACK RUBY. This was a story for a magazine, and he and BAYSE spent all day at JACK RUBY's Carousel Club for the purpose of obtaining material for this story. That was his only connection with RUBY, and he does not know whether RUBY would remember him or not.

At the time of the shooting, he could observe only the back of JACK RUBY and did not even recognize the person as RUBY until he was told by an officer the identity of the person shooting OSWALD. He thought at the time that RUBY was a detective who had gone berserk.

Mr. BEERS stated that he is sure JACK RUBY was not in the basement of the Police and Courts Building during the greater part of the morning and is sure that he was not there prior to the time a large group of press personnel came out of the building into the drive-through ramp area a few minutes prior to the shooting. He feels sure that had RUBY been there prior to the time of the arrival of the crowd he would have seen and recognized RUBY.

He did not talk to RUBY any time between November 22 and 24, 1963.

He feels that the police officers were taken completely by surprise by RUBY's actions and saw nothing whatever to indicate to him that there was any conspiracy on the part of anyone to permit RUBY to infiltrate the crowd and kill OSWALD.

Mr. BEERS stated he observed the following persons present at the time of the shooting representing press media:

BOB JACKSON, Times Herald; IKE PAPPAS, WNEW, New York City; MIKE SMITH, Associated Press, Los Angeles; JIM ENGLISH, WBAP, Fort Worth; and (FNU) JOHNSON, United Press International.

IRA JEFFERSON "JACK" BEERS, 10913 Joaquin Drive, Dallas, Texas, advised he is a staff photographer for the Dallas Morning News and took the photograph of RUBY just prior to the instant when he fired the fatal shot into OSWALD's body, in the basement of the Dallas Police Department on the morning of November 24, 1963.

BEERS stated that he arrived in the basement of the Municipal Building at approximately 9 a.m., having been assigned this duty by his paper. At the time he arrived there were approximately ten to twelve people in the basement and NBC and CBS television cameras were already in place. These cameras were located directly opposite the double doors through which OSWALD would be brought for loading into the conveyance for transportation to the Dallas County Jail.

BEERS was not challenged by anyone on entering and came into the basement down the steps from Commerce Street. BEERS does not recall that the cameramen or newsmen there at the time had any identification badges or other means of identification which were visible.

BEERS located a spot just to the left of the NBC camera, sitting on the top of two railings. He stated that he had made arrangements with the NBC cameraman to tap him on the leg as OSWALD turned the corner from the corridor to the right toward the loading conveyance, which would permit BEERS to get out of the way of the TV camera which would be panning and following the route of OSWALD.

At approximately 20 minutes to 11 BEERS estimated the crowd had increased to approximately 40 or 50 people, consisting of newsmen, photographers, and cameramen, and he stated that he noticed just behind where the cameras were set up and where he was stationed, there was a line of uniformed Dallas Policemen.

The news reporters were standing in front of BEERS and from BEERS' position on the railing above them he had decided to shoot for one clear photograph of OSWALD's face as he came down the corridor, this shot to be made over the heads of the newsmen present.

Just prior to the time that OSWALD came out of the elevator a police car was backed down the ramp and BEERS noticed that a number of the newspaper reporters were practically pinned against the wall of the ramp by this police vehicle. He also stated that there were two armored

vehicles, one in the basement, and one near the driveway from the Commerce side.

BEERS was in position and was training his 65 millimeter lens, 2 1/4 x 2 1/4 Mamayiaflex (Japanese made) camera, looking into the view finder, and focusing on OSWALD as he came through the double doors from the elevator. Inasmuch as his view was limited and he was trying for one clear shot, BEERS did not notice anything until he first saw a hat, and did not know that he had obtained the photograph which was published throughout the nation until he had the shot that he made developed.

BEERS stated that he had not at any time observed JACK RUBY prior to the time that he observed the hat through his view finder and "supposed" that RUBY must have been standing in the second row of those present, which would have been along the wall to the front and right of the TV cameras.

Just prior to the time that RUBY stepped forth and fired the fatal shot, an individual wearing glasses standing on the same side of the basement from which RUBY appeared, extended a microphone in front of OSWALD and for an instant gained OSWALD's attention, inasmuch as he turned his head to the left just prior to returning his gaze to the front, at which time BEERS snapped his photograph as RUBY surged forward and fired.

BEERS recalled that the shot was a dull, muffled explosion, indicating that the gun was very close to OSWALD's body, and BEERS stated that immediately thereafter complete pandemonium existed, and that he rewound his camera and began snapping additional pictures, only to learn later that he had rewound past the next negative.

After the shooting BEERS went back up into the building and was forced to show his press photographer credentials to gain entrance to the building.

*I did know RUBY prior to this shooting, nor did he know OSWALD, other than being present on the previous day, November 23, 1963, when OSWALD had been brought downstairs from the jail to appear before representatives of the press and television, at which time BEERS stated OSWALD had what he would consider a "smirk" on his face. BEERS said that while OSWALD was being brought down the hall for this appearance, he seemed to be searching for a microphone in which to make some statement, inasmuch as he looked at BEERS' camera and then turned and looked along the line of newsmen and photographers and stated "I want an attorney."*

BEERS has no idea how RUBY gained access to the basement.

RUBY upon seeing the article, became very upset and loud and he told BELLOCCHIO that he had been to the newspaper office and had been advised that there was no such person by the name of BERNARD WEISMAN. RUBY also was disturbed by the name WEISMAN as RUBY felt that the name may have been used to create anti-semitic feelings. RUBY told BELLOCCHIO that he had learned that the ad placed by the person using the name WEISMAN had been partially paid in cash and that a third of the price of the ad still remained unpaid. BELLOCCHIO is specific in this recollection because he thought that it was odd that the paper would accept an ad on partial payment.

RUBY then displayed to BELLOCCHIO a polaroid photograph of an outdoor sign board displaying the sign, "Impeach EARL WARREN." BELLOCCHIO stated that RUBY thought the sign board improper and did not like it.

It is BELLOCCHIO's recollection that RUBY had two copies of the photograph and BELLOCCHIO asked RUBY for a copy of the photograph. RUBY refused to give BELLOCCHIO a

RUBY and BELLOCCHIO then walked to the front of the bar where TOM APPLE was sitting and BELLOCCHIO showed APPLE the photograph. BELLOCCHIO again asked RUBY for the photograph but RUBY again refused and said that he wanted to make sure that the photograph got into the right hands.

It is BELLOCCHIO's recollection that RUBY may have used the word "scoop" in stating his reasons for not giving BELLOCCHIO the photograph. It is BELLOCCHIO's opinion that RUBY may have had in mind furnishing the photograph to the newspaper.

According to BELLOCCHIO, during the time that he talked to and saw RUBY at the bar, RUBY was not drinking and he gave no inference of having been drinking. Shortly thereafter, RUBY departed the bar alone. BELLOCCHIO has no information or knowledge of RUBY's associates or personal activities. BELLOCCHIO did not know LEE HARVEY OSWALD nor did he have any information pertaining to any association or acquaintance between OSWALD and RUBY.

FREDERICK A. BEIBERDORF, 8603 Midway Road, medical student, Southwestern Medical School, University of Texas, at Dallas, Texas, was contacted at the Southwestern Medical School and immediately advised of the official identities of the interviewing agents, the fact that he did not have to make a statement and that any statement he did make could be used against him in a court of law. He was further advised of his right to consult an attorney prior to interview. He furnished the following information:

BEIBERDORF stated he reported for duty as the First Aid attendant in the basement of the Police and Courts Building at approximately 9:30 a.m., November 24, 1963. He stated he relieved a BILL HALL, former classmate, who had been on duty since noon of the previous day. He advised he reported to the First Aid Office in the basement which is located immediately to the east of the Main Street ramp of the basement against the east wall of the building. He advised he remained there until about 9:45 a.m. when a police officer requested him to vacate the office and to leave the basement area. He stated he then took up his position in the basement at the intersection of the hallway underneath the City Hall. He advised that from this position he had an unobstructed view of the basement parking area and that he did not notice if there were any doors between him and the basement area. BEIBERDORF stated he was at this position when he saw OSWALD being brought into the basement area accompanied by several detectives, and then he thought he heard a gunshot and immediately proceeded into the basement area. He stated this took him several minutes due to the confusion and by the time he reached the general vicinity of the location where OSWALD had been shot, he found that OSWALD and RUBY had already been removed from the scene. He stated he searched the immediate area for several minutes before proceeding into the jail lobby adjacent to the parking area where he was asked to identify himself by a detective at the door. He stated he then immediately saw RUBY lying face up in the jail office lobby approximately ten feet inside the jail lobby door,

and he then saw OSWALD in the same position approximately half way between RUBY and the elevator which had earlier taken OSWALD to the basement. He stated he could not detect a pulse, <sup>any</sup>/breathing or heartbeat of OSWALD and that OSWALD's pupils had partially dilated. He stated he was under the impression OSWALD had expired. He noted that someone had pulled OSWALD's shirt up to his chest and he could see a puncture wound on the left side of OSWALD's stomach just below the rib cage but that no external bleeding was evident. He stated he could feel the bullet in OSWALD by pressing with his fingers between OSWALD's ribs on his right side. He stated he may have missed hearing OSWALD's heartbeat due to the noise in the jail lobby at the time. He stated he commenced massaging the sternum of OSWALD in an effort to start a heartbeat and that while doing this, several attendants from an ambulance unit arrived, placed OSWALD on a stretcher and placed him in an ambulance which they had backed into the basement parking area from the Commerce Street ramp. He stated this was approximately five minutes after he had heard the gunshot.

BEIBERDORF advised he continued his massaging during the trip to the hospital and also used the oxygen cup resuscitator which he placed over OSWALD's mouth and that approximately five blocks from Parkland Hospital OSWALD started thrashing about and resisting his efforts of massaging and also attempted to remove the resuscitator from over his mouth. He stated that he was accompanied on this trip by Detective LEAVELLE who had been handcuffed to OSWALD and two other detectives, names unknown, plus the ambulance driver and his assistant. He stated the latter two were riding in the front seat and the two detectives were in a seat immediately behind the front seat, and Detective LEAVELLE was sitting immediately to his left in the rear of the ambulance.

BEIBERDORF stated he followed the ambulance stretcher carrying OSWALD into the Emergency Ward and remained with OSWALD while hospital attendants inserted a tube into OSWALD's throat to aid his breathing. He stated two minutes after

BIEBERDORF EXHIBIT No. 5123—Continued

DL 44-1639

entering the Emergency Room, also known as the Trauma Room, OSWALD was removed to to the operating room. He stated this was the last time he saw OSWALD.

BEIBERDORF advised that while he was with OSWALD in the jail lobby basement until he left him in the Emergency Room of Parkland Hospital that OSWALD failed to make any statements whatsoever.

BEIBERDORF stated he was not acquainted with JACK RUBY but that he had interviewed RUBY in the Dallas Police Jail on Sunday, November 24, 1963, at about 4:00 or 5:00 p.m. at which time RUBY stated he had no complaints concerning any brutality and that the finger bruises on his upper right arm and a few bruises on his right wrist and forearm were the result of the scuffle in the basement when he was apprehended. BEIBERDORF stated he gave RUBY a physical examination at this time in order to insure RUBY had not concealed any weapon on his person.

BEIBERDORF advised that he does not recall any double swinging doors separating him from the basement parking area prior to the shooting and that he has since viewed several television tapes of the shooting and he has been able to see in these tapes his position at the time of the shooting from the position of the two television cameras operating in the basement parking area. He advised he has walked through this passage several times previous to November 24, 1963, but does not ever recall seeing any swinging doors and that if there were doors between him and the basement parking area at the time of the shooting, they must have been wide open.

BEIBERDORF advised he has no idea how many people other than police officers were in the basement area prior to the shooting and that he did not know any of these people. He stated he has no knowledge of security measures that were in effect in the basement on November 24, 1963, other than the fact he was asked to remove himself from the basement and he assumed only police officers and press men were allowed to remain. He stated he does not know of any unauthorized persons permitted entrance to the basement or any permitted to enter without showing identification.

BEIBERDORF EXHIBIT No. 5123—Continued

DL 44-1639

BEIBERDORF stated he did not observe RUBY in the basement area prior to the shooting and that when he observed RUBY lying on the jail lobby floor, it was the first time he had ever seen RUBY and he does not have any information concerning a relationship between RUBY and OSWALD.

He stated he was on duty in the basement this date as a First Aid attendant employed by the City Health Department and that his duties normally consisted of treating injured prisoners of the police department. BEIBERDORF stated he is a senior medical student in his fourth year of study at the Southwestern Medical School and that he will graduate in June, 1963, and commence his internship.

DALLAS, November 23

DIANA HAMILTON BOWRON, the 22-year-old English nurse who was with President Kennedy when he died, said today that she had no idea who her patient was to be when she was sent out of the emergency section of Parkland Hospital, Dallas, to help bring him in from his car on a trolley.

"I realised it when I saw Mrs. Kennedy, whom I recognised immediately," she said. "She was sitting in the back of the car with the President's head in her lap. She was bending over him and covered in blood."

Miss Bowron—who arrived in Dallas from her home in Buxton, Derbyshire, only three months ago—was working in the minor surgery part of the emergency section when she heard a loudspeaker call for nurses to bring in an incoming patient.

Within minutes she was caught up in the drama she will remember all her life. "We had to get Governor Connally out of the car first, because he was in the front seat," she explained. "When we brought in the President he was covered with petals from the flowers which Mrs. Kennedy was carrying, and as we worked on him they were scattered all over the floor of the room."

She helped to cut off the President's clothes and to hand the doctors the equipment for the intravenous injections, blood transfusion and tracheotomy which they tried.

"Mrs. Kennedy came into the

room with the trolley, and stayed until it became too crowded. The hospital staff tried to persuade her to stay outside, but she came back in just as he died.

"After he died, she kissed his hand, then took off her wedding ring and slipped it on to his wedding finger. It came just up to the knuckle."

NURSE WAS AT HIS SIDE WHEN HE DIED

by SYDNEY BRENNAN

A PRETTY young English girl left her home for a job in Texas three months ago with a burning ambition—to meet the President of the United States.

At 12.50 p.m. on Friday 22-year-old Diana Bowron's wish was tragically realized . . . when she helped to carry President John F. Kennedy, dying from an assassin's bullets, into Parkland Hospital in Dallas.

For Diana had answered a "routine emergency call," unaware that the patients were the critically wounded Mr Kennedy and Governor John Connally.

Yesterday speaking by telephone from the hospital, Diana, whose parents live in Robertson-road, Buxton, Derbyshire, said: "It was the most terrible and shocking experience of my life."

Diana, who was trained at Hope Hospital, Salford, said: "I realised who the man in the car was as soon as I saw Jackie Kennedy. Mr Kennedy was slumped forward in his seat—and so was Mr Connally."

Covered with bouquet petals

"We had to bring in Mr Connally first . . . we could get in to the President. His seat was covered with petals from Mrs Kennedy's bouquet."

"I helped to cut away Mr Kennedy's clothing and to administer intravenous injections. Ten doctors and several nurses, including myself—assisted in giving blood transfusions. Then I handed instruments to the doctors who performed a tracheotomy operation to assist his breathing."

"But there was no hope for him. Mrs Kennedy was there nearly all the time. I went out for a short while. But, in spite of what doctors said, she came back . . . just as Mr Kennedy died."

"When he had died, Mrs Kennedy kissed his hand. Then she took off her wedding ring and slipped it on his wedding finger. But the ring only reached the first knuckle."

"We all wept with Mrs Kennedy. It was the most moving thing I have ever seen," added Diana.

Diana, who spoke for ten minutes on a telephone call to her father, Mr Maurice Bowron, 51, and his wife, Beatrice, 48, expects to return to this country in three months.

Mrs. JOHN P. MANDELL, 4521 Fairfax Street, Dallas, Texas, on November 27, 1963, telephonically furnished the following information to the Dallas Federal Bureau of Investigation Office:

Her maid, ELEANOR BRANCH, informed her that BRANCH's husband who is the booking agent for colored talent in Dallas, commented that on Saturday, November 23, 1963, JACK RUBY was in a local Negro night club. RUBY was in high spirits and was passing out \$5.00 bills.

The following investigation was conducted by Special Agents EDMOND C. HARDIN and ROBERT J. WILKISON:

Mrs. JOHN P. MANDELL, 4521 Fairfax Street and Mrs. JAMES OLMSTEAD, 4500 Fairfax Street, Dallas, were contacted December 7, 1963, to determine the full name of ELEANOR BRANCH's husband, JOHN HENRY BRANCH, 3722 Greenleaf, Dallas.

JOHN HENRY BRANCH, 3722 Greenleaf, business address Branch Agency, 1710 Hall Street, Dallas, on December 9, 1963, advised as follows:

He is a member of the American Federation of Musicians, Manager of the Empire Room Dancehall and owner of the Branch Agency, booking agent for Negro musicians and entertainers in Dallas.

He has known JACK RUBY for approximately the past 14 years in connection with entertainment business. RUBY has contacted him on many occasions over the past years in connection with BRANCH obtaining Negro musicians and entertainers for clubs operated by RUBY.

He last saw RUBY for about ten minutes about 9:00 or 10:00 P.M., November 23, 1963, in front of the Hall Diner located down the street from the Branch Agency. He had not seen RUBY for about the previous six or eight weeks as he (BRANCH) had been in the hospital. On November 23, 1963, RUBY was alone and had his car parked along the street. RUBY talked to BRANCH about getting a Negro piano player for the Vegas Club.

He did not believe RUBY mentioned the assassination of President JOHN F. KENNEDY or LEE HARVEY OSWALD. RUBY was calm and appeared perfectly normal. He said RUBY is a very temperamental person who is apt to get mad on the spur of the moment.

BRANCH EXHIBIT No. 1

He said that he did not see or hear of RUBY being in the Empire Room Dancehall or any other Negro night club passing out \$5 bills on November 23, 1963 or on any other occasion. He did not know of RUBY being in any Negro night clubs on the night of November 23, 1963.

He said he had no information concerning the assassination of President JOHN F. KENNEDY on the shooting of LEE HARVEY OSWALD. He had no information indicating that RUBY had any relationship with OSWALD.

"...OF THE ... .."

PRESS RELEASE:

Mr. Carlos Bringuier, Delegate to the United Nations from the Cuban Student Directorate, wants to make public that Mr. Lee H. Oswald, former secretary of the "Fair Play for Cuba Committee" has declared himself a "Marxist" at a debate held at USTC Radio on 8.20 a.m. 1961 and covered by Miss Stuckey and Will Brown.

Mr. Oswald who spent about three years living in Moscow, Russia and who agreed to the debate having given his passport to the American Embassy in Moscow in order to attack the Soviet Government, declared to the public the name of the members of an organization and declared himself a "Marxist".

In that program the members of the Organization mentioned suggested to Mr. Oswald to change the name of his organization from "Fair Play for Cuba Committee" to "Fair Play for Marxist Revolution", which he will not accept. During the debate he said: I understand the U.S. Government and Russia had a few years ago, I think for every 500,000 of Cuba against 100,000 of people in Russia, I think for every 10 persons in Cuba against 100 every 100 in Russia; and since now Cuba has destroyed the Cuban economy she has been a Russian Colony. Bringuier added that the Cubans who are working every day for Cuba can't leave with Mr. Oswald in that he represented the People of Cuba in that debate. Finally he added that the only thing Mr. Oswald had represented would be a Russian Colony.

At the front, he declared to a number of times of his arrival a - Castro agent, an agent of those intelligence against which thousands of young Americans had been dying fighting in Korea, Laos, Viet Nam and were recently in Korea another time, trying to preserve freedom and democracy in the world.

So, Oswald had come to regain his position in Cuba, and at the same time protect your freedom, how you Americans for your illness!

- 1) Help us to destroy Communism in Cuba.
- 2) Write to your Congressmen asking for a full investigation of Mr. Lee H. Oswald a confessed "Marxist".
- 3) Help those organizations such as "INCA" directed by Mr. Edward Butler, whose lives are dedicated to fight Communism all over the world and specially in Latin America.
- 4) Be alerted about the Communist infiltration in this country, because Khrushchev said "I will kill you".

OPEN LETTER TO THE PEOPLE OF NEW ORLEANS

The "Fair Play for Cuba Committee" has been distributing propaganda on the streets of New Orleans urging Americans to pressure Congress to keep "Hands Off" the Soviet Satellite in Cuba. We, the United Cuban Refugees of New Orleans, know what a great danger the Communist colony in Cuba is to every man, woman and child in America. We have seen it happen. It happened to us.

Did you know:

- (1) That Lee H. Oswald, the local secretary of the FPCC -- has admitted he is a "Marxist" (WDSU Radio "Conversation Carte Blanche", 6:05 P.M., August 21, 1963)

--has admitted he spent 3 years in Russia (same program)

--has admitted that he is the same person who, it was reported, had turned in his passport to obtain Soviet citizenship in exchange for his U.S. citizenship. (See Washington Evening Star, October 31, 1959, page 1; Washington Post-Times Herald, Nov. 16, 1959).

- (2) That a witness testified that the Cuban U.N. delegation, through its representative Raulito Roa, furnished \$3,500.00 for the first FPCC newspaper ad? (See Hearings, Senate Judiciary Committee on FPCC, April 29, May 5, Oct. 10, 1960 and Jan. 10, 1961).

- (3) That a picture showing the National Secretary of the FPCC organization, Aileen Grant, serenading Premier of Communist China, Chou En Lai, was introduced in evidence at the same Senate hearings?

- (4) That the original FPCC Honorary National Chairman, Waldo Frank, wrote an article "How I Came to Communism: Symposium" (New Masses, Sept. 1932, pp 6 & 7).

What can you do about the danger that FPCC presents to you and your family?

- (1) Write your Congressmen and enclose this leaflet, expressing your concern over the activities of the FPCC pressure group.
- (2) Contact the leaders of local Civic organizations, especially those to which you belong, urging them to issue public resolutions against the FPCC and its local activities, and to reprint this open letter or the Resolution, or both in their Club Bulletin.
- (3) Support a positive policy for the liberation of all Captive Nations.

We Cubans are united on this matter because it has happened to us once. We can see it beginning to happen here. Please defend the greatest bastion of Freedom the world has ever known -- America. Act now.

Mr. ALVIS R. BROCK, 207 East Baylor, Ennis, Texas, was advised he did not have to make any statement, any statement he made could be used against him in a court of law, he had a right to talk to an attorney, and of the identity of SAs ROBERT J. WILKISON and EDMOND C. HARDIN. No threats or promises were made to BROCK.

BROCK advised as follows:

He is employed as a patrolman by the Dallas, Texas, Police Department and assigned to main Police Headquarters.

About 9 a.m., November 24, 1963, he was on routine patrol with Patrolman M. L. WISE. They received a radio message to telephone the patrol office. They did so and received instructions to report to the patrol office, which they did a few minutes later.

A few minutes after their arrival Lieutenant PIERCE instructed BROCK and three other patrolmen to report to Sergeant P. T. DEAN in the basement for assignment. This was about 9:25 a.m.

Upon arrival in the basement they contacted Sergeant DEAN and Sergeant PUTNAM who were then together. Sergeant PUTNAM assigned BROCK to guard the elevator entrance located at the east end of the basement in the garage area. Sergeant PUTNAM instructed him not to allow anyone except police officers and press representatives into the basement and to check everyone's identification.

The elevator where he was on duty was an elevator not used very much and possibly was a freight elevator. He assumed his position a few minutes after arrival in the basement.

When he first arrived at the elevator there were three city employees at the elevator in addition to the elevator operator. A few minutes later Sergeant PUTNAM told him that the city employees would have to leave. He and Sergeant PUTNAM then made the city employees leave the area. Sergeant PUTNAM told the elevator operator to keep the elevator on another floor or not to operate it.

A little while later Sergeant PUTNAM brought a TV man over to the elevator, who used it to go to one of the upper floors and return to the basement a short time later. When the TV man was returned in the elevator to the basement,

Sergeant PUTNAM told the elevator operator not to answer the elevator buzzer any more and to keep the elevator on another floor.

At about 10:45 a.m. Sergeant DEAN and Sergeant PUTNAM contacted several of the officers, including BROCK, in the basement area. Sergeant DEAN assigned them traffic assignments along Elm Street during the period when OSWALD would be transferred from City Jail to the County Jail. BROCK was assigned to the Elm Street - Irving Street intersection and assumed that position shortly thereafter. When he left the elevator area there was a reserve police officer nearby and he assumed the reserve officer was watching that area.

He worked his traffic assignment at the Elm Street - Irving Street intersection until about 11:30 a.m. At about that time another traffic officer, M. L. WISE, picked him up and they reported to Parkland Hospital for assignment.

He was not in the basement area when OSWALD was shot.

He does not personally know JACK RUBY but believes he would recognize RUBY on sight. He did not see RUBY on the day of the shooting, or between November 22 and November 24, 1963. He never worked for RUBY or in any of RUBY's night clubs. He does not know any police officers who ever worked for RUBY and never heard of any police officer ever working for RUBY.

He did not know how many police officers and people other than officers were in the basement area. While he was in the basement area he did not see anyone other than officers or press representatives. He was not familiar with the security measures in effect in the basement area, but observed that a police officer was at the entrance to the basement ramp. He had no occasion to require anyone to identify themselves. No one got off the elevator when he was on duty at the elevator other than the one, previously mentioned, TV man.

He never heard of OSWALD before the assassination of President JOHN F. KENNEDY.

He never heard of any relationship between OSWALD and RUBY.

He does not know of any unauthorized person who was permitted entrance to the basement or of anyone permitted to enter without showing identification.

He does not have any additional pertinent information concerning the shooting of OSWALD.

"On November 24, 1963 at about 9 A.M. I was advised to report to 511. At approximately 9:25 A.M. Lt. Pierce told me to report to Sgt. Dean in the Basement.

"Sgt. Putnam assigned me to the elevators on the East side of the Basement. My instructions were to let no one but Police Officers and Newsmen into the basement and to check I.D. on everyone. There were several city employees standing in this area looking. I told these people to leave and advised the elevator operator to keep the elevator on the first floor. The only person using the elevator after this was a T.V. man who went to the fifth floor and returned. The elevator operator was told not to answer the buzzer to the Basement again. I remained at this assignment until about 10:45 when Sgt. Dean and Sgt. Putnam called several of us together for traffic assignments.

"I was assigned to Elm and Ervay to stop traffic and reported immediately to this location. I remained there until about 11:30 A.M., when my partner picked me up and we reported to Parkland Hospital for assignment.

## FEDERAL BUREAU OF INVESTIGATION

Date 1/22/64

Mrs. MARY BROCK, 4310 Utah, Dallas, Texas, advised that on the afternoon of November 21, 1963, she was at the Ballew Texaco Service Station located in the 800 block of Jefferson Street, Dallas, Texas. She advised that at approximately 1:30 PM a white male described as approximately 30 years of age; 5 feet, 10 inches; light-colored complexion, wearing light clothing, came past her walking at a fast pace, wearing a light-colored jacket and with his hands in his pockets.

Approximately five minutes later two individuals from Johnny Reynolds Used Car Lot, 800 Jefferson Street, appeared at Ballew's Texaco Service Station, making inquiry as to whether she had noticed the young white man come by the station. She indicated she had, at which time they informed her that this individual had in all probability shot a Dallas police officer. She advised she informed them that the individual proceeded north behind the Texaco station and she last observed him in the parking lot directly behind Ballew's Texaco Service Station.

Mrs. BROCK was shown a photograph of LEE HARVEY OSWALD, New Orleans PD # 112703, dated August 9, 1963, which she identified as being the same person she observed on November 22, 1963, at Ballew's Texaco Service Station.

Mrs. BROCK advised at the time she saw OSWALD on November 22, 1963, she was unaware of the fact that President JOHN FITZGERALD KENNEDY had been assassinated, and she was unaware that Dallas Police Officer J. D. TIPPIT had been shot.

ROBERT BROCK, 4310 Utah, Dallas, Texas, advised that on November 22, 1963, he was employed as a mechanic at Roger Ballew Texaco Service Station, 300 Jefferson Street, Dallas, Texas. He advised that at approximately 1:30 PM, November 22, 1963, a young white man passed him, BROCK and his wife, and proceeded north past the Texaco Service Station into the parking lot, at which time the individual disappeared.

Approximately five minutes later, WARREN REYNOLDS and another individual from Johnny Reynolds Used Car Lot came to the Texaco Service Station and informed him, BROCK, of the fact that a police officer had been shot approximately two blocks away, and that the individual responsible for the shooting had been observed turning north off Jefferson Street past the Texaco Service Station.

BROCK advised he, WARREN REYNOLDS and various police officers from the Dallas Police Department had searched the parking lot directly behind Ballew's Texaco Service Station in efforts to locate the person responsible for the shooting, with negative results. BROCK advised, however, a Dallas, Texas, police officer, name unknown, had located a jacket underneath a 1964 Oldsmobile which was parked in parking space # 17. This jacket apparently had belonged to the person who had shortly before shot a Dallas police officer.

ROBERT BROCK was shown a photograph of LEE HARVEY OSWALD, at which time he advised he could not positively identify same as being identical with the individual who had passed him at Ballew's Texaco Service Station.

TO File FROM Else Siegle DATE 12/5/63  
RE Oswald - #219055

It was brought to our attention that this situation (Lee Oswald) is a young man who was accused of killing the President of the United States and who was killed later himself was known to CSS in 1953. In looking at the folder, I learned that in reality no member of the family was ever seen but the mother telephoned, was offered an appointment and did not keep it. There also were various collateral contacts in February and later in May 1953. As the newspapers had gotten wind of the fact that CSS had some contact with the family, I discussed this situation with our legal counsel. I was advised that no information whatsoever should be given to anybody and that the folder should be sent to our lawyer's office and any possible inquiry will be answered by him.

This situation was handled accordingly.

Dear Mrs. Siegle:

This will acknowledge receipt of the Oswald file which I shall return to you when the coast is clear.

You are quite correct that you should arrange for all inquiries at the Society regarding Lee Oswald or his mother to be channelled to you and that you may refer all such inquiries directly to me. In this way we can both protect, in my opinion, the best interests of the Society from misinterpretation and unwanted publicity.

It was a pleasure to speak with you again.

1-16-53 contd. permissible with Mrs. O who finally accepted an appt. for Friday, Jan. 30th at 2 PM with MVR.

Near end of day, Mrs. Neill of Federation of Protestant Wel. Agencies, SP 7-4800, phoned to inquire as to whether Mrs. O had called for an appt. Mrs. N confirmed that Mrs. O had called her to engage Federation in helping out with the problem with Lee. Mrs. O wanted a worker to come to the home and talk with the boy, something which incidentally I neglected to record above was a request which Mrs. O had made when she called me. At any rate, what Mrs. N gave me was substantially along the lines of what Mrs. O had discussed in her phone conversation earlier with me. It was made clear to her that the Federation only has a referral service and suggestion was made that she try CSS. Mrs. Neill requested that we be in touch with her in relation to disposition in the case which I promised would be done.

Denham:mb

1-22-53 Called JHS 117, TR 8-6211, to find out boy's new school. Talked with Miss Kahn, assistant principal. And explained that she was not able to give much in the way of impressions about the boy because she has only seen him once or twice and actually he only came to school while he was in 117 a total of 15 days, being absent 47½, during the period 9-30 thru 12-31-52. Lee arrived in N.Y. in Sept. and initially attended the Trinity Lutheran School in the Bronx from 9-8-to-9-20-52, where the record indicates he was present 9 days, absent 6 days. Miss Kahn felt that the boy seemed rather withdrawn, was rather difficult to reach him on the one instance she spoke with him. Miss Kahn thought that PS 44 was the new school, but suggest I call the attendance office for this information.

Spoke with Mr. Keating of the Attendance Bureau, LU 3-2470. Mr. Keating explained that he is not currently assigned to case, rather Mr. Brennan is working with the boy. However, in Mr. Brennan's absence, Mr. A was able to give me some background on the contact of Attendance Bureau with the family. Mr. Keating advised that he has actually, before case was transferred to Mr. Brennan, spoken once with the mother. Mrs. O complained at the time she simply couldn't handle Lee, that he was stubborn and refused to go to school and kept expressing wish to return to Texas where he said he felt more at home. On the other hand, mother later admitted that she does nag the boy quite a bit and that she would try easing up on him to see whether he would go to school. L is now attending JHS 44, but apparently has only been in school there for about 2 days, since the first of Jan. School dispatched a visiting teacher to the home who spoke with the boy, trying to persuade him to come to school. Lee is alleged to have replied that he would think about it and hadn't made up his mind, etc. To the hearing, this was held on 1-13-53 and the District Superintendent's recommendation was that the boy be placed on probation to Mr. Brennan until June. Mr. Keating said that it seemed there was a question of possible suspension here and agreed at my suggestion that this might be something that should be involved in rather than CSS at this point. He, however, promised to have Mr. Brennan phone me for further discussion on this.

BROWN (PETER) EXHIBIT No. 1—Continued

5-7-52 Telephone inquiry from Mr. Carro, Children's Court, LU8-5000 ext. 30. Lee, 13, a serious truancy problem, came with mother from Texas in 8-52. Problem seems to have evolved around difficulty of adjustment to new environment, relationship with mother. Father died when Lee was in infancy.

Complete study made by Youth House indicated "Personality pattern disturbance with schizoid features, passive aggressive tendencies, ~~lot of space for thought~~, rejection by a self-involved, conflicted mother." While Mrs. O denies any problem, there was consensus in the study that both Lee and Mrs. O needed help. It was felt that a child guidance clinic or family service agency would be preferable, with a male therapist for Lee, as he "can be reached by a male, shown at Youth House." Mother works; Lee has isolated himself, preferring to stay home and watch TV. He is intelligent, has an I.Q. of 118. Family is Lutheran and therefore a non-sectarian agency was considered first. It is known at this time that Catholic Charities has closed their intake for a month; Salvation Army intake situation is similar to ours. Mr. Carro has spoken with supervisor, Miss Corning, and they were in agreement that <sup>relatively</sup> had been paroled until September, it was inadvisable to consider letting the boy wait so long for any kind of individual attention. The alternative if therapy cannot be found, is a placement away from the mother.

Mr. Carro said that he would be glad to talk with Salvation Army and at the same time pleaded for further consideration. I indicated that I felt in view of the difficulties presented, the skill required in treating such a disturbed boy, that there was little likelihood of our being able to take on the case. Nevertheless I would take it up with the intake supervisor while Mr. Carro in the meantime talked with Salvation Army. It was agreed therefore that I would get in touch with him either the following day or early the next week to advise whether there was any greater likelihood of our taking responsibility for such a case at this time.

Application pending.

Benjamin:bb

5-13-52 Following discussion with Intake Supervisor on 5-13, telephoned Mr. Carro and indicated that due to our intake situation and waiting list we could not give this situation the proper attention it appeared to require. Mr. Carro was appreciative of this, said that he was planning to call Salvation Army, was anxious to get the matter attended to, as he is going on vacation at the end of this week.

Mr. O accepted report of our previous contact in answer to form inquiry which we had received. Agreed that we would not need to send written report. Benjamin:cp

UI Claims of Lee H. Oswald, S. S. No. 433-54-3937

Set out below is the history from our claim records pertaining to this individual.

On April 12, 1963, Oswald filed a claim in our Dallas Office listing Jagger-Chiles-Stoval, 522 Browder, Dallas, Texas, as his last employer. He showed that he was separated on April 5, 1963, because "I was laid off by John Graves, head of the photography and art department, due to lack of work." He showed his occupation to be photographer and his age to be 23. He listed his address as 214 W. Woely, Dallas 8, Texas.

On April 16, he was mailed a Determination disapproving his initial claim because of insufficient wage credits. The only wage credits which were shown were from Lowv-R-Pack Div., which is Leslie Welding, Inc., 200 East North Vasek Street, Fort Worth, Texas. On April 29, 1963, he filed a disagreement from New Orleans, Louisiana, showing that he should also have wage credits from Jagger-Chiles-Stoval. These wages were found (they had been reported by the company under an incorrect social security number), and a new determination approving his claim was issued on May 8, 1963. This determination approved his claim for maximum benefits of \$369 payable at the rate of \$33 per week. Thereafter he filed claims as indicated below:

## FEDERAL BUREAU OF INVESTIGATION

1

Date Dec. 12, 1963

Mayor EARLE CABELL was interviewed at his office in the Municipal Building, Dallas, at which time the identities of the interviewing agents were made known to Mayor CABELL. Mayor CABELL was advised that he no doubt was aware of the investigation being conducted by the Federal Bureau of Investigation in connection with the shooting of LEE HARVEY OSWALD. Mayor CABELL advised that he was aware of this investigation. He was aware that he did not have to make any statement and volunteered that he was most anxious to furnish any information in his possession that would be of assistance in this investigation. He understood that any information he furnished could possibly be used against him in court and was aware of his rights to an attorney. He then furnished the following information in response to inquiry:

Mayor CABELL advised that from the time of the assassination to the time of this interview there was only one occasion when he took any form of administrative action that might in any way be conceivably related to either the OSWALD or the RUBY case. He explained that this occurred either on Saturday or Sunday morning, November 23 or 24, 1963, after the assassination, at which time he received an inquiry from a Mr. LANCASTER SMITH, a local attorney representing a Catholic men's group in Dallas, relative to the advisability of proceeding with a torchlight procession which that group planned for Sunday, November 24, 1963. According to Mayor CABELL, this procession was to go by the site of the assassination and also was to pass in front of the County Jail.

Mayor CABELL very definitely recalls on this occasion that he called Chief JESSE E. CURRY concerning this inquiry from Mr. SMITH, and he also was concerned about this procession but, in effect, had no valid reason to refuse the permit. Mayor CABELL explained that since the procession was to be in the area where OSWALD was incarcerated, that a condition conducive to rowdiness might develop, and he felt that it would be inadvisable to approve of this planned procession. He stated for this reason he

told Chief CURRY that it should not be approved, and that he would take the full responsibility as the party who was responsible for the cancellation of the permit for the aforementioned procession.

Mayor CABELL, of course, also categorically stated he at no time had given any orders to Chief CURRY to remove OSWALD from the City Jail and transport him to the County Jail.

At this point, he emphasized that his office is a policy office and not an administrative office, that the City Manager appoints the Chief of Police and that he, CABELL, has no direct contact with department heads. He pointed out that the only reason he contacted Chief CURRY directly in connection with the above parade permit was because City Manager ELGIN CRULL was out of town or not available.

According to Mayor CABELL, he was not in the City Hall from the time of President KENNEDY's assassination until the council meeting, which took place on the morning of Tuesday, November 26, 1963. He related that he was working during that period of time from his home.

As concerns any possible information that he may have given the press, he categorically stated he does not recall that he had at any time given any information to newsmen or persons representing a news media relative to OSWALD's removal from the City Jail to the County Jail. In fact, he believes the only information he gave to the press was that which he gave on Sunday morning, November 24, 1963, relative to his planned travel to Washington, D. C.

On the subject matter of the press, Mayor CABELL volunteered that he had learned from the City Manager that the press had put a great deal of pressure on Chief CURRY relative to the removal of OSWALD from the City Jail to the County Jail. Some of this pressure concerned statements from the press to Chief CURRY that the press would have to stay up all night in order to be assured that they would not miss the removal of OSWALD as stated. Mayor CABELL states that according to information he received from the City Manager,

CABELL EXHIBIT No. 1—Continued

DL 44-1639

Chief CURRY was alleged to have retorted that if they (the press) were back by 10 (am) that "they would be safe." Mayor CABELL stated specifically he received this information from City Manager CRULL after the shooting of OSWALD.

Mayor CABELL also volunteered that he had heard through the City Manager that Chief CURRY wanted to do everything possible to avoid even the impression as well as possible allegations that OSWALD's civil rights were being violated by denial of such things as the freedom of the press and the like. He mentioned in this regard that even the president of the Dallas County Bar was allowed to visit OSWALD in the jail.

As concerns any other conversation that may have transpired between Mayor CABELL and Chief CURRY, it was elicited from Mayor CABELL that Mayor CABELL spoke to Chief CURRY Sunday morning, November 24, 1963, by telephone in connection with the Mayor's planned flight to Washington, D. C. Mayor CABELL remarked that Chief CURRY had called him at his home by telephone and had advised him that a call had been received by direct dialing from a person who said there was going to be an attempt made against CABELL's life. During that telephonic conversation, Chief CURRY told Mayor CABELL he had given the aforementioned information to ROBERT C. LISH of the local Federal Bureau of Investigation Office, and LISH called the Mayor at home, at which time the Mayor said that he had received the information from Chief CURRY. Chief CURRY recommended that the Mayor take a later flight. Subsequent to this call, he received a telephone call from a friend of his, whom he did not name, that OSWALD had been shot and to turn his television set on, which he did. He then received a call from Chief CURRY advising that OSWALD had been shot. Mayor CABELL relates that he then told Chief CURRY that he was watching television regarding that incident at that moment.

Mayor CABELL also advised that he had heard no information at any time prior to the shooting of OSWALD that there was any threat made against OSWALD's life or

CABELL EXHIBIT No. 1—Continued

DL 44-1639

OSWALD's safety from any sources. Mayor CABELL stated that, of course, he had read such a statement in the papers to the effect that Chief CURRY had received word regarding a threat to OSWALD's safety prior to OSWALD's shooting.

At the conclusion of this interview with Mayor CABELL, he voluntarily stated he had always had a high regard for the Director and for Agents of the Federal Bureau of Investigation and has always enjoyed a good working relationship with them and desired that the facts in this case be established. Mayor CABELL concluded by stating that there are people who are crying for "blood" in this matter; however, he is not taking any unwarranted action against Chief CURRY to satisfy the "wolves."

Dear Sir:

I wish to call your attention to a case about which you may have personal knowledge since you are a resident of Fort Worth as I am.

In November, 1959 an event was well publicized in the Fort Worth newspapers concerning a person who had gone to the Soviet Union to reside for a short time, (much in the same way E. Hemingway resided in Paris.)

This person in answers to questions put to him by reporters in Moscow criticized certain facets of American life. The story was blown up into another "sensation" with the result that the Navy Department gave this person a belated dishonorable discharge, although he had received an honorable discharge after three years service on Sept. 11, 1959 at El Toro, Marine Corps Base in California.

These are the basic facts of my case.

I have and always had the full sanction of the U.S. Embassy, Moscow U.S.S.R. and hence the U.S. government. In as much as I am returning to the U.S.A. in this year with the aid of the U.S. Embassy, bring with me my family (since I married in the U.S.A.) I shall employ all means to right this gross mistake or injustice to a born-free U.S. citizen and ex-service man. The U.S. government has no charges or complaints against me. I ask you to look into this case and take the necessary steps to repair the damage done to me and my family. For information I would direct you to consult the American Embassy, Chikovski St. 19/21, Moscow, U.S.S.R.

Thank you

*Brief in Support of Application.*

A review of my file, will show that a recommendation to separate me from the Marine Corps Reserve was concurred in by a board of officers at Kaneohe, Hawaii, to become effective from September 13 1960, or 1 year & 2 days from the time I was honourably discharged from active duty at, Kaneohe, Hawaii, on September 1959.

Referral of my case to this board was premised on the purported fact that I had renounced my American citizenship with intent to become a permanent citizen of the Union of Soviet Socialist Republics.

Since this was the sole reason I was separated from the Marine Corps Reserve and summarily given a Undesirable Discharge I do hereby request:

That the Board does convene to review this case.

This is a case which comes under the heading: NAVEXOS 15(C)(V), i.e., a discharge improperly issued.

In this case there is no question as to service, which on the naval records show, was of a strictly honourable nature.

This case is a question of loyalty revolving out of my residence in the Soviet Union.

In requesting a review of this case, I can show: I had not violated any laws or regulations pertaining to my prolonged residence abroad and that I am a loyal U. S. citizen.

100-6562 NO ORIGINAL

Statement of Plaintiff

(I request that this statement be made part of the record.)

pp. 1

I have been informed that a board of inquiry was convened at Naval Air Station, Glenview, Illinois, to determine my fitness to remain a member of the U.S. M.C. R.

I was separated from the U.S. M.C. R. with a undecidable discharge superseding my original honourable discharge of 11 September 1957 given at NAS Marine Corps Air Station, El Toro, Santa Ana, California.

This board was given to consider whether I had gone to the Union of Soviet Socialist Republics with the object of becoming a permanent citizen of that country.

Since I was not in the United States at the time of the convening of the board and since I was completely unable to communicate with anyone in the outside world through the Iron Curtain, this board found against me.

My relatives, who were notified of the convening of this board, could not conceivably present evidence on my behalf against such vaguely defined charges, without any knowledge of my whereabouts.

It was only on July 8, 1961 that I was able to put in a appearance at the American Embassy, Moscow after escaping from the detention.

151-1122/63 NO ORIGINAL

~~from the detention~~

of the city to which the Russian authorities had sent me. Subsequent events, through the active support of the U.S. Embassy, will see myself and my Russian wife in the U.S. very shortly.

As far as the case in question is concerned I can understand how, without any inquiry directed towards me, a conclusion of disloyalty might possibly be arrived at.

However, whether my choice of permanent or temporary residence may be in the U.S.S.R., or in the United States, grounds for such arbitrary action as was instigated against me cannot be judged as being fair or impartial.

I must point out that I have not violated any laws under the U.S. Code Section 1544 title 18.

I may say that even the most prolonged residence abroad is an accepted custom, and absolutely legal (so long as other pertinent regulations have not been violated).

In introducing the letter from the U.S. Embassy, Moscow, I have it in mind the last paragraph Nov. 13, 1961, which states: "Meanwhile your retention of your present Soviet passport or an attention thereof does not prejudice in any way your claim to American citizenship." signed Joseph C. Norbury, American Consul.

15-11/23/63 NOT ORIGINAL

whereas in the letter from the Embassy of January 31, 1962, you see I am at present in the Soviet Union only because of the technical difficulties in getting my family out of the Soviet Union.

The tone of the letter, while not an affidavit, hardly reflects the opinion of the American Embassy that I am undeserving, through some sort of breach of loyalty, of their attention.

THIS PARAGRAPH  
IS  
DISCONTINUED  
AND  
REMOVED  
JAN. 14, 1962

In presenting a notarized affirmation of valid U. S. citizenship I have had to present my valid U. S. passport and valid Soviet residential document to the notaries.

In presenting my case I have avoided notarized affirmations, which would, under the circumstances, have to be in Russian. However I request in view of my particular case and my location that par. 12(B) NAVEXOS RPO be in force thru out the proceeding.

affirmation of contents of affidavit can be had by contacting that naval bureau, office or officer who can give such affirmation of contents (12(A) NAVEXOS R-702)

Since there is no other possible way to present my case, in consideration of the nature of the charge which was brought against me, I would like to include a request for the recommendation for reenlistment regardless of the findings of the Board. in accordance with

Dear Sir,

I wish to call your attention to a case about which you may have personal knowledge since you are a resident of Fort Worth as I am.

In November 1959 an event was well publicized in the Fort Worth newspapers concerning a person who had gone to the Soviet Union to reside for a short time, (much in the same way E. Hemingway resided in Paris.)

This person in answers to questions put to him by reporters in Moscow criticized certain facets of American life. The story was blown up into another "turncoat" sensation, with the result that the Navy Department gave this person a belated dishonorable discharge, although he had received an honorable discharge after three years service on Sept. 11, 1957 at El Toro, Marine Corps Base in California.

These are the basic facts of my case.

I have and always had the full sanction of the U.S. Embassy, Moscow U.S.S.R. and hence the U.S. government. In as much as I am returning to the U.S.A. in this year with the aid of the U.S. Embassy, bring with me my family (since I married in the U.S.S.R.) I shall employ all means to right this gross mistake or injustice to a bona-fide U.S. citizen and ex-serviceman. The U.S. government has no charges or complaints against me. I ask you to look into this case and take the necessary steps to repair the damage done to me and my family. For information I would direct you to consult the American Embassy, Chikovski St. 19/21, Moscow, U.S.S.R.

Thank you

— Lee H. Oswald 2 965

Department of State Washington, D. C.  
the verification of this fact.

Also, I was aware of the finding  
of the Board of Officers of August 1962.  
I was notified by my mother, in  
December, 1962.

My request to the Secretary of  
the Navy, his reference to you in  
your letter to me, did not say  
anything about a re-examination, which  
is what I was trying to arrange.

You mention "reliable information"  
as the basis for the undesirable  
discharge. I have no doubt it was  
newspaper speculation which obscured  
your "reliable information."

Under U.S. law governing the  
use of passports and conduct abroad  
I have a perfect right to reside in  
my country, I wish too.

I have not violated Section 1544,  
Title 18, U.S. Code, therefore you

## FEDERAL BUREAU OF INVESTIGATION

Date 11/27/63

KAREN BENNETT-KARLIN, also known as "Little Lynn", 3809 Meadowbrook, Fort Worth, Texas, was interviewed at the Carousel Club, 1312½ Commerce Street, where she is employed as an exotic dancer.

Mrs. KARLIN advised that three months ago she began dancing as an amateur; that she began this employment as she is pregnant and her common law husband, BRUCE KARLIN, is unemployed.

She stated that she last saw JACK RUBY at the Carousel Club on Thursday night, November 21, 1963. She did not talk to him at all the following day as the club was closed, however, she thought that the club would be open Saturday night so she went to work only to find the club closed. She called RUBY as she did not have enough money for transportation back to her home in Fort Worth. She asked RUBY for enough money for transportation, and RUBY called the man at the garage next door to his club and told him to give her \$5.00 which he did. She called RUBY again on Sunday, November 24, 1963, at 10 or 10:30 a.m. as she needed money to pay her rent. He told her that he would send her \$25.00 for her rent by Western Union. At about one or two p.m. on Sunday, November 24, 1963, Mrs. KARLIN called Western Union in Fort Worth and was told that the money order was waiting in the Western Union Office. Mrs. KARLIN accompanied by her husband, BRUCE, then went to Western Union in Fort Worth and obtained the \$25.00 which had been forwarded to KAREN BENNETT, in care of Western Union, Fort Worth, Texas. KAREN used her Texas driver's license as identification.

At the time she talked with RUBY, Sunday morning, she asked him if the club was going to be open Sunday night. He became upset regarding this then talked harshly to her indicating that he did not feel she was showing the proper respect toward the deceased President. She stated that during her telephone conversation he sounded vague and preoccupied. Mrs. KARLIN advised that she knows nothing of JACK RUBY's social or private life; that he was thoughtful and respectful to her.

for J. Harwood

She was shown a photograph of LEE HARVEY OSWALD, and she advised that he was not known to her; that he has never been in the Carousel Club to her knowledge. She advised that RUBY knows many policemen but that she knows no particular policeman or newsmen with whom he is friendly.

Mrs. KARLIN pointed out that it is very difficult to identify anyone in the club from the stage due to the lighting arrangements.

She stated that she knew a "LARRY" and that he worked at the Carousel Club for RUBY for a short time as a light operator. She described LARRY as white male, approximately 23 years old, sandy hair, 5'8" to 5'10", slender build with four upper front teeth missing. She said that LARRY attempted to impress her by showing her a badge and telling her that he was a policeman.

CHILD'S VERSION AND ATTITUDE: (CONT.)

Lee indicated that he would like to go into the service when he is 18. He told the P.O. that he has two brothers in the service, but he does not miss them. The boy states that he liked school in Texas but as he got older he found that he had other things he wanted to do. The boy would not enumerate other things he had to do except that he had a lot of things. Questioned as to his aim in life in what he wanted to do, the boy replied, "I want to let me xxx go home and be by myself. PO inquired of Lee as to whether he would return home, whether he would attend school. The boy replied, "I have a choice between going to school here between going to school or in an institution. 'Does it matter? O.K. I go to school here. Lee stated that while he liked Youth House he miss the freedom of doing what he wanted. He indicated that he did not miss his mother.

The PO discussed living in N.Y. with Lee. Lee indicated that he found N.Y. all right to live in. He indicated that it was immaterial to him as to where he live.

P.O. noticed that this boy seems to have no drive, no ambition, he seems to be content with merely just living. In our discussion with the boy, nothing seem to register with him.

PARENTAL VERSION AND ATTITUDE: Mrs. Oswald was interviewed by the PO on this date. Mrs. Oswald impressed the PO xxx as an intelligent, well-meaning middle-aged woman, good education and background.

It is Mrs. Oswald' belief that the boy's difficulty stems from the fact that he had not been able to meet the changes in his environment. She describes him as always being a "loner". He would generally play alone and if boys joined him he would play with them. At school he was captain of the baseball team. In Texas, she states, the family had a home with a yard, a dog, and the boy would get along fine. Here in N.Y. family occupy an apartment and there is nothing for the boy to do. Mrs. Oswald described the boy as introvert, the boy who has difficulty in making friendships as he made no effort to initiate any. Generally Lee waited for the children to make overtures to him. Regarding the boy's school attendance, the mother stated that he was always an average student in school. He likes school and seem to attend regularly. The mother feels that the boy moving to a different community and being placed in the midst of different nationalities and crowded apartment conditions, has had an /effect on the boy, that he has retreated into a shell. Mrs. Oswald indicated she recognizes the boy's problem but there's little she can do. She mentioned to the PO that the family formerly had their own car, their own home and that the boy had two brothers at home to play with. Mother indicated that she has a home in Texas, which she plans to sell. At present she is in no financial condition to return to Texas. The boy hasno other family there to whom he can go.

Mrs. Oswald believes the present attitude of indifference andlack of concern is one of defiant. She attributes his behavior to that of xxx adolescent behavior or growing up pains. The mother point out that when the boy first came here, she lived on Grand Concourse and the boy had difficulty in getting along with other children because of his manner and custom, that his mode of dress was different and he had a different accent. The boy at the time dressed a great deal in "jeans" levies where as the other boys in the neighborhood seems to be more or less better dressed. This seem to have had some sort of affect upon the boy.

Mrs. Oswald indicated that while she realized that the boy had little family life at home, that she is unable to give him adequate supervision, she would not want the boy place. She would prefer to have the child remain home. However, should the situation arise where she believe that placement seems absolutely necessary, she indicated that she would cooperate with any plan that the court may have.

SOCIAL AGENCY RECORD: Oswald Marguerite(Claverie)&James-John Youth House 4/21/53 Margarite&Lee(int. son Lee) Community Service Society, Family Div. #219055 1/16/53

EVALUATION AND RECOMMENDATION: Lee Oswald, 13 year old boy of the Lutheran faith, is before the court for the first time. The boy had admitted the allegations of the petition. According to the boy, he is not attending school as he feels that he has many more important things to do. Aside from this, he has indicated that he does not like his teachers, his classmates nor the school. The boy has expressed a desire to be left alone.

The boy, the P.O.'s observed, is a friendly, likeable boy, who portrays very little emotions. Reaction to the present situation was/one of indifference. The mother, while she seems a well meaning intelligent woman is unable to give Lee adequate supervision, due to her long working hours. Much of Lee's difficulty seems to stem from his inability to adapt himself to the change of environment and the change of the economical status of the family. The record reveals the family was of means, having had their own home in Corning Texas, seemingly a full family life thus Lee had had has two brothers living with them Coming to N.Y.C., and moving into a crowded area, without his brothers, amongst varied groups, who dressed and spoke different from the boy Lee has been unable to find acceptance and has retreated into a shell wherein he prefers to confines of his apartment to that of dealing with other children.

The P.O. feels that this is a dangerous situation for the boy to isolate himself from other social contacts with children his age. The matter has been discussed with his mother. The possibility of returning to Texas or Louisiana was discussed with the mother, but she is unable to do so do to her present financial condition. While Mrs. Oswald is opposed to placement, she feels that she would go along with it, absolutely  
if it seems/necessary.

The P.O. feels that we are dealing with a boy who feels a great deal of insecurity and the need for acceptance. As it does not seem that this can be done with the boy remaining at home but it was felt that perhaps placement in an institution where these needs can be met would be beneficial at this time. However, recommendation is being held in abeyance pending the receipt of the psychiatric examination.

SUMMARY FOR P.O.'S REPORT PSYCHIATRIC DONE ON 5/1/53. "This 13 year old well built boy has superior mental resources and functions only slightly below his capacity level in spite of chronic truancy from school which brought him into Youth House. No finding of neurological impairment or psychotic mental changes could be made. Lee had to be diagnosed as " personality pattern disturbance with schizoid features and passive aggressive tendencies." Lee has to be seen as an emotionally, quite disturbed youngster who suffers the impact of really existing emotional isolation and deprivation, lack of affection absence of family life and rejection by a self involved and conflicted mother. Although Lee denies that he is in need of any other form of help other " remedial" one, we gained the definite impression that Lee can be reached through contact with an understanding and very patient psychotherapist and if he could be drawn at the same time into group psychotherapy. We arrive therefore at the recommendation that he should be placed on probation under the condition that he seek help and guidance through contact with a child guidance clinic, where he should be treated preferably by a male psychiatrist who could substitute, to a certain degree at least, for the lack of a father figure. At the same time, his mother should be urged to seek psychotherapeutic guidance through contact with a family agency. If this plan does not work out

favorably and Lee cannot cooperate in this treatment plan on an out-patient basis, removal from the home and placement could be resorted to at a later date, but it is our definite impression that treatment on probation should be tried out before the stricter and therefore possibly more harmful placement approach is applied to the case of this boy. The Big Brother Movement could be undoubtedly of tremendous value in this case and Lee should be urged to join the organized group activities of his community, such as provided by the PAL or YMCA of his neighborhood."

plained to Mr. Nielson and Mrs. Oswald, the function of the court. Mr. Nielson indicated that Mrs. Oswald desired to have Lee discharged from supervision of the court, as she felt that the boy was presently no problem at this time and that she was capable of coping the child.

Judge Sicher talked to the mother and counsellor at some length and advised them that Lee was a child who was in need of treatment, as the reports of the examination made on the boy seem to bear out; and hence, would not consider discharging the boy at that time. The mother was opposed to referral of the boy to any other agency.

 Ex. No. 5353

Date 11/29/63

Mrs. BERTHA CHEEK, Manager of the apartments at 3914 Swiss, Dallas, advised as follows:

1. that she had operated Check's Boarding House at 5212 Gaston, Dallas, from about 1943 to 1961, when it was razed for the construction of luxury-type apartments;
2. that she recalled having rented to two Cuban males in 1959 or 1960 but could provide no other information concerning them;
3. that EARLINE ROBERTS, her sister, had rented the room to LEE HARVEY OSWALD at 1026 Beckley, Dallas, Texas, Mrs. ROBERTS being employed as a housekeeper by Mrs. A. C. JOHNSON at this Beckley address;
4. that Mrs. CHEEK has been acquainted with JACK RUBY since about 1943 to the present, she formerly having operated night clubs in Dallas, this being the basis for their acquaintanceship:
  - a. In 1948, JACK RUBY, according to Mrs. CHEEK, attempted to secure her investment of \$12,000 in a night club venture.
  - b. About eight days ago, on or about November 18, 1963, according to Mrs. CHEEK, RUBY had invited her to the Carousel where she spent several hours, during which time he attempted to secure her investment of several thousand dollars in the Carousel.

(Mrs. CHEEK stated that she had parked her car in the parking garage next door to the Carousel during this period.)

5. Mrs. CHEEK could not identify a photograph of LEE HARVEY OSWALD as anyone known to her, although when first having seen him on television, she felt she might have rented to him in the past.

Date December 9, 1963

BERTHA CHEEK, 3914 Swiss, Dallas, Texas, was interviewed concerning her contact which she had reported previously with JACK RUBY on or about November 18, 1963, at RUBY's club, the Carousel.

Mrs. CHEEK outlined the following basis for her having been in contact with JACK RUBY:

Mrs. CHEEK stated that she has been in the real estate business in Dallas, Texas, for a number of years; that she frequently has bought and sold interests in night clubs; that during the past several months she has been attempting to locate a good night club investment; and that in this connection she had visited practically every night club in Dallas which she considered might be purchased outright or in which an interest might be obtained.

Clubs which she had visited, she said, included among others the Pago, the Starlighter, the Stork Club, and the University Club. At the Stork Club, she had talked with BILL MARTIN, owner, who she found wanted \$25,000 just for an interest. She said she could establish her own club for that amount and had not dealt further. MARTIN, however, who she said was acquainted with RUBY, mentioned the Vegas Club and the Carousel as possibilities. Several days later, RUBY called her and invited her to the Carousel to discuss her investment in a club. Mrs. CHEEK said that she did not know that MARTIN had suggested this to RUBY. The information concerning her interest in such investment could have reached RUBY through any number of sources, she said.

At RUBY's invitation, Mrs. CHEEK said she did discuss such investment with RUBY at the Carousel. RUBY proposed her investment of \$6,000.00 in a club, the identity

or location of which he would not disclose, apparently Mrs. CHEEK said to "preclude her going around him on the deal." Mrs. CHEEK said that she would not consider the investment of \$6,000.00 without full disclosure and had suggested to RUBY that he get an option on the business so that he might discuss the proposal openly. This concluded the discussion of such investment by Mrs. CHEEK with JACK RUBY.

Throughout these discussions at the Carousel, Mrs. CHEEK stated that RUBY was assisted by one FRANK, whose last name Mrs. CHEEK did not recall. She described FRANK as a man of Jewish extraction about 60 years of age with gray hair. FRANK was present, she said, apparently to provide RUBY with a good recommendation as a night club operator as this was the extent of his participation in the discussion.

Mrs. CHEEK was unable to provide any additional information of pertinence concerning JACK RUBY.

"Mr. J. E. Curry  
Chief of Police

"Sir:

"I would like to submit the following report regarding the incident occurring in the basement on November 24, 1963.

"On the morning of November 24, 1963 while on duty in the Auto Theft Bureau, Lieutenant Smart advised me not to leave the City Hall as I was to be available when the prisoner was escorted from the City Jail. About 10:00 a.m. Lieutenant Smart advised me and the other officers in the bureau to report to the jail office. Upon arrival I took a position near the southwest corner near the driveway. A couple of minutes before the prisoner was brought down, I had looked over the crowd, and, at this time, I did not see Jack Ruby in the crowd. I have known Jack Ruby for eight to ten years, and if I had seen him I would have recognized him.

"As word was heard that the subject was being brought down, I was watching the driveway to the basement and to the driveway to Commerce Street where the armored truck was. I saw a fast blur of movement out of the corner of my left eye, and, before I could turn, I heard a shot. As I turned I partly lost my footing and was bumped by people from both sides at the same time. Before I could get balanced, the subject, Jack Ruby, was under a pile of officers.

"I helped others try to keep the press back until both the prisoner and Jack Ruby were taken inside the jail

"office. I then went to the jail office, and at that time Detective J.C. Watson was at the door keeping other people from entering. Detective McMillon, Detective Archer, Detective Blackie Harrison, and Lieutenant Smart, and another officer were holding Jack Ruby on the floor. I took Detective McMillon's gun and placed his gun and my gun in the locker. Then Detective McMillon, Detective Archer, Detective Blackie Harrison, and myself took Jack Ruby directly to the fifth floor where we searched him. Then I took the handcuffs off and gave them to Detective McMillon as they were his cuffs. We then stripped Jack Ruby to his skin and searched his clothing completely.

"Lieutenant Baker of homicide had been contacted and requested that we stay with the prisoner until the arrival of officers from the Homicide Bureau. Detective Harrison had left after helping take the prisoner up. Detective McMillon, Detective Archer, and myself were with the prisoner. Detective B. S. CLARDY, Auto Theft Bureau, Police Department, Dallas, Texas, furnished the following information:

On the morning of November 24, 1963, CLARDY was on duty in the Auto Theft Bureau. Lieutenant SMART, of the Auto Theft Bureau, advised him not to leave City Hall, as he was to be available when the prisoner, LEE HARVEY OSWALD, was escorted from the City Jail.

At about 10:00 AM, Lieutenant SMART advised CLARDY and other detectives in the Auto Theft Bureau to report to the City Jail Office. It is CLARDY's recollection that, upon arrival at the jail office, Lieutenant SMART directed him to take up a position near the southwest corner of the hall leading into the driveway. About two minutes before the prisoner was brought down from the jail, CLARDY looked around over the crowd of press men and photographers and, at this time, he did not see JACK RUBY or anyone resembling JACK RUBY. CLARDY has known JACK RUBY for the past eight or ten years and believes he would have recognized him had he been among the crowd.

As word was relayed that subject OSWALD was being brought down the elevator to the City Jail Office, CLARDY was watching the driveway to the basement and the driveway to Commerce Street, where the armored car was located. As he was looking in this direction, he saw a fast blur out of the corner of his eye and before he could turn around he heard a shot. As he attempted to turn around, he partly lost his footing and was thereafter immediately bumped from both sides by people pressing forward to see what had happened. When he regained his balance, JACK RUBY was pinned under a pile of officers, who had been immediately adjacent to him at the time the shot was fired. CLARDY helped to keep the press back until the prisoner, OSWALD, and JACK RUBY were taken into the jail office. Thereafter, he went into the jail office and at that time Detective J. C. WATSON was at the door keeping other people from entering. Detectives McMILLION, ARCHER, BLACKIE HARRISON, Lieutenant SMART, and other officers were holding JACK RUBY on the floor. CLARDY took McMILLION's gun and placed McMILLION's gun and CLARDY's in a locker. Then McMILLION, HARRISON, and CLARDY took RUBY directly to the 5th floor, where they searched his clothing, removed the handcuffs from him, and stripped searched RUBY and his clothing. CLARDY stayed with JACK RUBY until the arrival of officers

from the Homicide Bureau.

CLARDY recalled that after they had taken RUBY to the 5th floor he asked RUBY why he had shot OSWALD and RUBY said, in effect, "Somebody had to do it. You all couldn't do it."

CLARDY advised that, although he has known JACK RUBY for the past eight or ten years, he has had only occasional contact with him; however, he has observed him on numerous occasions in the City Hall, either in the basement or the first floor. On these occasions, he would be talking to various police officers and other individuals.

CLARDY advised he could furnish no additional information.

Date December 3, 1963

BARNARD S. CLARDY, Detective, Auto Theft Bureau, Criminal Investigation Division, Dallas, Texas, Police Department, was interviewed at his residence at 936 Ferncliff Trail, Dallas, home telephone FR 4-5358. He was advised at the outset that he did not have to furnish any statement, that any statement he did furnish could be used against him in a court of law, and of his right to an attorney. He furnished the following information:

Since being interviewed on November 25, 1963, by FBI Agents at Dallas, he recalled certain additional facts concerning the murder of LEE HARVEY OSWALD. On the morning of November 24, 1963, he reported for his regular shift with the Auto Theft Detail at 7:00 a.m. After reporting for duty he handled some routine matters at the Auto Theft Bureau and at about 10:00 a.m., Lieutenant SMART, who is his commanding officer, told him to stand by at the office with Detectives McMILLON, ARGHER, HAROLD DAWSON, J. C. WATSON and GREESON. A short time later, Lieutenant SMART directed that he and the other officers to report to the jail office. They then took the elevator to the basement of the central police station and he recalled someone referring to him by his name as they left the elevator. He could not recall who this individual was but it was apparently part of the security force and they were allowed to enter the lobby in the basement apparently after being recognized as police officers. He recalled about that time some newsmen entered the lobby from another elevator and they were required to show identification to the men on duty there.

Lieutenant SMART then directed them to take up positions on each side of the hallway leading to the garage ramps. He took a position on the Commerce Street side of the hall directly adjacent to the Commerce Street ramp, which meant he was almost on the corner of the ramp of the hallway. He recalled looking out over the crowd of newsmen to see if he recognized any of them and did not recall seeing JACK RUBY in the crowd. Lieutenant SMART was located near the armored car which was in the Commerce Street ramp at that time. In his estimation there were approximately 50 newsmen in the garage and basement area at that time and he did not recognize any of them.

He was not familiar with what the security arrangements

were as far as transporting the prisoner, OSWALD, to the county building and his knowledge of the security arrangements in the basement of the central police headquarters was strictly limited to what directions Lieutenant SMART had given him and the other officers with him.

As concerns the actual shooting of OSWALD, he could think of nothing additional to that previously furnished the FBI and in particular, he could recall hearing no comments or shouts of an unusual nature directly prior to the shooting. He heard OSWALD make no comments after the shooting. He personally did not see the actual shooting but observed RUBY being taken into custody. He then assisted Detective McMILLON and assisted in taking RUBY to the fifth floor of police headquarters. After the handcuffs were taken off of RUBY and he was strip searched he asked him how he got into the building. RUBY replied that "RIO" PIERCE was driving out the driveway and stopped to talk to someone at which time he started down the ramp behind PIERCE's car. RUBY said that about half way down the ramp someone said, "Hey you," and he "pulled my hat down a little lower and kept coming." He also recalled RUBY saying at the time he was subdued in the basement of the police department that "I'm JACK RUBY," and he apparently did this so that the officers would know who he was. He also recalled RUBY saying at the time of his being searched on the fifth floor that, "If I had planned to kill OSWALD, my timing could not have been more perfect." He also heard RUBY mention at this same time that he had intended to get off three shots apparently in reference to the fact that he only shot OSWALD once.

He personally did not require anyone he did not know to identify themselves during his assignment in the basement. He did not know of any unauthorized person who was permitted to enter the basement or anyone who may have entered without having to show identification. He had not seen JACK RUBY for about 6 months previous to November 24, 1963.

On Saturday, November 23, 1963, he spent the entire day in the Auto Theft Detail office and had no occasion to see any of the activities in the police department. On Friday, November 22, 1963, he was off duty. To his knowledge, he knows of no police officer who actually saw JACK RUBY during the weekend of November 24, 1963, prior to the shooting of OSWALD.

CLARDY EXHIBIT No. 5063—Continued

He personally has never worked in any capacity for RUBY and does not know of anyone presently connected with the Police Department or formerly employed by the police department who has worked for RUBY. He has known JACK RUBY for the last 8-10 years, having become familiar with him in the line of duty. His knowledge of him, however, was very slight and he was not even aware that RUBY owned the Carousel Club. The occasions that he would talk to RUBY and probably the occasion of his first meeting with him was when he was looking for individuals during the course of his investigations over the years. He also recalled that when he has been working the night shifts he would drink coffee or eat at the B & B Restaurant near the police station and he recalled seeing RUBY there on a number of occasions over the years. This was one of the only all night restaurants in downtown Dallas and it would be natural for a night club operator to go there after closing his establishment. He also recalled on the last occasion he saw RUBY he approached him on the street and mentioned that one of the officer on the department had issued him a traffic ticket. He knows nothing concerning RUBY's background, personal life, or political convictions.

He had never heard of LEE HARVEY OSWALD prior to the President's assassination and has heard of no connection between JACK RUBY and OSWALD.

"At approximately 10:50 A.M., I was in the basement of City Hall near the jail office. I was engaged in conversation with Detective B. L. Beaty and Officer J. D. Hutchinson. We were approached by Captain O. A. Jones. Captain Jones told us to remain in the basement near the jail office. He further stated that all the other available officers in City Hall would be down into the basement soon.

"I overheard Sergeant J. A. Putnam reiterate his orders to the officer and the reserve officer working the passageway leading out of the basement into the parking basement. He stated very emphatically to the officer that no one but police and press members with press passes were to be admitted to the parking basement.

"A short time later several officers and detectives came down from upstairs. Captain Jones took all officers out into the passageway just outside the jail office. He told all of us that we were to form a line on each side of the passageway in order to make a lane for the prisoner Oswald to be escorted. He told some officers to get all the newsmen out of the jail office booking room. He then cleared the passageway immediately outside the jail office. At this time Sergeant J. A. Putnam asked all the newsmen to move to the far side of the driveway, this being the side across from the jail office. Captain Jones then told officers to keep the lines that we had and for officers to fall in behind and to keep newsmen from rushing in.

BILLY H. COMBEST, Detective, Vice Section, Special Services Bureau, Dallas Police Department, was advised at the outset of the interview that he did not have to make a statement, that any statement he did make could be used against him in a court of law and that he had the right to consult an attorney prior to making any statement. He furnished the following information:

He advised he resides at 2803 Linhaven Drive, Mesquite, Texas, home telephone BR 9-5304.

On November 24, 1963, he was assigned to his regular day shift and reported to the Central Police Headquarters at 7:00 a.m. He advised he was wearing civilian clothes during his entire tour of duty that date. After handling some of his routine work, he left the Special Services Bureau with Detective B. L. BEATY and Officer J. D. HUTCHINSON who are also members of the Vice Section. He and Detective HUTCHINSON had coffee at the coffee shop of the White Plaza Hotel across the street while Detective BEATY remained in the basement of the Police Department in the vicinity of the Jail Information Desk. After having coffee, he and HUTCHINSON returned to the Police Department, entering the basement through the Harwood Street entrance and there met with Detective BEATY. They waited there for some time to see what was going on, and at about 10:50 a.m. were approached by Captain O.A. JONES of the Forgery Detail. He asked them if they would remain in the basement as they would be needed to help with the transfer of the prisoner, LEE HARVEY OSWALD. He had been aware, through conversation in the Police Department, that OSWALD would be transferred to the County Jail on the morning of November 24, 1963; however, he had received no assignment in this matter from the head of the Special Services Bureau.

Several of the officers joined the group near the Jail Information Desk, and Captain JONES then directed them to the passageway leading from the Jail Office into the parking basement. They were given orders to form a line on either

side of the passageway so that OSWALD could be escorted through that area to whatever vehicle had been arranged for his transportation to the County Jail. They were ordered to keep the members of the press back and specifically instructed not to allow them to fall in behind OSWALD and the escorting officers when they passed.

He recalled that there were some reporters in the public area of the Jail Office Booking Room, and someone made the decision to clear them out and to clear the passage of nonpolice personnel. They were moved to the far side of the driveway to the garage area. He also overheard Captain JONES and Sergeant J. A. PUTNAM ask the members of the press not to ask OSWALD any questions when he was to be brought out. He also recalled orders being passed to search all vehicles at the basement garage and he personally observed Officer DAVID PATE locate a police shotgun in one of the police cars and saw him unload it and carry it back to the Jail Office.

It was approximately 15 minutes from the time he was ordered to stand guard at the passageway until the prisoner, OSWALD, was brought down from the jail. His post was at the inside corner of the corridor leading from the jail to the ramp leading to Commerce Street. A few moments before OSWALD was brought out of the elevator he heard someone say "OSWALD's coming" and everybody there got ready. The first one to appear was Lieutenant SWAIN who walked down the passageway to the ramp. He overheard Captain FRITZ ask if everything was "okay", and Lieutenant SWAIN answered in the affirmative. Captain FRITZ then led the way with Officer LEAVELLE on OSWALD's right and Officer GRAVES on OSWALD's left. This group had just started the turn toward the Commerce Street ramp after leaving the passageway from the Jail Information Desk area, the group, therefore, being directly in front of him, when he suddenly observed JACK RUBY moving forward directly toward OSWALD from the garage side of the passageway with a pistol in what he believed was his left hand. He also noted that the newsmen surged forward at this time, some with microphones thrust forward, from the area of the Main Street ramp. The only person who obstructed his view at that time in any way was Officer LEAVELLE. He was completely taken by surprise by RUBY's

COMBEST EXHIBIT No. 5101—Continued

DL 44-1639  
89-43

presence and action and because it happened so fast, he was unable to make any movement to prevent RUBY from rushing directly up to OSWALD. RUBY apparently fired the pistol as soon as he thrust the weapon into OSWALD's stomach. Upon recognizing RUBY and seeing what he was about to do, he said to him "JACK RUBY, you son-of-a-bitch, don't." As best as he could recall, RUBY had what could be described as a determined look or grimace on his face, and he could recall RUBY making no statement in conjunction with his action. The next thing he knew, Officer LEAVELLE who was handcuffed to OSWALD, was bending over OSWALD who was lying on the floor. He asked LEAVELLE what he could do, and LEAVELLE said "We should get him out of here the best we can." They then took him to the Jail Office Booking Room, and he removed the handcuffs connecting OSWALD and LEAVELLE and also the handcuffs which joined OSWALD's hands. OSWALD groaned and was apparently conscious, and he asked him if he had anything to say. OSWALD looked at him in such a fashion that he apparently understood his question but merely shook his head slightly as if to say "no." He then lifted up OSWALD's shirt and noted a bullet hole on his side and his first impression was that the bullet had passed directly through his stomach and that he was not badly hurt. He then, however, felt the bullet just beneath the surface of the skin on the other side of OSWALD's stomach and realized that he was probably in serious condition. He did not see any blood and assumed that the wound at the point of entry had possibly been seared. A few moments later, the ambulance arrived to take OSWALD to the hospital, and he then went back to his regular duties.

As concerns the security precautions in the basement of the Police Headquarters, he recalled that Sergeant PUTNAM had stopped one of the female civilian employees who works behind the Police Information Desk from leaving that area when she had attempted to go out and summon police officers who had received telephone calls. He also recalled that PUTNAM told a male civilian employee who works behind the Jail Booking Desk to stay behind the counter and not to go into the hall or passageway area. He also recalls that everybody that was not recognized as being associated with the police department had to show appropriate identification to the officers in the basement. In particular, he recalled a reporter, JIM STANDARD, from the Daily Oklahoman in Oklahoma City who did not have a press card. He asked STANDARD for identification, and STANDARD

COMBEST EXHIBIT No. 5101—Continued

DL 44-1639

showed him a Blue Cross Hospitalization Group Policy card and a gasoline credit card, both reflecting he was associated with the Daily Oklahoman. He also frisked STANDARD to make sure he was not armed and after asking Captain TALBERT if the identification was sufficient, STANDARD was allowed to remain on the scene. To his knowledge, no unauthorized individuals were allowed in the basement and even the civilian employee who parks the cars in the basement was not allowed to remain in the building. He personally recalled asking several individuals who were members of the press for identification, which they exhibited to his satisfaction, but he could not recall who they were. He estimated that there were about 70 press personnel in the vicinity during the time the above related incidents took place. The only nonpolice personnel who were allowed in the area of the Jail Information Desk were a couple of photographers who took photographs of the elevator coming down from the jail, and they were not allowed to follow the prisoner out through the passageway to the ramp. Only police officers were positioned on the inner wall leading from the area of the Jail Information Desk to the Commerce Street ramp.

He first met JACK RUBY when he was assigned to the Special Services Bureau over four years ago. As part of his duties as a Vice Officer, he checked the Vegas Club and the Carousel Club for possible violations of City ordinances. He described these as being routine vice checks. RUBY naturally made himself aware of the presence of any police officers, especially vice squad officers, who entered his places of business because he apparently took every precaution not to violate any laws which would result in the revocation of his licenses. He did not develop any friendship with RUBY as a result of his work, but merely knew him on the same basis as any vice officer would as a result of checking such establishments. He also visited one of RUBY's clubs on a social basis with his wife on a few occasions but only recalled one occasion when RUBY was present and recognized him as being a police officer.

He never knew of any of the officers working for RUBY, either before or after they left the police department. He did recall, however, that an individual by the name of NEWMAN (first name unknown), who was formerly the District Supervisor for the Texas Liquor Control Board,

COMBEST EXHIBIT No. 5101—Continued

DL 44-1639  
89-43

had worked for RUBY at the Theater Lounge. NEWMAN terminated his employment with the State about a year and a half ago, and it would have possibly been about that time he started working with RUBY.

Prior to November 24, 1963, he had not seen RUBY for six to eight weeks. The last time he saw him was during a routine check of his clubs in Dallas. He did not see RUBY at any time during the weekend of the 24th of November other than the exact moment when RUBY lunged forward and shot OSWALD. He personally made it a point to stay away from the Third Floor of the Police Headquarters during the time OSWALD was in custody there. He did recall that Lieutenant J. R. GILMORE had told him some time shortly after OSWALD was shot that GILMORE had recalled possibly seeing RUBY outside of the Police Showup Room in the basement of Police Headquarters on Saturday, November 23, 1963.

He does not know anything about RUBY's personal habits, political convictions or associates. He does know that RUBY was conscientious in the operation of his business and made it a point to make friends wherever he could. It was his understanding that RUBY was very careful not to be caught in the violation of any law that would result in the closing of his clubs because it was obvious he was "always after the money." He never recalled seeing RUBY at the City Hall or Police Department at any time other than on November 24, 1963. He knows of no relationship between RUBY and LEE HARVEY OSWALD and never recalled seeing OSWALD or hearing anything concerning him prior to the President's assassination.

As concerns the identity of police officers that he observed in the basement area of the Central Police Headquarters on November 24, 1963, he could recall no one in addition to the list of officers that he furnished to Chief of Police JESSE E. CURRY in his written statement made to Chief CURRY dated November 26, 1963.

## FEDERAL BUREAU OF INVESTIGATION

691

Date November 29, 1963

Mr. CURTIS LA VERNE CRAFTARD, also known as Curtis LaVerne Craftard, Larry, C.L. and Smoky, was located at the cabin of ROY PARKS in rural Antrim County, Michigan. He was visiting his sister, Mrs. CORABELLE INGERSOLL. This individual volunteered the following information:

He was born at Farwell, Michigan, on March 10, 1941, raised in Michigan and California, until his family moved to Dallas, Oregon, in 1958. The family were fruit harvest people. In September, 1958, he enlisted in the United States Army and served until November, 1959, when he was given a general discharge under honorable conditions. He married WILMA JEAN BEANEY, June 16, 1962, and she was from Dallas, Texas. He first went to Dallas, Texas, in March, 1963, to attempt a reconciliation with his wife, but finally they separated in June, 1963, as his wife was a lesbian.

During August, 1963, he started to work with a carnival and followed this work, which accounted for his being at the Texas State Fair in Dallas, Texas, on or about October 15, 1963.

He joined a carnival show which was named "How Hollywood Makes Movies." This was run by a BOB CRAVEN, of Hollywood, California, and he performed the duties of a roustabout. He lived in a tent on the fairgrounds and stayed with this show and another show which was a rock and roll outfit until the fair closed on approximately October 30, 1963.

During the time he was employed with the "How Hollywood Makes Movies", he ascertained that JACK RUBY had approximately \$150.00 invested and on or about October 21, 1963, at closing time, he was introduced to RUBY by a "DEEK" MILES, another one of the backers. He saw RUBY two or three times during the Texas State Fair, as RUBY would check on the progress of the show. When the fair closed about the end of October, 1963, RUBY hired him to tear down the stage and take it to the Carousel Club in Dallas, Texas. He worked with a man named HOWARD (Last Name Unknown), a Negro, who had been employed by RUBY for approximately 18 years. After completing this job, RUBY asked him to stay at the club and work for room and board. He had the room in front of RUBY's office. This would be approximately November 1, 1963.

CRAFTARD EXHIBIT No. 5226

His job at the Carousel Club consisted of being a handyman, clean up man, part-time bartender and also answering the telephone. It was his duty to take down names and addresses of people calling the club for RUBY. RUBY ran almost an ad every day in the local paper for waitresses and performers. He also had ~~an~~ financial interest in a Twist Board Company at Fort Worth, Texas. Telephone calls in a number of twenty to forty would be received daily and these calls were placed in a stenographers notebook, which he kept on RUBY's desk. E

The only odd incident concerning telephone calls was that about three or four times a day during the time he was at the club, a call would come in and the man would ask if Mr. RUBY was there. If RUBY was not there, the man refused to leave his name and on every occasion during this period of time, it was the same person who called. He brought this to RUBY's attention on numerous occasions and RUBY told him to forget about it; however, RUBY was not alarmed. F

CRAFARD would stay at the club and eat his meals at the Eat Well Cafe and the drugstore across the street from the club. Money for these meals was taken from the cash register. RUBY also purchased his clothes from the Good Will Store and gave him some spending money.

RUBY had an apartment with an individual named GEORGE (Last Name Unknown), who sold Christmas cards and worked part time on the door at the club. He did not know where RUBY's apartment was located, but had the telephone number, WH. 1-1050.

He would see RUBY every day for about one to two hours and this usually occurred between 12:00 PM and 3:00 PM, at the Carousel. Other than that, RUBY would telephonically contact him almost every hour for any calls. He has no knowledge where RUBY spent his time outside of the club. Usually, RUBY would then return to the club at about 10:00 PM each evening and stay until closing time, which was 1:30 AM during week days and 2:00 AM on the weekends.

He stated RUBY trusted him and he would handle anywhere from \$300.00 to \$400.00 daily; however, ANDY ARMSTRONG or ALEXANDER, the Assistant Manager and bartender, would handle the money until Midnight and, thereafter, he would close up. CR 84

CRAFARD EXHIBIT No. 5226—Continued

Most of the time at about 5:00 PM, RUBY would call in from his home and, if needed, he told him he would be available there until he came to the club later. He said most of the affairs of the club were handled by ARMSTRONG, who performed paper work, etc., and this individual was with RUBY for approximately nine years.

Continuing, he said that on a few occasions during the daytime, he would accompany RUBY around the Dallas area. He recalls one day, time unknown, that RUBY went to various companies in regards to the purchase of a safe for the club, as RUBY had the habit of carrying all his money in his pocket. On another occasion, approximately three weeks ago, he went with RUBY when RUBY checked about some sound equipment for the club. This was at an electronics company in about the 2200 or 2300 block of Elm Street. They were there ten or fifteen minutes and did not purchase anything. On this occasion he, CRAFTARD, was wearing a suit and he feels they were there at about 3:00 PM or 4:00 PM. He said that when they entered the place of business, the electronic equipment, speakers, public address systems, etc., were on the right and left-hand sides in between a counter and a stairway that went to a storeroom on the second floor. He related that most of RUBY's time at the club was spent talking business and he had the habit of always telling the employees who they could talk to. RUBY was somewhat outspoken, had a quick temper and when mad would use loud language in his relations with the employees. C129ar

On November 17, 1963, he recalls telling RUBY that he would desire to cease his employment there on the 18th. He said that RUBY then told him he would put him on a salary and persuaded him to stay indefinitely. CRAFTARD said he was not too fond of the work and was not busy enough at the club. He also said RUBY had a .38 caliber revolver which he kept in a money sack locked in the trunk of his car. He said that when transporting money, RUBY kept his money in the trunk with the revolver and always kept the revolver with him when moving money. C1281

In regards to RUBY's temper, he said that one night, approximately November 14 or 15, 1963, RUBY was having trouble with an M.C., EARL NORMAN at the Carousel and about 1:30 AM he, RUBY, sent CRAFTARD out to the car to get the gun. That was the only time he ever handled RUBY's gun and on that occasion did not take it out of the sack. He said that the gun was believed to be the property of HOWARD, the Negro employee. 12c CR 84

CRAFTARD EXHIBIT No. 5226—Continued

On November 20, 1963, he recalls RUBY coming in at approximately 4:00 or 5:00 in the afternoon and requesting CRAFTARD to go work at the Club Vegas. RUBY stayed at the Carousel until approximately 6:30 PM. ANDY, the bartender, was there, along with GEORGE, RUBY's roommate. At the latter time, RUBY returned to his home and came back to the club at about 8:00 PM, when he transported CRAFTARD to the Club Vegas. That evening, he called three or four times in regards to the crowd and Mrs. EVA CRANT, RUBY's sister, also called in regards to the crowd. At closing time, which was 2:00 AM, RUBY called and said he would be late as the "law was at the place" and LITTLE LYNN, one of the strippers, was sick and he had to take care of her. He waited there until approximately 3:45 AM, at which time RUBY met him and they had breakfast at the Lucas B and B Restaurant, next door to the club. On this date, RUBY was accompanied by a girl named GLORIA, who did not work at the club and who was about 22, white female, 5'6", 125 pounds, blond hair. This girl would be known to MARGIE (Last Name Unknown), waitress at the Carousel. He said that RUBY returned him to the Carousel at approximately 4:30 AM, on November 21, 1963.

On November 21, 1963, he called the club to wake him up at about 11:00 AM, and then came in later in the afternoon, sometime between 12:00 and 3:00. ANDY was at the club at this time and he recalled there was a woman, along with her husband, who desired a job. Thereafter, RUBY left and later in the afternoon called him again to go to the Vegas as the bartender. At about 7:30 PM, RUBY picked him up and took him to the Vegas Club, and he did not see RUBY again until approximately 2:30 AM, after closing, at which time they again had breakfast at the Lucas B and B, returning to the Carousel at about 3:30 or 4:00 AM.

On November 22, 1963, he said he was awakened by ANDY, the bartender, at 11:30 AM, by way of telephone. He then dropped back to sleep and shortly after noon, ANDY came to the Club, personally woke him up and stated that the President had been shot. He had not heard from RUBY previously that date and at about 1:30 PM, RUBY came into the club and said the club would be closed that night and the entire weekend. He told ANDY to notify the personnel and, thereafter, called the paper and placed an ad to that effect. CRAFTARD said that he was much surprised by this action as the club could not financially stand to be closed and it was strictly his opinion that RUBY did this as a gesture to make good will on behalf of the public. that RUBY said that he was going to his sister's home and asked CRAFTARD if he desired to accompany him, which offer was refused.

RUBY left the Carousel at about 3:30 PM, being described by CRAFTARD as "pretty well shaken up." They knew at that time there was an arrest of a suspect, but he cannot recall the name of any person being mentioned; however, the name of TIBBITS, the policeman, was mentioned and RUBY said he was acquainted with him. Upon leaving, RUBY was what CRAFTARD termed being emotionally disturbed. He told CRAFTARD to call Mrs. GRANT's home before he went to dinner and upon his return. This was not an ordinary request and CRAFTARD had no knowledge of RUBY's reason.

RUBY then came back to the club or called CRAFTARD about 7:30 PM that evening. He did not discuss the assassination, he did not mention being at the police department or anything else. He just wanted to check in regards to telephone calls. He did not see RUBY again until the next day.

On Saturday morning, November 23, 1963, at about 5:30 AM, RUBY called him and told him to meet him downstairs with the Polaroid camera and some film. RUBY was very excited and, in a matter of minutes, a telephone call was received from the fellow at the All Wright Parking Lot, telling him that JACK was there and to hurry up. When he got to the car, GEORGE, RUBY's roommate, was also there and they drove out on the Stemmons Freeway, where RUBY showed him a sign "Impeach EARL WARREN." On the end of this sign it said for further information write Post Office Box 1744 or a similar number.

RUBY instructed him to take three pictures of the sign and they then drove to a waffle shop near the Carousel for coffee. RUBY and GEORGE were talking about the sign and the Post Office Box and they had very little conversation concerning the assassination. RUBY then dropped CRAFTARD off at the club at 6:20 AM and said that he and GEORGE were going down to the Post Office to look at that Post Office Box. CRAFTARD said that he was completely puzzled, as EARL WARREN was unknown to him. This was the last time he saw JACK RUBY. He also recalled that while being at the waffle shop on Commerce Street, RUBY was reading about LEE HARVEY OSWALD in the newspaper. He, at this time, did not express any previous knowledge or acquaintance with this individual and he (CRAFTARD) had never, to the best of his knowledge, heard RUBY or anyone else at the club previously

CRAFTARD EXHIBIT No. 5226—Continued

mentioned this name. He said that it seemed odd to him that RUBY was more excited about the EARL WARREN sign than about the assassination. RUBY, at this time, made no threats or other comments concerning OSWALD.

\* After being dropped off at the club, CRAFTARD called RUBY at approximately 8:00 AM, at RUBY's apartment and told RUBY that they needed food for the three dachshunds that were kept at the club. CRAFTARD said that RUBY berated him for waking him up and he then decided to pack up and leave the club as he did not want to take any other verbal abuse. He did not say anything to anyone about leaving and just packed his clothing, left the club, at about 12:00 Noon that date and started hitchhiking north. He proceeded north on 77 to Oklahoma City, Oklahoma, and on to Clare, Michigan, where he arrived on Monday, November 25, 1963, at about 9:30 PM, at the home of a cousin, CLIFFORD ROBERTS. His main reason for coming north was to recontact his sister, who had not written him for some time. He had no other explanation for his hasty departure, but said that it is just the way he does things.

Returning to RUBY, he said that he can never recall this individual making any statements concerning revenge on OSWALD. He, CRAFTARD, saw RUBY's picture in the newspaper the day after his arrest and said that he never saw OSWALD in the Carousel or Vegas Clubs and he definitely knows that he never took this name down from a telephone call. He said that he first found out that OSWALD had been killed on November 24, 1963, at about 8:00 PM, and did not know RUBY was responsible for it until Monday, November 25, 1963.

In regard to RUBY's contacts, CRAFTARD said that most of them were recorded in the stenographer's notebook on the desk and that the only other ones would be MICKEY RYAN, who was a bartender in a gun club located in Dallas. He termed RYAN as a very close friend. He cannot recall RUBY ever saying he had any contacts with the underworld, and the only illegal activity that he could recall RUBY speaking about was that each night at the Carousel, as a promotional stunt, they would have drawings and give away champagne to the ladies and Wilkinson swart edge razor blades to the men. RUBY stressed the fact that these razor blades were a blackmarket product and he had no knowledge from where they were obtained.

CRAFTARD EXHIBIT No. 5226—Continued

Concerning RUBY's relations with the police, CRAFTARD said that on the average, two men in uniform would visit the club nightly at about 11:30 PM and receive free coffee. CRAFTARD said that he had no knowledge himself of any Dallas policemen, but RUBY claimed to know the majority of men on the force. He said he was advised that off-duty policemen could come into the club without paying the \$2.00 cover charge and that the ordinary price for beer and set ups was 60 cents and the policemen were to be charged 40 cents. He knows of no police contacts on RUBY's behalf, but said RUBY did keep a police card in the cash register at the Carousel with a name, unknown to him, on it.

Another close friend of RUBY's was a BILL WILLIS, who is the drum player at the Carousel.

He said at no time did RUBY ever demonstrate any homosexual tendencies and that he specifically recalls on one occasion an individual, who was a female impersonator, made a request for employment at the club and RUBY became infuriated and stated that type of act was repulsive. C 7a

In closing, CRAFTARD said that he intended to stay in the Bellaire, Michigan, area until Friday, December 6, 1963, and his address will always be known to Miss GALE EATON of Harrison, Michigan, and he will advise the Traverse City Resident Agency of the Federal Bureau of Investigation by card of any moves.

Several colored photographs were taken of CRAFTARD and the following physical description was obtained from interview and observation:

## GENERAL FIRST AID DIRECTIONS

**WOUNDS** are easily infected, but hazards may be reduced if the following suggestions are observed:  
 (1) Do not touch with hands or non-sterile material.  
 (2) Do not wash with soap and water (3) If dirty - cleanse with rubbing alcohol (4) If greasy - use kapha, benzine, turpentine, kerosene or ether.  
**CAUTION:** Do not use motor fuel or Ethyl gasoline. (5) Apply 2% Iodine, or similar sterilizing agent, let dry, then cover with sterile gauze dressing.

**FRACTURES** can generally be distinguished from sprains by the following: (1) Pain and tenderness (2) Partial or complete loss of use (3) Deformity may be pronounced or very slight (4) Swelling and discoloration - frequently not present for several hours (5) Sense of grating with motion (6) In compound fractures, bone may or may not protrude through skin wound. **CAUTION:** If fracture is suspected, handle with extreme care, as large nerves and blood vessels run close to bones and may be cut by sharp edges. Always splint before moving.

**BLEEDING** should be checked as rapidly as possible. Loosen clothing and keep person warm with external heat. Give no stimulant until bleeding can be checked. **CAUTION:** Tourniquets, when applied, should be loosened for short intervals every 15 minutes.

**SNAKE BITES:** Cut X about 1/4 inch deep where fangs entered flesh so that poison may be washed away by bleeding. Apply tourniquet between wound and heart, 4 to 6 inches from wound. **CAUTION:** Do not give any stimulants.

**DOG AND ANIMAL BITES:** Wash with soap and water, and rush to doctor. Do not bandage or bind.

**BURNS AND SCALDS:** Cut clothing away without tearing or pulling. Do not try to remove clothing or dirt stuck to burned area. Apply warm baking soda solution (3 to 5 heaping tablespoons to 1 quart warm water) or Epsom salts. Never use iodine on burns. Cover burn with gauze compress, bandage lightly and wrap victim in blankets.

**ACID BURNS:** Wash liberally with water until chemical is removed, then treat as other burns.

## INFORMATION FOR INTERSTATE CLAIMANTS

This booklet contains information important to you as an interstate claimant. It contains a record of your reporting and is your identification card in relation to your claim. Always bring it with you when reporting.

Workers who leave the State in which they previously worked are permitted to file claims for unemployment insurance in any other State, the District of Columbia, or in Canada.

Louisiana, where you are filing your claim, is acting as the Agent State for the State against which you are filing your claim. The State against which you are filing is called the "Liable" State.

Information you submit through your Louisiana area office will be transmitted to the State against which you are filing; and from this information and that contained in their records, the State against which you are filing will determine your eligibility for benefits.

**IF YOU HAVE ANY QUESTIONS CONCERNING INSTRUCTIONS IN THIS BOOKLET, CONTACT YOUR AREA OFFICE. THE REPRESENTATIVE WILL BE GLAD TO ANSWER YOUR QUESTIONS.**

### REGISTRATION FOR WORK

You must register for work with the area office where you file your claim. Louisiana must certify to the Liable State that you are registered for work.

Page 8

## WEEK OF WAITING

Most States require that you serve a waiting period of one week after your new claim is filed before benefits become payable. This means that if the State against which you file requires a week of waiting you will not be compensated for the first week for which you claim benefits.

### MONETARY ELIGIBILITY

The Liable State will determine the benefits, if any, you are eligible to receive, based on wages you have earned in the base period of your claim. You will be notified in writing by the Liable State concerning your monetary eligibility. This notification will show the inclusive dates of the above mentioned base period. Bring your copy of the monetary determination with you on your next scheduled visit to your area office after you receive it and show it to the Claims Taker. This will ensure that area office records are properly posted. Proper posting of your claim records will prove of assistance to you in claiming weekly benefits. If you have any questions concerning the determination received, inquire of the person at the counter who takes your claim.

### AVAILABILITY FOR WORK

All States require that a claimant, in order to be eligible for benefits, must be able to work and available for work. Able to work means that you are physically able to perform work of a nature similar to work you have performed in the past or other work for which you are reasonably fitted by ed-

Page 9

perience, training, or education. Available for work means that you are ready to accept work at once without unreasonable restriction; that there are no circumstances, personal or otherwise, which would prevent you from immediately accepting suitable work. Most Liable States require that a claimant make a reasonable effort to find work for himself in addition to his registration for work with our employment service. You must report your personal efforts to find work for yourself in the space provided in each Continued Claim you file. Be sure to provide all data required for this entry in the Continued Claim form to insure that your claims are not disallowed. All States require that you be willing to accept suitable work in the locality where you are filing your claim at the prevailing rate of pay and under working conditions which prevail there. If you have been unable to work or not available for work and you become available for work, you may re-establish your eligibility for benefits by reporting these facts to the Claims Taker who will convey this information to the Liable State.

### DISQUALIFICATIONS

If you QUIT your job or if you are DISCHARGED BECAUSE OF MISCONDUCT or if you are not working because of a LABOR DISPUTE, you may be disqualified for benefits. Disqualifications differ, depending upon the law of the State you are filing against and the circumstances involved. If you are assessed a disqualification, you will be notified in writing by the Liable State, showing why you were disqualified. The disqualifying

Page 10

determination will normally also show the duration of the disqualification and how it can be satisfied. If you REFUSE WORK you are OFFERED in the area where you are filing, a written report will be furnished the Liable State which will determine whether or not you are to be disqualified for refusing to accept suitable work.

### REPORTING EARNINGS

Should you perform work during any week for which you claim benefits, you must report the wages you earned for that week. Failure to report earnings may result in your being charged with fraud. You should report your wages as they are earned and not necessarily as they are paid. Pages 13 and 14 of this booklet provide a schedule to assist you in keeping a record of your earnings.

### DISQUALIFICATION FOR FRAUD

All State laws provide legal penalties for claimants who obtain benefits fraudulently. A claimant who obtains benefits as a result of a false statement or representation, knowing it to be false, or knowingly fails to disclose a material fact, may receive an administrative penalty by the Liable State or may be prosecuted under the laws of Louisiana.

### APPEAL INFORMATION

Every determination issued by a Liable State contains information concerning the claimant's appeal rights. You should note the date on which your appeal rights expire; and, if you disagree with a determination, you

BILL DE MAR, presently residing at Shady Oaks Motel, Cabin 8, located at 1512 Fort Worth Avenue, RI 7-0065, advised he is employed as a ventriloquist and for the past two weeks has worked at the Carousel Club located at 1312 1/2 Commerce Street, this being the fourth time he has worked at this spot. He, before coming to Dallas, has worked at the T-Bone, Wichita, Kanaas. He advised his whereabouts would always be known to his mother, Mrs. W. D. CROWE, 824 West Idlewild Drive, Evansville, Indiana, HA 3-7245.

A photograph of LEE HARVEY OSWALD, New Orleans Police Department No. 112723, taken August 9, 1963, was exhibited to DE MAR, and DE MAR said he believes this is the man he saw seated among the patrons of the Carousel Club "one night last week." DE MAR advised he works seven nights each week and, therefore, is unable from his recollection to determine which particular night of the week he observed OSWALD seated in the group around the runway in the club and due to the seating arrangement at this club, he, DE MAR, would be unable to say whether or not OSWALD had a party or group with him at the time he was seen.

DE MAR stated he, in addition to his ventriloquist act, puts on a memory demonstration and he believes OSWALD was among a number of persons at the club that was used by him in performing this memory demonstration.

DE MAR advised to the best of his recollection he had never seen OSWALD at the club previously and had no information as to any associations that OSWALD might have at the Carousel Club, Dallas.

Date December 5, 1963

KENNETH HUDSON CROY, residence 2634 West Illinois, was interviewed at his place of business, H. E. Croy and Son Real Estate, 1720 South Lamar. He was advised he need not make any statement, that any statement he did make could be used against him in a court of law. He was advised of his right to an attorney. He furnished the following information:

He is a Sergeant in the Dallas, Texas Police Reserve and has been for a good number of years.

On November 23, 1963, at approximately 11:00 P.M., Lieutenant BEN MCCOY, Dallas Police Department, telephonically advised he would need six or seven reserve policemen to report to the third floor of the Police Department at 9:00 A.M. on November 24, 1963.

He arrived at about 8:30 A.M., November 24, 1963, at the Police Department and went to the Assembly Room to make detail. Lieutenant BARNEY MERRELL gave him the duty of assigning men out of the Assembly Room as required by the other police officials. He thereafter sent groups of men downstairs when called for by the police dispatcher. At one point, a Sergeant, name unknown, came in and secured five men to help search the building.

At about 10:00 A.M., he went to the basement parking area on his own volition to aid in the basement security. He thereafter located men when more were called for by the various police officers present.

Captain ARNETT, around 11:00 A.M., requested some policemen to form on the Main Street side of the center ramp area to aid in keeping members of the press back from the area where LEE HARVEY OSWALD was to be passed through.

He recalls shortly before the shooting, a few minutes at most, a blue Dallas police car drove out of the basement up the Main Street ramp past his location. He did not see anyone coming down the Main Street ramp. He recalls there was one regular police man, name unknown, stationed at the Main Street ramp entrance.

CROY EXHIBIT No. 5051

Just prior to OSWALD's appearance, an unknown officer in plain clothes came out of the jail office and told the press to move back. CROY then turned to his left and requested a man with a large movie camera, who was on his immediate left and another man on his left rear, who was dressed in a dark hat and dark maroonish brown sport coat with black thread woven into it, to step back. CROY then looked back toward the jail office at the crowd and then glanced back to see if the two men on his left had complied with his order. He saw the man with the movie camera had stepped back to the ramp railing and was standing upon the railing; the other man he did not see. He then looked back at the crowd by the jail office for OSWALD was being brought down. At approximately 15 or 20 seconds later, OSWALD was brought out, the members of the press surged forward and one placed a microphone in front of OSWALD's face and asked him to make a statement. At this instant, CROY got a blurred movement to his left and turned and made an off balance grab at a man who was moving in a low crouch with his hands tucked into his stomach much like a football fullback. CROY's hand brushed the tail coat of the man and at this time had the impression the man was the same one who moments before, had been standing to his left and rear.

He then heard a shot and started forward to assist in bringing the man under control but saw he was already being wrestled to the floor by a number of officers.

He did not hear any statements made by anyone while the man was moving forward and the shooting taking place. He did not know the man was JACK RUBY until after RUBY was removed upstairs to the jail.

He met JACK RUBY about three years ago when riding with a patrolman, name unrecalled, which is required at least once a month to retain membership in the police reserve. On that occasion, they drove by the club Vegas at approximately 2:45 A.M. and drove into the Lucas B & B just up the street from the Vegas. A man later identified to him as JACK RUBY, came hurrying and told CROY and the patrolman to put down the menu as he, RUBY, would order for them. RUBY ordered steaks and paid for them.

CROY recalls the incident since it was rather humorous in that RUBY was attempting to keep them away from the front of his Vegas Club while it closed at 3:00 A.M. and the patrons left. When in reality, he heard two other patrol cars were sitting in front of the Vegas Club "loading up".

CROY EXHIBIT No. 5051—Continued

He estimates total number of people present in the basement at around 100 and could not state the number of press people in the group. He did not see anyone he believes was, other than police officers or members of the press.

He has no information or knowledge of OSWALD or RUBY whatsoever other than furnished above.

He recalls the following reserve police officers as being in the basement at the time of the shooting:

Captain C. O. ARNETT;  
Lieutenant HARRY KRISS;  
Lieutenant BEN McCOY;  
Lieutenant DON SUITS.

"COUNTY OF DALLAS

"BEFORE ME, A. L. CURTIS a Notary Public in and for said County, State of Texas, on this day personally appeared Kenneth Hudson Croy, Address: 2634 West Illinois, Telephone No.: FE 7-0621.

"Who, after being by me duly sworn, on oath deposes and says: I am a Reserve Police Sergeant with the Dallas Police Reserve. On November 24, 1963 I reported to the Police Assembly Room at approximately 8:35 a.m. to Lieutenant Merrell who was making assignments. I then took over making assignments from him. I wrote the men up on the roster at the time they arrived and made assignments to them until approximately 10:00 a.m. At that time I went to the basement and worked from the basement of the City Hall, assigning reserve officers who were late arriving, and also checking on where my men had been assigned. Prior to Oswald's appearance into the basement of the City Hall I stationed myself at the foot of the north end of the ramp in the basement. I was there for quite some time watching the reporters. Someone had made the remark to watch the reporters, and to move them back against the rail. There were several reporters in front of me. Captain Arnett was standing to the right of me. I was approximately in the middle of the ramp between the wall and the rail. Someone in authority gave instructions to move the press back against the rail. At that time I turned and told two men standing to my left to move back against the rail. One of these men had a motion picture camera, the other was wearing a dark maroon coat with black thread woven into it. He was wearing a brown hat. (My father has a coat something similar to the one the man was wearing that I spoke to) I then turned my attention back to the reporters which were standing in front of me. I believe this man that to have been Jack Ruby. The man with the motion picture camera got up on the rail. The man with the dark maroon coat stepped back a little. I turned back around and one or two officers came out of the jail office and then Captain Fritz, and then they brought Oswald out. He was handcuffed

"to one of the officers and there was a man on each side of him holding his arm. There was a reporter standing there with a microphone in his hand. The reporters then converged on Oswald. The reporter with the microphone stuck it up in Oswald's face and asked him, 'Do you have any comment?' At this time I observed a blur come from my left side. I was off balance. I saw a man running into the crowd in a crouch. At that moment I reached for this individual and touched his coat tail attempting to stop him. I saw him run right up to Oswald and I heard a shot. At the time I heard the shot, there were several officers who swarmed him and wrestled him to the pavement. I also tried to grab hold of his gun, but there were too many men there for me to be effective. At that point an officer did disarm him and took him out. I didn't get to see the man they were wrestling to the floor because too many officers swarmed him. At this point orders were given to seal the basement. I ran approximately half way up the north ramp and stopped reporters trying to leave the basement. During the interview with Lieutenant Jack Revill and Lieutenant F. I. Cornwall something was mentioned about an automobile leaving the basement via the north ramp to the Main Street. I recall an automobile driving out, but I can't recall the time nor can I recall how many men were in this automobile. I seem to recall this automobile as being a light blue squad car.

City Manager ELGIN E. CRULL, Municipal Building, Dallas, Texas, was advised he did not have to make any statement and any statement he made could be used against him. He was also advised he could consult an attorney of his own choice. At the outset of the interview, Mr. CRULL was advised of the identity of the interviewing Agents.

Mr. CRULL stated he did not know LEE HARVEY OSWALD and that when he was first notified by Deputy Chief M. W. STEVENSON on November 22, 1963, that OSWALD was in custody and responsible for the assassination of President KENNEDY, and was described by STEVENSON as having been the individual who had defected to Russia several years previously, CRULL could not place OSWALD and could not recall the obvious publicity which logically surrounded OSWALD at that time. He stated on November 23, 1963, he offered any assistance of his office to Deputy Chief STEVENSON and was informed that the Police Department, with the assistance of the FBI and Secret Service, apparently had the matter well wrapped up and, thereupon, CRULL departed on Saturday, November 23, 1963, for his cabin at a nearby lake to spend the week end.

He stated on Sunday morning, November 24, 1963, he heard over the radio of OSWALD's having been shot by RUBY and thereupon returned to Dallas and again contacted the Police Department asking if there was any assistance his office could render. He stated he did not know JACK RUBY.

Mr. CRULL stated he has been employed by the City of Dallas for the past twenty-four years; that prior to that time was in the newspaper business for ten years, and that he selected Chief CURRY as Chief of Police and had selected the prior Chief of Police, and never interfered with the operation of the Police Department, leaving it entirely in the Chief's hands, as he did with other city departments.

He stated he was never contacted by news media or by the Police Department concerning the transfer of OSWALD from the jail at the Police Department, to the County

Jail, and was not aware of any plans being formulated for such transfer. According to Mr. CRULL, he said he had been concerned over the available facilities for interviewing OSWALD at the Dallas Police Department, but felt that, under existing conditions, the officers handling the matter were doing so in a very competent manner.

He stated that after the assassination he was in Chief CURRY's office on Saturday morning, November 23, 1963, and observed the large number of television and news representatives in the area, and recalls he commented on this to Chief CURRY and Chief CURRY stated he felt it was necessary to cooperate with the news media representatives, in order to avoid being accused of using Gestapo tactics in connection with the handling of OSWALD. He stated he was in agreement with CURRY's statement.

Mr. CRULL advised that at no time was he contacted by any individuals connected with television or news media concerning the transfer of OSWALD from the City Jail to the County Jail. He said, as a matter of actual fact, he was never formally interviewed by any news media people at any time concerning the events beginning on November 22, 1963, in Dallas. He stated on November 25, 1963, he issued instructions to his subordinates and to Chief CURRY and the Police Department to make no comment concerning these matters and, as far as he knows, these instructions have been followed. He stated an article appeared in the Oak Cliff Tribune, a weekly publication, the first week of December, 1963, which stated, in effect, that Chief CURRY was taking the rap for "higher ups" who had insisted that OSWALD be transferred to the County Jail during daylight hours at the request of the press. He stated RAY ZAUBER is the publisher of the Oak Cliff Tribune and described him as a "yellow sheet journalist," who formerly worked for the Dallas News and the Dallas Times Herald and was fired from both of those newspapers. He stated ZAUBER, when questioned by him in the past about the truth of an article written by ZAUBER, stated, "I can't sell newspapers by telling the truth." He stated as far as he knows there is no truth to the article published by ZAUBER.

He stated the Dallas Police Department is conducting an investigation in an effort to determine where the security failed in the transfer of OSWALD, and that it is his intention that this report be made available to the FBI and to the County Attorney for whatever action is deemed appropriate. In this connection, he said he was most anxious that no one officer be blamed for the breach of security, unless and until it was determined that an officer willfully and deliberately allowed RUBY access to the basement. He said he did not feel the wrath of world opinion should be directed at any officer whose post RUBY may have passed unbeknown to the officer. He stated he has no knowledge of the information indicating there was any conspiracy between any officer or officers and JACK RUBY, permitting RUBY to gain entrance to the basement on November 24, 1963.

Mr. CRULL stated he has issued instructions to Chief CURRY to co-operate 100 per cent with the FBI in this matter.

Chief JESSE CURRY stated that the plan for removal of LEE HARVEY OSWALD from the Dallas City Jail to the Dallas County Jail, was left to the discretion of Homicide Captain WILL FRITZ, who was in charge of investigating the murder of Officer J. D. TIPPITT of the Dallas Police Department by OSWALD on November 22, 1963 and the murder of President JOHN F. KENNEDY and the shooting of Governor JOHN CONNALLY. He stated that FRITZ told him he planned to remove OSWALD sometime during the following day to the Dallas County Jail. He stated that he did not specify any time and that was left to the discretion of FRITZ. He stated that FRITZ was in charge of the plans for removal of OSWALD to the Dallas County Jail.

Chief CURRY stated at no time did he give the press a specific time as to when OSWALD would be removed to the Dallas County Jail from the Dallas City Jail. He stated on the night of November 23, he was asked by the press when they should be back and he told them 10:00 the next morning. He stated that he was tired and worn out and that the press was tired. He stated that he did not at any time give the press a specific time as to when OSWALD would be removed at that time because he, himself, did not know. He stated that FRITZ was in charge of the plans of the removal of OSWALD to the Dallas County Jail and that the time was strictly up to FRITZ as to when he was to move him.

Chief CURRY stated that as to whether the prisoner was removed in the day time or at night time, was left to the discretion of Captain FRITZ and he had no knowledge as to whether or not FRITZ had to change his plans at any time.

CURRY stated that he at no time advised the news media of any particular time that OSWALD was to be removed and had information that the news media was advised. He stated that he had heard and read in the paper that the Dallas Police Department allegedly advised them ahead of time, but that he certainly had no knowledge of any statement as to the time OSWALD would be removed, which was allegedly given to the press.

Date Dec. 11, 1963

Chief of Police JESSE E. CURRY, Dallas Police Department, was interviewed and immediately advised of the official identity of Special Agent LEO L. ROBERTSON. He was advised that he did not have to make a statement, that any statement he did make could be used against him in a court of law. He was advised that he had the right to consult an attorney prior to making any statement. He then furnished the following information:

On December 9, 1963, he advised that the police department had not given a press card or pass to JACK RUBY or any sticker for his car. He advised that Captain GLEN KING, his Administrative Assistant, was the press relations officer and that he had checked with him and was satisfied that RUBY had no kind of press card or otherwise which was issued by the police department which would have admitted him to the area. In addition to the information that Chief CURRY previously gave on November 25, 1963 he advised on December 10, 1963, as follows:

He advised that at the time OSWALD was shot he was either in his office or near the entrance between his office and the lobby. He could not recall which. He stated he did not know JACK RUBY, that none of his officers had ever worked for RUBY, and that it was against departmental regulations for any Dallas policeman to work for any night clubs or any other type of establishments where alcoholic beverages were sold.

He advised he did not know how many people were in the basement inasmuch as he had not been down there immediately prior to the shooting. Chief CURRY stated he had discussed security measures with his staff, that he had not given any specific assignments to any one individual inasmuch as the department went strictly by chain of command, and he did not feel it was necessary to give specific assignments.

He stated he believed that Assistant Chief CHARLES BACHELOR and Deputy Chief STEVENSON had made a couple of trips down to the basement that morning prior to the shooting of OSWALD. He advised that when they got down there, Captain TALBERT had already set up security measures, that

the two chiefs conferred with him, thought his plans were adequate, and when they returned to the 3rd floor, they told him they thought everything was all right.

Chief CURRY reiterated that contrary to what had been released by various news media, he did not name a specific time when OSWALD was going to be moved from the City Jail to the County Jail. He stated that on the night before OSWALD was moved, he, (CURRY), was very tired and he was very sure the newsmen were also tired and they tried to pin him down to the time OSWALD would be moved. He stated that one of the newsmen, whose name he could not recall, finally said "Well, what time should we be here?" Chief CURRY said he told him they should be there by 10:00 a.m., but he did not state OSWALD was going to be moved at that time and that, as a matter of fact, they had made no attempt to move OSWALD until a few minutes after 11:00 a.m. on November 24, 1963.

WILBUR JAY CUTCHSHAW, Detective, Juvenile Bureau, Dallas Police Department, was contacted at his office in the Police & Courts Building, Harwood and Main Streets, Dallas, and was advised of the nature of the investigation; the official identity of the interviewing Agents, and the fact he did not have to furnish any statement, but that any statement he did furnish could be used in court against him. CUTCHSHAW was also advised of his right to counsel.

CUTCHSHAW advised that at about 9:00 AM, on Sunday, November 24, 1963, he was in his office when he overheard Deputy Chief STEVENSON tell Captain MARTIN that he wanted all personnel in the office between 9:00 and 10:00 AM. CUTCHSHAW stated that at about 11:00 AM Captain O. A. JONES told him and the other detectives standing by in the office that it was time to go down to the basement. He stated he proceeded to the basement in company with Captain FRANK MARTIN, Detectives L. D. MILLER, R. L. LOWERY and Charles Goolsby. CUTCHSHAW stated that when he reached the basement he was instructed by Captain O. A. JONES to clear the hallway connecting the basement lobby with the parking area and to also clear the jail office lobby of all news media personnel and camera equipment. He said he was also instructed at this time to keep all unauthorized persons from the basement and to permit only press and police officers to remain.

CUTCHSHAW stated that approximately five minutes before LEE HARVEY OSWALD was brought down to the basement he noticed a Channel 5 Television camera being pushed from the basement lobby into the basement parking area by three white males who were bent over pushing on the base of the camera. He stated that the man on the right, which is the right-hand side facing the parking area, was wearing a green shirt, the man in the center was wearing a dark suit, and the man on the left was wearing a black coat which extended to the knees.

CUTCHSHAW advised that everything at that time seemed to calm down for a few minutes and then someone said, "Here he comes." He advised he was standing with his back to a small area of the wall located between the double swinging doors and the door between the hallways and jail

office lobby. CUTCHSHAW stated that Lieutenant SWAIN or Captain FRITZ came out into the basement hallway from the jail office door followed by Detectives JAMES LAVELL (PH) and GRAVES, walking on either side of OSWALD. CUTCHSHAW stated that LAVELL and GRAVES are detectives in the Homicide Bureau of the Dallas Police Department. He said LAVELL was walking on the right side of OSWALD and GRAVES on the left and as they approached the jail office door they stopped for a few seconds and LAVELL asked, "Is it O.K.?", to which CUTCHSHAW replied, "O.K., Come on out, JIM." CUTCHSHAW stated that the detectives and OSWALD then came through the door followed by Detective MONTGOMERY, of the Homicide Bureau, who was walking directly behind OSWALD at a distance of approximately one stride. CUTCHSHAW stated the detectives and OSWALD were forced to walk between a narrow corridor of individuals composed of news media personnel and plain-clothes detectives about four and one-half feet wide. CUTCHSHAW stated that OSWALD and the two accompanying detectives had just reached the bottom of a small incline extending from the parking area when he noticed a general movement of individuals in the vicinity of OSWALD's location, followed by a loud report, which sounded like a gunshot. CUTCHSHAW stated he immediately rushed to this location and grabbed the left hand of JACK RUBY, while W. J. HARRISON, a patrolman assigned to the Juvenile Bureau, took hold of RUBY's right hand, and, together with several other detectives, half carried and half marched RUBY into the jail office lobby. CUTCHSHAW stated he had seen JACK RUBY only once previous to this, which was about two or three years ago at the Carousel Club in Dallas, Texas, at which time he (CUTCHSHAW) was working in plain-clothes as a detective in the Juvenile Bureau.

CUTCHSHAW stated that after marching through the jail office door he immediately closed this door to prevent anyone from following, after which he opened the door to admit OSWALD, who was being carried on a stretcher. He said he was still at this door when a young man, approximately 24 or 25 years of age, wearing a dark-colored sport coat, came to the door and said he was a doctor stationed

there. CUTCHSHAW said he admitted this man when he noticed a stethoscope in the right-hand pocket of the individual.

CUTCHSHAW stated he remained at the door looking out into the glass partition and saw two men pushing the television camera which he had seen being pushed in earlier. He said these men were pushing the camera up the driveway ramp to the hallway leading to the basement lobby and that he recognized the man with the green shirt and the man wearing the black coat as two of the men who had pushed the camera into the basement. CUTCHSHAW said he went back into the basement and stopped these individuals and asked them where the third man was. CUTCHSHAW said they told him there was no third man and that if a third man helped them push the camera into the basement they had not been aware of it. CUTCHSHAW noticed the cable of the camera was still wrapped in place and learned from these individuals that they had not been able to get the camera in position and had, therefore, not used it. CUTCHSHAW stated these men were later questioned by Lieutenant SWAIN, of the Bureau & Theft Bureau, and he later found out the last name of one of these men was ALEXANDER.

CUTCHSHAW stated he has never been employed by RUBY and does not know of any Dallas Police Officer who is or ever has been employed by RUBY. He stated he would estimate there were approximately fifty persons other than police officers in the basement at the time of the shooting, but he did not recognize any of the news media personnel present. CUTCHSHAW stated he was not briefed on the security measures to be taken on November 24, 1963, to transport OSWALD, but had heard the basement area was to be cleared of all persons, with the exception of press and police officers, that all parked cars in the basement were to be searched, and that officers on duty in the basement were required to check the identity of all persons present. He stated he did not see any unauthorized individuals in the basement on November 24, 1963, and does not know of any such persons being admitted to the basement or of anyone being permitted to enter without showing proper identification.

CUTCHSHAW stated he did not know of any relationship existing between RUBY and OSWALD and did not notice RUBY in the basement before taking hold of his left hand and then did not know it was RUBY until someone else identified him.

"At the time that Oswald was being brought down the jail, I was stationed next to the door leading to the jail office. Prior to Oswald coming out, a T. V. Camera was pushed out of the basement lobby into the basement. There were three men pushing the camera. The man with the green shirt was on the right and the man with the black rain coat was on the left. The third person was in the center and had on a dark suit. He was bent over low behind the camera pushing on the base. The camera was pushed down the ramp into the parking area but was not hooked up. After the shooting the camera was being pushed up the ramp by two men. The man in the dark suit was not one of them. I stopped the two men and asked them where the other man was that helped them push the camera out. They stated that no one was with them.

WILBUR JAY CUTCHSHAW, 401 Northwest 22nd, Grand Prairie, Texas, Detective, Juvenile Bureau, Dallas Police Department, advised that on November 24, 1963, he was assigned to the Security Detail regarding transfer of LEE HARVEY OSWALD from the Dallas City Jail to the Dallas County Jail. In this regard, he was stationed during the pertinent period to the right of the jail office door in the corridor of the City Hall basement. He was at this post when Captain J. W. FRITZ, Lieutenant R. E. SWAIN, JR., Detective J. R. LEAVELLE, prisoner LEE HARVEY OSWALD, and Detectives L. C. GRAVES and L. D. MONTGOMERY came out of the jail office. After the above passed him, he moved in to follow behind them. CUTCHSHAW stated he saw a blur from the direction of the crowd and heard a gun fired. CUTCHSHAW related that about three minutes before OSWALD had been brought out of the jail office, that a television camera had been rolled through the double doors leading into the corridor from the basement lobby. This camera was rolled passed CUTCHSHAW and he recalls that three men with their heads down were pushing it. The camera was rolled on down the corridor passed Detectives ROY LEE LOWERY and necessarily it passed several other officers who were stationed between LOWERY and CUTCHSHAW. CUTCHSHAW stated that immediately after the shooting, he noticed that this camera was being rolled back up the ramp toward the basement lobby area and only two men were pushing the camera. He stated he questioned them as to the whereabouts of the ~~man~~ and they stated there had been only two men all along. CUTCHSHAW stated that he obtained the identities of these cameramen and turned this information over to the Homicide and Robbery Bureau. He recalled the name of one of the men as JOHN ALEXANDER, employed by Channel 5, Fort Worth, Texas; the other individual's name he cannot recall but stated he also worked for Channel 5. CUTCHSHAW stated that the camera men at the time of first passing him had to pass several other officers in the basement lobby as well as two officers stationed outside the double doors leading to the corridor area. CUTCHSHAW estimated that there were approximately 76 officers on the Security Detail who were practically standing shoulder to shoulder in the pertinent area.

CUTCHSHAW stated that upon being assigned to the Security Detail, he had received his instructions from Captain O. A. JOES, Forgery Bureau. Said instructions related to where he was to stand and the fact that the area was to be kept open and no one was to be let into the area except officers and press representatives.

CUTCHSHAW advised that he understood that prior to receiving his instructions, that the area had been secured.

"On November 29, 1963, Mr. N. J. Daniels was interviewed by the undersigned officers as to any information he might have concerning the shooting of Lee Harvey Oswald and if he could give any information as to how Jack Ruby gained entrance to the basement of the City Hall.

"A lengthy interview was held with Mr. Daniels and an 'Affidavit-in-Fact' taken - copy attached.

"Mr. N. J. Daniels stated at the time of this interview that he had not been contacted by any Federal agency. "

"THE STATE OF TEXAS

"COUNTY OF DALLAS

"BEFORE ME, Ann Schreiber, a Notary Public in and for said County, State of Texas, on this day personally appeared N. J. Daniels, 2229 Sutter, Dallas, Texas, FR 4-6179.

"Who, after being by me duly sworn, on oath deposes and says: On Sunday, November 24 at approximately 11:00 A.M., I came up to the Main Street ramp to the basement of the city hall. I was standing on the Western Union side of the ramp and I spoke to Officer Vaughn, he was on duty at that location. Officer Vaughn was standing in the center of the ramp keeping people from entering the basement of the city hall. I had been standing there several minutes when a squad car drove up the ramp with three officers inside, they drove on to Main Street and turned west on Main. At this time Officer Vaughn stepped out into the middle of Main Street and stopped the west bound traffic on Main so this squad car could make its turn on Main Street. For a brief moment while Officer Vaughn was blocking traffic, the ramp entrance at this location was left unguarded. I was standing at the east

corner of the ramp and turned to watch Officer Vaughn stop the traffic. From the position where I was standing it was impossible for anyone to walk behind me and gain entrance into the basement. I did not notice anyone walk in front of me and go into the basement. At this time I was thinking to myself that if I saw anyone go in I would so advise Officer Vaughn. After stopping traffic for this squad car Officer Vaughn took up his duties in the middle of the ramp. Several minutes later I stepped out towards the street so that I could have a better view down the ramp. As I did so I noticed a white male, approximately 50 years of age, 5'10", weighing about 155-160#, wearing a dark (blue or brown) single breasted suit, white shirt, and dark colored tie, this man was not wearing a hat, he had light colored hair thinning on top, round face, kind of small head, fair complexion, he was not wearing an overcoat nor was he carrying one but he did have his right hand inside of his right suit coat pocket, approaching the ramp from the direction of the Western Union. This person walked in the ramp and into the basement going between Officer Vaughn and the east side of the building. Officer Vaughn at this time was standing at the top of the ramp in the middle of it facing towards Main. I did not see Officer Vaughn challenge this person nor did he show any signs of recognizing him, nor even being aware that he was passing, but I know that he saw him. It struck me odd at the time that Officer Vaughn did not say something to this man. Approximately two minutes after this man had walked down the ramp I saw quite a bit of movement in the basement outside the jail office and then I heard a shot. From the time that I first spoke to Officer Vaughn until I heard the shot, which was approximately a period of twenty-five minutes, at no time did I see anyone leave or enter the basement of the city hall from the ramp entrance on Main Street except one squad car which contained three officers and this one unknown white man who entered. On Monday, November 25, 1963, at approximately 9:00 A.M., Officer Vaughn called me on the telephone at home and asked me if I had noticed anyone going into the basement while Lieutenant Pierce was coming out, I told him 'no' I did not. He told me he was bothered about the possibility that someone could have gone in there while Lieutenant Pierce and the other two officers were coming out in the squad car. I told him 'no, I did not.' But I did not mention the other fellow I saw go in because I was sure he had seen him.

NAPOLEON J. DANIELS, 2229 Sutter Street, Dallas, Texas, residence phone FR 4-6179, was interviewed at his place of business, the N. J. Daniels Real Estate Company, 4316 Oakland Street, Dallas. He furnished the following information:

Prior to November, 1962, he was a Patrolman with the Police Department at Dallas, Texas. Since that time he has been engaged in the real estate business.

On Sunday, November 24, 1963, he left his home and drove by himself with the intention of seeing the sight of the President's assassination at Houston and Elm Streets. When he left the vicinity of downtown Dallas he drove west on Main Street. As he was passing the City Hall, he saw a number of people standing in the vicinity and since he had heard that the prisoner, LEE HARVEY OSWALD, was to be moved that day, he decided to get out of the car and watch. He doubled back off of Main Street and eventually parked his car on the south side of Main between the Western Union Office and the City Hall. From there he walked to the Main Street entrance to the police garage.

When he arrived in the Main entrance, or ramp, to the police garage, he noted that an officer (FNU) VAUGHN, was on duty there. He saw no other uniformed officers in the vicinity nor anyone else that he recognized as a police officer. He stood on the east side of the ramp directly adjacent to the iron railings there and from that position could see down into the basement. When he first arrived there, there were no other spectators in that immediate location, but shortly before the shooting of prisoner OSWALD, no longer than 10 minutes, an individual he recognized as being the former shoe shine boy at the police department locker room appeared on the west side of Main Street ramp which was directly across from him. He does not know this individual's name, but he thinks it may have been ALONZO (LNU) or ALPHONSE (LNU). This individual is in his late 20's and has a light brown complexion. Hanging from his neck was a small camera approximately 4 inches by 4 inches. He believes that the "shine boy" terminated his employment at the police department locker room prior to the time DANIELS left the police department. He was wearing a gray suit which he thought was double breasted and at one time made an attempt to take a photograph of the basement from the center of the ramp; however, was told to step back by officer VAUGHN.

DANIELS EXHIBIT NO. 5326

As best he could recall, the "shine boy" remained at that location up until the shooting of OSWALD. He does not know the identity of the present "shine boy" at the police department but believed the "shine boy" that he saw would be remembered by the police officers in the Services Division as he was somewhat of a magician.

A number of people came and went during the time he was standing there prior to the shooting of OSWALD, but there was only one other person on his side in addition to Officer VAUGHN and he did not know this individual's identity. He recognized no one else in the vicinity other than officer VAUGHN and the "shine boy."

While he was standing there, a black unmarked squad car carrying three officers drove up the Main Street ramp. He does not recall this car stopping or anyone in it talking to VAUGHN but as the car came up the ramp, VAUGHN walked almost to the center of the street and stopped vehicles which were travelling west on Main Street. He noticed no vehicles travelling east on Main Street at that time. When he realized that VAUGHN was occupied with stopping the traffic, he made it a point to act as lookout and insure that no one entered the ramp. He saw no one enter the ramp during the time VAUGHN was stopping traffic. He does not recall that VAUGHN at any time asked him to assist him in guarding the entrance.

About two minutes or less before he heard a shot in the basement he observed a man walking west on the south side of Main Street. He did not recall exactly when this man came into his vision, but it was for a very brief period of time. The man was observed to walk up to the ramp entrance and turn left and then proceed on down the ramp directly past and to the right of officer VAUGHN who was facing toward Main Street. At that time VAUGHN was standing directly in the center at the end of the ramp. He could neither recall the man nor officer VAUGHN making any comment at this time. The man never broke his stride and just walked on into the basement. He recalled that this individual was a white male, about 50 years of age, 5'8-9" tall, 150-160 pounds, and was of light complexion. He distinctly recalled that this individual's right hand was in his right hand suit coat pocket and his first impulse was that the man apparently had something in his hand which caused the pocket to bulge, more than it normally would.

CR 85

DANIELS EXHIBIT No. 5326—Continued

His instinct told him at that time that the man was probably carrying a gun but in view of the fact that officer VAUGHN allowed him to enter he did not give it serious thought. This individual had an intent look on his face and was walking fairly fast. He also seemed to recall that he had seen this man at the police department during the time he was a police officer as his face was vaguely familiar and he also seemed to recall that he was partly bald. He was wearing what he thought was a dark brown or dark blue suit but in any event he was sure it was dark in color. He was also wearing a tie and dress shirt but he could not describe the nature of these articles of clothing. He could not recall whether or not this individual was wearing a hat and the idea that the man was bald may have come from the mental picture he had of the unknown individual he had previously seen in the police department. The time that elapsed from when the man walked down the ramp until the time he heard the shot would have, in his mind, been just enough time for that individual to enter the basement and get in position to shoot OSWALD. He therefore, felt sure when he heard the shot that the man he saw walk down the ramp was the man who did the shooting. He immediately looked down the ramp and saw police officers struggling with someone but all he was able to observe of the individual was his right arm which was extended and he felt certain that the color of the suit on the arm was the same as that worn by the man who walked down the ramp.

Immediately after the shooting the only comments made by Officer VAUGHN were to the people in the vicinity when he told them to get back.

DANIELS was exhibited photographs of JACK RUBY, Dallas Police Department #36398, taken November 24, 1963. He advised that the facial features of the individual in the photograph were similar to the man who walked by him and officer VAUGHN as described above. He volunteered the statement that the individual he saw had a light complexion and he was of the opinion that most people of Jewish extraction had dark complexion. He could not point out any specific facial characteristic that would link the photograph with the individual he observed.

He advised that he did not see how Officer VAUGHN could have missed seeing the individual who walked by him down the ramp.

CR 85

DANIELS EXHIBIT No. 5326—Continued

He also felt that if he saw the person who walked by him at the ramp dressed in similar clothing to the individual he observed that he could make an identification of him.

He did not recall seeing any other vehicles than the one police car with the three officers that he observed or any other individuals in addition to the men described above enter or leave the basement during the time he was standing there. The only person he could identify as the city doctor is an older man who was quite tall and worked in the City Hall while he was employed by the police department in 1962. He did not see this individual. He does not know THOMAS CORBET and therefore would not recognize him. He felt certain that the man who entered the basement was not carrying any type of press card or badge of any type. He did not recognize anybody in the vicinity that he associated in his mind with TV or camera crews.

He stated he was not at the Dallas Police Department at any time during the weekend of November 24, 1963. With reference to the individual he had seen at the police department during the time he was a police officer he vaguely recalled that his first thought when the man walked by him at the Main Street Ramp was that he was possibly a local newsman. He therefore seemed to recall that he must have been under the impression on the occasions he saw this man at the police department that he was a newsman, although he had no facts to substantiate this at the time. He could not elaborate on this impression other than that it is common for newsmen to be around the police station, and he often assumed that people who are frequently seen at the police department are newsmen.

He also stated that the photo that was exhibited to him bore a likeness in his mind to the individual he had previously seen at the police department, as well as the individual who walked by him at the Main Street Ramp.

He does not know JACK RUBY and therefore does not know if the man he saw walk down the ramp was JACK RUBY or if the man he had seen at the police department during the time he was a police officer was JACK RUBY.

He knows nothing concerning RUBY's background, personal life or political convictions. He never heard or saw LEE HARVEY OSWALD and knows nothing concerning him other than what he has read in the papers since the President's assassination.

## FEDERAL BUREAU OF INVESTIGATION

Date December 19, 1963

NAPOLEON J. DANIELS was reinterviewed at the N. J. Daniels Real Estate Company, 4316 Oakland Street, Dallas, Texas. He furnished the following information:

He advised that in addition to the information he furnished concerning himself when last interviewed by the FBI that he was on the Dallas Police Force for seven years and attended Texas Southern University for 3½ years.

Subsequent to being interviewed by the FBI at Dallas, he was requested by the Dallas Police Department to report to the Central Police Headquarters for the purpose of being reinterviewed. He stated the police officers who questioned him there attempted to clarify whether or not Officer ROY VAUGHN was out of place while standing guard at the Main Street ramp on November 24, 1963. They also advised him that the police car that left the Main Street ramp just prior to the shooting of OSWALD left 57 seconds before the shooting. He stated that apparently they did not feel his estimate of approximately two minutes from the time the car left the ramp to the time of the shooting was correct. This point was emphasized in the interview by the police officers and he felt that they did not believe that he was being truthful in furnishing this estimate. He stated the police also asked him if he would be willing to take a polygraph examination at the conclusion of the interview and he agreed. He stated he took the examination but did not know the results.

Regarding the events that took place at the Main Street ramp on November 24, 1963, he felt he had furnished as much detail as he could possibly recall when previously interviewed by the FBI. He stated that when the police car arrived at the entrance to the ramp he was standing at the edge of the marble pillar on the east side of the ramp. He stated this pillar is about six or seven feet long and from the edge of the pillar to the sidewalk is about another ten feet. As the car came up the ramp it paused briefly in a normal fashion for a car entering a busy street. He did not recall Officer VAUGHN speaking to anyone in the car. As stated previously, he seemed to recall clearly that VAUGHN walked from his position just inside the ramp out into Main Street. He could not recall which of the three

painted stripes on the street VAUGHN walked to but felt that it was the center stripe. He was certain that VAUGHN did not cross the center stripe but could not recall how close to the center stripe he actually did walk.

He also seemed to recall that when the police car left the ramp that he had the thought in his mind that it was probably going to the county jail where LEE HARVEY OSWALD would be transferred. He did not watch the car as it drove west on Main Street and did not know whether or not the car turned onto Harwood Street. In attempting to come to an estimate of how much time elapsed between the car leaving the entrance and the shooting of OSWALD, he seemed to recall that the car was gone for a long enough period of time for it to arrive at its destination. He realized that it takes longer than a minute or two for the car to get to the county jail but this was the thought that flashed through his mind at the time.

After VAUGHN returned from the street, he again positioned himself in the center of the Main Street ramp facing out towards Main Street. He could not recall in which direction VAUGHN's eyes were fixed at the time, but he did recall that he was facing directly out toward the street. As soon as VAUGHN positioned himself there he left his position at the end of the marble pillar and walked closer to the curb so as to get a better view down the ramp and into the basement. After taking the few steps to that position he then faced the building and made every effort to see into the basement. It was while he was standing in that position that the man, who a few moments after that walked by VAUGHN into the basement, appeared in his vision. He stated he observed this out of the corner of his eye and the man was probably about 18 to 20 feet away when he first realized that someone was walking in his direction. The man walked directly in front of him which would have meant that he walked between the building and himself. He stated this is probably why he distinctly recalled that the man's right hand was in his coat pocket as the right side of this individual would be the only side that he could observe as he walked by him.

As previously stated no one walked down the ramp during the time VAUGHN stepped into the street. As soon as the car left he felt that they would be bringing OSWALD out momentarily and in order to get a better view, he stepped toward the curb.

CR 2234

DANIELS EXHIBIT No. 5327—Continued

He stated it only took VAUGHN about 15 or 20 seconds to return to his position at the head of the ramp. He recalled wondering why VAUGHN let the man walk by him and assumed that he must have known the individual.

He stated he could recall nothing additional at this time concerning the events at the Main Street ramp.

My sister-in-law is Jeannette Davis, we live in the same house in different apartments. We heard a shot and then another shot and ran to side door at Patton Street. I saw the boy cutting across our yard and he was unloading his gun. We walked on side and a woman was hollering "he's dead, he's dead, he's shot". This woman told Jeannette to call the Police and she did. I saw the officer that had been lying on 10th street after Jeannette had called the Police. Jeannette found an empty shell that the man had unloaded and gave it to the police. After Police had left I found a empty shell in our yard. This is the only shell I gave to Detective Shority. The man that was unloading the gun was the same man that I saw tonight as number 2 man in a line up.

Exhibit 3

Virginia Ruth Davis being first duly sworn according to law, deposes and says:

I hereby wish to make the following statement of my own free will and accord to John J. Giuffre, who has identified himself to me as a Special Agent of the United States Secret Service.

On November 22, 1963, at approximately 1:30pm, I was in the home of my sister-in-law Barbara Davis at 400 East 10th Street, Dallas, Texas. I also live at this address, but in another apartment. Barbara and I were lying on the bed with her two children when we heard a loud bang. Immediately following the first report, there was another loud bang. We then jumped up and ran to the front door.

When we got to the door and went out on the porch, I saw a man who I later that day identified at the Dallas Police Department. This man was coming across the yard and was almost to the walk which leads directly to the porch and is in a direct line with the front door. The man had a revolver in his left hand and was shaking the shells out of it into his right hand.

As the man passed directly in front of us, he looked up for a second or so and then continued on across the yard toward Patton Street in a normal walk. At about this time, a woman directly across the intersection from our house yelled out "he's dead, he's dead, he shot him". The man glanced up at the woman and kept on walking. He walked around the corner of the house that faces Patton Street and out of sight.

Barbara Davis and I then returned to the house where she called the police. After she called the police, we went back out on the porch but by then the man we had seen with the gun was no longer in sight.

When the police arrived we searched the area on the side of the house that faces Patton Street, and Barbara found a gun shell that had been fired. After the police left we again searched the area and I found a gun shell that had been fired. I later turned this shell over to the Dallas Police Department.

I have been given an opportunity to make additions and corrections on this statement, and it is true to the best of my knowledge and belief.

DEAN, Sgt. P.T. Deposition  
Dallas 3-24-64

Sergeant PATRICK T. DEAN, Patrol Division, Police Department, Dallas, Texas, residence address 2822 Nicholson Drive, Dallas, furnished the following information:

DEAN was in an off-duty status on Friday, November 22, 1963, and Saturday, November 23, 1963. He returned to duty on the 7:00 AM to 3:00 PM shift on November 24, 1963, and was stationed at Central Headquarters. On the morning of November 24, 1963, DEAN had no assignment prior to 9:00 AM and spent the time from 7:00 to 9:00 moving around the police building familiarizing himself with activities in the police building.

At 9:00 AM, DEAN received instructions from his superior officer, Lieutenant R. S. PIERCE of the Patrol Division to contact a group of men and thoroughly search the garage portion of the basement in the Police and Courts Building. At the time he received this assignment no mention was made of the exact time that prisoner LEE HARVEY OSWALD was to be removed from the city jail to the custody of the County Sheriff's Office. DEAN took this group consisting of Sergeant J. A. PUTNAM, and 13 reserve police officers headed by Captain ARNETT of the police reserves. DEAN does not recall the identity of these 13 reserve police officers since they are not regular police officers and he has little contact with them. Included in this group also were Officers A. R. BROCK and L. E. JEZ.

At approximately 9:30 AM, this group began searching the basement area and searched the entire basement, including looking into the approximately 35 to 40 cars that were parked in the garage at that time and also checking the trunk compartment of each car to see that it was securely locked. DEAN instructed this group of officers to check all doors leading into the basement to see that they were locked and if they were not locked, to let Sergeant DEAN know. These officers also checked the area above the air-conditioner and heat ducts located in the basement.

DEAN recalled that before starting the search of the basement he assigned Officer B. G. PATTERSON to stand at the Commerce Street ramp leading to the basement and Officer R. E. VAUGHN to stand at the exit ramp on the Main Street side of the building. Officer R. C. NELSON was stationed at the door entering

from the Police and Courts Building into the basement area and Officer A. R. BROCK was stationed at the elevator and instructed to tell the elevator operator not to bring the elevator to the basement floor. A reserve policeman, name not known, was stationed at the southern portion of the basement in an opening from the sub-basement into the garage parking area. There was no one in the sub-basement at this time; however, this officer was instructed not to allow anyone to come up from the sub-basement.

The three porters and two garage parking attendants who were in the basement area at the time the search began were told to leave, and they did leave the basement area.

It is DEAN's best recollection that the search began about 9:30 AM and took approximately 15 minutes. When the search was completed, no one was in the basement area except regular police officers and the reserve officers assigned to this detail.

AJD.  
12/1/69

Sergeant DEAN then instructed all men in the basement not to let anyone except police officers or properly identified pressmen and photographers with their equipment into the basement area. After the search was completed, Officer L. E. JEZ was assigned to assist Officers B. G. PATTERSON in the Commerce Street ramp. ~~leading into~~ the basement because a considerable number of persons had congregated on the sidewalk, in front of the ramp entrance. DEAN also sent three of the reserve officers, names not recalled, out to the Commerce Street ramp entrance with instructions to keep all spectators across the street from in front of the ramp entrance.

Shortly after the search was completed, newsmen and photographers began arriving in the basement and setting up their equipment. For a few minutes after they began arriving, Sergeant DEAN moved around the basement area checking for any unauthorized persons. A few minutes after the search was completed, two patrol cars with two officers in each, and with a prisoner in each car came into the basement parking area from the Main Street entrance. The paddy wagon also came into the garage area driven by Officer C. G. LEWIS. DEAN observed that at the time the paddy wagon came down the ramp into the garage area, it was stopped by Sergeant PUTNAM at the bottom of the ramp to check the front seat and inside the wagon and determined they were empty. Sergeant PUTNAM then assigned two of the reserve officers to stand at the bottom of the Main Street ramp. These officers were between Officer VAUGHN, who was at the Main Street entrance, and the jail office door. One reserve officer was then sent to the Commerce and Pearl

91

Expressway to check traffic. The remaining reserve officers were instructed to go back into the assembly room in the basement of the Police and Courts Building for other assignments.

Sometime after the search of the basement area, Officer D. L. PATE came down into the basement and was assigned by DEAN to stand at the bottom of the exit ramp leading to Commerce Street.

It was DEAN's recollection that Officers stationed at the various entrances into the basement area began admitting pressmen, cameramen, and television men with equipment at approximately 9:45 AM and for some time thereafter these people were "milling around" in the basement area. At about 10:30 AM, Assistant Chief of Police BATCHELOR came down into the basement and moved all of the television men and pressmen and cameras out of the jail office and told them they would have to stay out in the parking area in front of the hall leading from the city jail office.

At about 11:15 AM, as DEAN was moving around in the basement area, Lieutenant PIERCE came down and instructed DEAN to get two officers immediately to go with PIERCE. By this time an armored car had arrived and backed into the opening of the Commerce Street ramp. DEAN assigned Sergeants PUTNAM and B. J. MAXEY to go with PIERCE, and these three officers got into an unmarked car and left by way of the Main Street opening on the north side of the building. Prior to leaving, PIERCE had told DEAN to go to the armored car and that he was to ride in the armored car with the prisoner. DEAN went to the rear of the armored car, the door of which was open, and stood with his back to the door of the car, looking down the ramp into the basement area. While standing in this position, he saw Lieutenant PIERCE and Sergeants PUTNAM and MAXEY get into the unmarked car and begin driving through the basement toward the Main Street ramp. He recalled that as this car passed the hallway leading into the jail office, Sergeant PUTNAM had to get out and move the crowd of pressmen and television men back so the car could get through. At the same time two other unmarked cars moved from the basement parking area and onto the Commerce Street ramp immediately behind the armored car. DEAN recognized the drivers of these cars as Homicide Bureau Detectives; however, he does not recall which detectives were in these cars.

About 30 seconds after Lieutenant PIERCE had driven out the Main Street ramp, DEAN heard commotion in the basement and comments, "Here he comes," and "They're bringing him down," and so forth. Just after he heard this commotion and comments, he saw a man dart quickly from the crowd, standing in front of the hall leading to the jail office. He then heard a shot and saw smoke

92.

C R 85

DEAN EXHIBIT No. 5008—Continued

rising above the crowd, apparently from the shot which had just been fired.

DEAN immediately ran down the ramp, jumping over the top of the two cars parked between him and the assembled crowd in the basement area. He did not see the prisoner LEE HARVEY OSWALD at this time or the actual shooting, as his view was obstructed by the crowd. When he got to where the shooting had occurred, other officers, including a number of Detectives from the Homicide Bureau were dragging a man into the jail office. At this time, DEAN recognized the man as JACK RUBY, operator of the Carousel Club in Dallas. As he went into the jail office, he saw LEE HARVEY OSWALD in the jail office receiving emergency treatment. He helped clear the crowd from the area to allow OSWALD to be placed in an ambulance. He then went to the third floor of the Police Building where he ran into Chief of Police CURRY, and CURRY asked him to take Secret Service Agent FOREST V. SORRELS up to the fifth floor to interview JACK RUBY.

DEAN said he would estimate there were about 60 persons altogether, including newsmen and police officers, in the basement at the time of the shooting of OSWALD; however, there may have been more, as he can only guess as to this number.

*RJD  
3/24/69*  
DEAN has known JACK RUBY since <sup>1960 or 1961</sup> 1959 as operator of the Carousel Club on Commerce Street in Dallas. At that time, DEAN was Sergeant over a patrol in the downtown section of Dallas, and as part of his routine checking of places of entertainment in the district he frequently saw RUBY at the Carousel Club. On occasion, when driving in the area with ~~another officer~~, he would go up to the Carousel Club usually once or twice a week. In addition, DEAN *AJH* said he had gone to the club with friends while off duty on ~~four~~ <sup>(3) times</sup> occasions during the time he had known JACK RUBY. RUBY was very friendly towards DEAN and other police officers and frequently when he ran into them on the street, he would invite them to come to his place and see the show. DEAN advised the four times he attended the Carousel Club while off duty, and the occasional contacts with RUBY in checking his place of entertainment, were the only contacts he had had with RUBY since becoming acquainted with him in 1959. He was never employed by RUBY and does not know of any other police officer who ever worked for RUBY at any of his clubs. DEAN advised that JACK RUBY had attempted to become friendly with him; however, he had kept his contacts with RUBY on an impersonal basis.

CR 85

DEAN EXHIBIT No. 5008—Continued

DEAN advised that since he was off duty on November 22 and 23, 1963, he did not observe RUBY on these dates and he had not observed RUBY on November 24, 1963, prior to the shooting of LEE HARVEY OSWALD in the basement of the Police Building.

DEAN advised that in 1960, he had received a notice from the Texas Liquor Control Board that RUBY's license to operate the Carousel Club had been suspended for three days for selling alcoholic beverages and on driving past RUBY's place he had seen he was open and had gone to RUBY's place to arrest RUBY for this violation; however, on arrival at the club, he had been told by RUBY that he, RUBY, had already served this three-day suspension. DEAN then checked by telephone with Lieutenant GILMORE of the Vice Squad and was informed that the suspension had been served and, therefore, had not arrested RUBY on this occasion.

DEAN advised he does not know of any unauthorized person or persons who were permitted to enter the basement area of the Police Building on November 24, 1963. He said he does not know of anyone who was permitted to enter the area without showing proper identification.

DEAN is not acquainted with, and had never seen, LEE HARVEY OSWALD prior to the time he saw him in the city jail office after he had been shot by JACK RUBY. DEAN has no knowledge of any association between RUBY and OSWALD.

DEAN advised that a few minutes after the shooting had occurred, and after he had recognized RUBY as the individual who had shot OSWALD, and after OSWALD had been removed from the police basement by ambulance, he, DEAN, went to Officer R. C. NELSON, who was stationed at the doorway leading from the Police and Courts Building into the basement, and asked NELSON if JACK RUBY had come into the basement area through that door. NELSON had told him that he was positive RUBY had not entered the basement by this means. Later on November 24, 1963, after JACK RUBY had been interviewed by police officers and had stated that he entered the basement through the Main Street ramp, he had gone to Officer R. E. VAUGHN, who had covered that entrance, and VAUGHN had told him that RUBY did not come into the basement through the Main Street ramp entrance.

A few minutes later, while on the fifth floor of the Police Building, and after SORRELS of Secret Service had interviewed JACK RUBY, DEAN asked RUBY how long he had been in the basement prior to the shooting, and RUBY told him he had been in the basement two or three minutes and that he had come into the basement

through the Main Street ramp. RUBY told him that a plain police car was coming out the Main Street ramp at the time he came in, and the officer who was stationed at the Main Street ramp had gone to this car to talk to the officer in the car, which RUBY believed was Lieutenant PIERCE. While the officer stationed at the Main Street ramp was talking to the officer in the car, RUBY had then gone into the entrance and down the ramp.

DEAN said he did not contact the two reserve officers who had been stationed at the bottom of the Main Street ramp, as they were not in the area at the time he checked with Officers NELSON and VAUGHN.

DEAN advised he could furnish no additional pertinent information.

"On Sunday, November 24, 1963 at approximately 9:00 A.M., I was advised by Lieutenant R. S. Pierce to take a group of men and thoroughly search the garage portion of the basement. This assignment was in preparation and security purposes in the transfer of Harvey Lee Oswald, W/M/24, to the County Jail from the City Jail.

"I then obtained thirteen (13) Reserve Officers from the Detail Room and with the aid of Sergeant J. A. Putnam, Officers L. E. Jez, and A. R. Brock we conducted a systematic search of the basement. The men were advised to check very carefully the cars, trucks, and the overhanging pipes, and air conditioning ducts. Before the search was started at the northern side of the basement, the following men were assigned at these locations:

"At approximately 11:00 A.M. an armored car was backed into the Commerce Street Exit to the basement.

"Shortly after, approximately 11:15 A.M., Lieutenant Pierce approached me just outside the Jail Office and advised me to ride in the Armored Car and to give him two (2) officers to go with him in his car. I advised Sergeant Putnam to get an unassigned man (Sergeant Maxey) and go with Lieutenant Pierce.

"I then went to the Armored Car and remained approximately five minutes until I heard the shot and saw the commotion at the bottom of the ramp which was approximately fifty (50) feet from me.

Subject: Interview Of Jack Ruby  
By Forrest V. Sorrells

Sir:

At approximately 11:30 A.M., November 24, 1963 Chief J. E. Curry approached me just outside his office and instructed me to escort Mr. Forrest V. Sorrells to the Fifth Floor Jail for the purpose of Mr. Sorrells interviewing Mr. Jack Ruby about his shooting of Lee Harvey Oswald, accused assassin of President Kennedy.

I was present throughout the interview and overheard the following questions asked of Ruby by Mr. Sorrells. After Sorrells introduced himself as a Secret Service Agent he asked Ruby why he had shot Oswald. Ruby stated he had thought about this for two days and decided it was senseless to have a long and lengthy trial and subject Mrs. Kennedy to having to return to Dallas for it.

Mr. Sorrells asked Ruby if he knew Oswald and he said, "No, there is no acquaintance or connection between Oswald and myself."

Sorrells then questioned Ruby about his heritage and Ruby told him that his father was born in Russia and his mother was born in Poland.

Sorrells asked Ruby if he had thought or planned to kill Oswald and Ruby stated he first thought of killing him when he observed Oswald in the showup room two nights prior. He stated the thought came to him when he observed the sarcastic sneer on Oswald's face when he was on the showup stage. He stated that when he saw Oswald on that night he thought it would be ridiculous to have a trial for him when he knew the results would be the death penalty, since Oswald had killed the President and Officer Tippit.

Ruby also stated that he and his sister were very emotional people and that his sister had just gotten out of the hospital and she also was taking this hard, and that with the facts of the incidents already known to him was the motivation for his shooting Oswald. Ruby then stated some words to the effect, "I also want the world to know that Jews do have guts."

Ruby's answers and appearance throughout the interview appeared rational to me with the exception to tears in his eyes when he referred to President Kennedy.

Sergeant PATRICK T. DEAN, Dallas Police Department, residence 2822 Nicholson Drive, furnished the following information:

On December 7, 1963, at approximately 1:30 P.M., DEAN received a telephone call at his residence from a person identifying himself as DARWIN PAYNE, representative of the "Dallas Times Herald" newspaper. Mr. PAYNE stated his reason for calling was to verify statements made by DEAN to the radio and television news media on November 24, 1963, shortly after the shooting of LEE HARVEY OSWALD in the basement of the Dallas Police Building. PAYNE then asked several questions pertaining to that interview on November 24, 1963. The questions asked by Mr. PAYNE seemed to be verbatim of the interview on November 24, 1963.

To the best of DEAN's recollection, the questions asked were as follows:

"Were you at the armored car when the shot was fired?"  
DEAN answered yes to this question.

"Did you see the person that fired the shot at the time it was fired?"  
DEAN answered no to this question.

"Did you see the person that fired the shot shortly after it was fired?"  
DEAN answered yes to this question.

"Where? Was he inside the jail office and on the floor at that time?"  
Answer - "Yes, he was on the floor and being restrained and handcuffed by several plain clothed officers."

"Did you recognize the subject at that time as a person you knew by sight?"  
Answer - Yes.

"Did you or had you seen this person prior to this time in or around the City Hall?"

Answer - No.

"And you didn't see this person enter from the Main Street ramp?"

Answer - definitely not.

The next question asked by PAYNE was, "Did you see anything at the time of the shooting?"

DEAN assumed by this question that he meant a flash from the gun fired and he asked him if this was what he meant and PAYNE said yes, whereupon, DEAN told him that he saw smoke from the blast and that he ran immediately to the scene to control the crowd.

DEAN said this terminated the questioning by Mr. PAYNE and DEAN inquired of PAYNE as to the reason for him calling as all of the information he asked about was old news. PAYNE then stated to DEAN that he was just verifying the results of the previous interview and that he did not really know what the "Dallas Times Herald" planned to do with the information. DEAN reiterated to PAYNE that he had not seen RUBY at any time before the shooting in or around the City Hall.

On Sunday, December 8, 1963, when DEAN arrived home, he noticed an article appearing in the "Dallas Times Herald" relative to an officer seeing JACK RUBY enter the police building prior to the shooting of LEE HARVEY OSWALD. After reading the article, DEAN reached the conclusion that this article possibly had evolved from the telephone conversation with Mr. DARWIN PAYNE on the previous day.

DEAN contacted a friend at the "Dallas Times Herald" to ascertain the identity of the reporter preparing the article appearing in the paper on December 8, 1963. He learned that DARWIN PAYNE had been on duty on December 7, 1963 and recognized PAYNE as being the name of the person who had called him.

DEAN called PAYNE at his residence and discussed the article with him and PAYNE stated he had not written the article but had only contacted DEAN to verify a previous interview.

DEAN advised the statement in this article that he had seen JACK RUBY enter the basement of the police building was false, that he had not seen RUBY enter the police building and he had not stated to anyone that he had seen RUBY enter the building prior to the shooting of OSWALD.

Mr. J. E. Curry  
Chief of Police

SUBJECT: Information concerning article  
published December 6, 1963,  
Dallas Times Herald.

Sir:

*J.T. Dean*

On December 7, 1963, at approximately 1:30 P.M., I received a telephone call at my home from a person identifying himself as Darwin Payne, representative of the Dallas Times Herald.

Mr. Payne stated his reason for calling was to verify statements made by me to the Radio and Television News Media on November 24, 1963 shortly after the assassination of Lee Harvey Oswald (accused assassinator of President John Fitzgerald Kennedy.)

Mr. Payne then asked several questions pertaining to that interview of November 24, 1963. Mr. Payne's questions seemed to be verbatim of the interview in question.

I will quote them as near as possible as they were asked, in their sequence and also my answers, which were nearly always in the affirmative or negative.

Mr. Payne: - "Were you at the Armored Car when the shot was fired?"

Answer: - "Yes."

Payne: - "Did you see the person that fired the shot at the time it was fired?"

Answer: - "No."

Payne: - "Did you see the person that fired the shot shortly after it was fired?"

Answer: - "Yes."

Payne: - "Where? Was he inside the jail office and on the floor at that time?"

Answer: - "Yes - he was on the floor and being restrained and handcuffed by several plainclothes officers."

Payne: - "Did you recognize the subject at that time as a person you knew by sight?"

Answer: - "Yes."

Dean Exhibit No. 5137

DEAN EXHIBIT No. 5137

Payne: - "Did you or had you seen this person prior to this time in or around the City Hall?"

Answer: - "No."

Payne: - "And you didn't see this person enter from the Main Street ramp?"

Answer: - "Definetely not."

Payne: - "Did you see anything at the time of the shooting?"

I assumed by this question that he meant a flash from the gunfire and I asked him was this what he meant and he said yes. I then advised him that I saw smoke from the blast, and I ran immediately to the scene to control the crowd.

This terminated his questions and I asked Mr. Payne the reason for him calling as all this was old news. He then stated he was just verifying this interview and that he didn't really know what the Times Herald was going to do with this information.

I made myself very clear to Mr. Payne that I had not seen Ruby at anytime before the shooting in or around the City Hall.

On Sunday when I arrived at my home I noticed the subject article and read same with much interest and reached the conclusion that this article possibly had evolved from the telephone conversation on the previous day.

I immediately called an acquaintance and friend that is employed by the Times Herald to ascertain the identity of the reporter and this person stated that he did not know who had written the article. I then noticed the name of a reporter in the same edition, Mr. Bob Henley, and I called him, identified myself and asked him if he could advise me who had written the article. Mr. Henley stated that he didn't know for sure and related several names of persons that would have been on duty and mentioned the name of this Darwin Payne. I recognized this as the person that had called me.

I then called Mr. Payne at his home, telephone WH 6-5892, and asked him if he had written the article and he stated that he did.

The following are questions and answers I asked of Mr. Payne during this telephone conversation.

Question: - "Why did you print that I had seen Ruby enter the basement?"

Mr. Payne then answered: - "Well, I thought that you had seen him."

Question: - "What led you to believe this?"

Answer: - "This was stated in your previous interview." (relating to the original interview of November 24, 1965.)

I then stated to Mr. Payne that I had never made such a statement to him or anyone to substantiate this conclusion. Mr. Payne then stated that he had read to me my original interview and I had confirmed all the statements in the article and that he could prove them. I advised him again that I had not, and then asked him where he had obtained a copy of my interview.

Mr. Payne then seemed to evade this question and asked me to let him call the person that had given him this assignment and that he would have him call me. I again asked him from whom he had received the assignment and he evaded again and then stated that he had not written the story, that he had only verified my previous interview. This was contradictory to his original statement, that he had written the story. He then asked me not to call the City Editor as he would contact him and advise him that I was protesting the article.

After asking him the third time Mr. Payne then stated Mr. Ken Smart (As I recollect, had assigned him the job.)

I then asked Mr. Payne if he didn't think such a statement on my part would jeopardize my job. He answered, "I imagine it would." I then thanked Mr. Payne and terminated the conversation.

At this time I contacted Captain C. E. Talbert and advised him that the article was relative to my conversation the previous day. Captain Talbert suggested I call Chief Fisher at home.

I tried to call Chief Fisher, also Chief Batchelor, and Chief Curry. I made no contact with anyone of these Chiefs. This was approximately 10:30 A.M.

I then called the Chief's offices downtown in an effort to locate one of them. Captain C. A. Jones answered and when I identified myself he (Captain Jones) advised me to come downtown, that he wanted to talk to me. I asked him was it regarding the article in the paper and he stated yes.

At no time during my conversations with Mr. Payne or anyone from the Times Herald was there any verbal abuse or altercation.

Respectfully submitted,

## FEDERAL BUREAU OF INVESTIGATION

1Date November 28, 1963

Sheriff J. E. "BILL" DECKER, Dallas County Sheriff's Office, was contacted and inquiry was made as to when he was first notified that LEE HARVEY OSWALD was to be turned over to his custody by the Dallas Police Department.

Sheriff DECKER stated he first learned OSWALD was to be brought to his jail from some member of the press, whose identity he does not recall, on November 23, 1963. This person advised that OSWALD was to be brought to the jail the following day. Sheriff DECKER stated on the same day, exact time not recalled by him, he picked up the telephone and called the Dallas Police Department concerning this matter. He stated he probably talked to Chief CURRY and/or to Captain WILL FRITZ but he had no independent recollection as to who he talked to and made no record of the calls. He stated he does recall that who ever he talked to at the Police Department corroborated the information he had received from the press. He stated he and the Police Department both knew that OSWALD was a "hot potato".

Sheriff DECKER stated he has no desire to discuss this matter further and does not desire to furnish any details of conversations he had with the Police Department, and declined to state whether he advised the Police Department that he had a preference as to the time of day the transfer of the prisoner should be made.

Sheriff J. E. (BILL) DECKER, Dallas Sheriff's Office, advised to his knowledge there is no State law governing transferring of prisoners from the Dallas City Jail to the Dallas County Jail. Sheriff DECKER states established procedure is as follows:

When charges filed with court of jurisdiction, upon issuance of a warrant to proper authority, prisoner then becomes subject to transfer to the County Jail within a reasonable time.

The Constables of all justice courts in which all felony cases originate, upon issuance of a warrant to them, may transfer prisoners from the City Jail to the County Jail. If warrant issued by the Justice of the Peace within the County, the Sheriff or appropriate Constable could serve process and remove prisoner from the City Jail to the County Jail. Dallas Police Department can also remove prisoners from the Dallas City Jail to the Dallas County Jail.

Sheriff DECKER stated with regard to his knowledge of planned removal of LEE HARVEY OSWALD by the Dallas Police Department from the City Jail to the Dallas County Jail, that all during the day of November 23, 1963, he had heard rumors from news media that OSWALD was to be removed November 23rd. Someone called from the Dallas Police Department on November 23, 1963, maybe Captain J. W. FRITZ, and indicated questioning of OSWALD was not quite completed, but removal might be that day. DECKER stated he told him that he would make necessary security check of a cell for OSWALD. About 6:00 PM, November 23, DECKER heard from some source that the time of removal for OSWALD had been set for 10:00 AM, November 24, 1963. DECKER stated he had his office confirm from the Dallas Police Department that this was true. DECKER does not recall who confirmed this for him.

Sheriff DECKER stated on the morning of November 24, 1963, Chief JESSE E. CURRY, Dallas Police Department, called and said he was going to use an armored truck to move OSWALD and wanted to know what DECKER thought about it. DECKER stated he told Chief CURRY that it would be up to CURRY to make decision on this. DECKER added the Dallas Sheriff's Office had no plans for participating in removal until OSWALD was delivered to the County Jail.

DECKER EXHIBIT No. 5323—Continued

On November 22, 1963, at approximately 11:15 AM, I was picked up at my office by Chief of Police Jesse Curry in his automobile and we proceeded to Love Field to await the arrival of President John F. Kennedy. After arriving at Love Field, Chief Curry and I were joined by Mr. Forrest Sorrells, Special Agent in Charge of the Dallas Office of the U. S. Secret Service and Mr. Winston G. Lawson, a Special Agent of the U. S. Secret Service White House Detail.

After the President's arrival, the Motorcade was formed with Motorcycle Escort first in Line followed directly by Chief Curry's automobile in which Chief Curry was driving, Mr. Lawson, riding in front right hand seat, Mr. Forrest Sorrells riding in rear right hand side of automobile and I was seated in the rear left hand side of car. The Presidential automobile was directly behind us as we escorted the Motorcade on its route through Dallas. There had been no incidents during the entire route of the motorcade and we arrived at Elm Street at approximately 12:31 PM. Mr. Lawson had just looked at his watch, stating it was 12:31 PM and remarking that we would be approximately 5 minutes late in arriving at Market Hall.

As the Motorcade was proceeding down Elm Street, I distinctly remember hearing 2 shots. As I heard the first retort, I looked back over my shoulder and saw what appeared to me to be a spray of water come out of the rear seat of the President's car. At this same moment, Mr. Lawson said, "Let's get out of here and get to the nearest hospital". When I heard the shots I noted motorcycle officers coming off their cycles and running up the embankment on Dealey Plaza. At the same time, Chief Curry was on his intercom radio giving instructions to the motorcycle escort to move out- Code 3 to Parkland Hospital. We moved out immediately at which time I took the microphone and requested the DPD Dispatcher 521 to advise my Station 5- Radioroom to notify all officers in my department to immediately get over to the area where shooting occurred and saturate the area of the park, railroad and all buildings, also advising all deputies to return to the station and stand by for emergency assignment. This was being done as we were proceeding Code 3 out Stemmons Expressway and was approximately 1½ to 2 minutes from the time the shooting occurred. We arrived within minutes at the Emergency entrance to Parkland Hospital where I got out of the car and stood at the side of the Presidential automobile while

DECKER EXHIBIT No. 5323—Continued

the President was removed from the automobile and placed on a stretcher carriage and taken into the emergency room. I waited until Governor Connally was also removed from the automobile and both Mrs. Kennedy and Mrs. Connally had also entered the hospital at which time I then went to an automobile belonging to the DPD, Homicide Division and requested them to return me to the scene of the shooting. I had seen Mr. Forrest Sorrells also get into another automobile which was also proceeding back towards the City, also proceeding Code 3.

Upon my arrival at the Texas School Book Depository Bldg, I observed many officers of my department present and I contacted Allan Sweatt, Chief Criminal Deputy of my Department and Inspector Sawyer of the Dallas Police Department and they were getting witnesses together and also informed me that the building was secured. I was advised that Deputy Sheriff Luke Mooney had found empty cartridges on the 6th floor of the building and that he was standing by waiting the arrival of the Crime Search Unit of the Dallas Police Department. Mr. Jimmy Kitching, Chief of Identification Bureau of my department had also arrived at the scene, however, I ordered him back to the Sheriff's Department and advised that the Crime Search Unit was enroute and we would hold secure any evidence

pending their arrival. Within a few moments the Crime Search Unit arrived and were permitted to enter the building.

At this time I was notified that another of my Deputies, Eugene Boone had found the rifle on the 6th floor of the building and I also advised him to stand by the evidence until the Crime Search Unit was ready to take over.

I then sent Chief Criminal Deputy Allan Sweatt back to the Sheriff's Office to see that statements were taken from witnesses who had been sent to the office earlier by both Deputy Sweatt and Inspector Sawyer.

At approximately 1:30 PM, I received word on Inspector Sawyer's car radio that a Dallas Police Officer had been shot on Jefferson Street in Oak Cliff and that the suspect was supposedly at large in the area on foot. I immediately got ahold of officers who were present including Deputy Sheriff's, Dallas Police Department Officers and FBI officers who were at the scene, advising them of the shooting and dispatched them to Oak Cliff to assist in the search. At this time, Officer Sweatt also reported to me that he had already sent 4 detectives to Oak Cliff to assist in the search for the suspect who had killed the police officer.

After my first arrival at the Texas School Book Depository Building from Parkland Hospital, Captain Fritz of the DPD, Homicide Division arrived and he ~~and~~ went on up into the Texas School Book Depository Building, leaving a pair of his officers down stairs where they opened up their automobile and brought out rifles to assist them in securing the building. Shortly thereafter Captain Fritz came to my office where he contacted his department by telephone and advised me that the suspect, Lee Harvey Oswald had been apprehended in the Texas Theatre in Oak Cliff. Also he advised me that Oswald had been employed in the Texas School Book Depository.

After arriving at my office, Allan Sweatt advised me that when the first of the witnesses had been brought to my office, that he had opened the Polygraph Room to be used for the interrogation of witnesses and that <sup>Deputy Sheriff</sup> /Mrs. Rosemary Allen, and Mr. Wallace Heitman, FBI Agent were interviewing and taking statements from the witnesses who seemed to have the most valuable information. Upon the arrival at my office of Mr. Forrest Sorrells, I had Chief Criminal Deputy Allan Sweatt take Mr. Sorrells to this room where Mr. Wallace Heitman and Mrs. Rosemary Allen were interviewing witnesses and taking statments.

After the capture of Oswald in the Texas Theatre, Deputy Sheriff E.R. Walthers contacted me and I ordered him and Deputies Harry Weatherford and J.L. Oxford to go to a house located at 2515 West 5th Street in Irving, Texas, to meet there Detectives Rose and Adamcik of the DPD, Homicide Division, which they did.

After gaining permission from Mrs. Ruth Payne and Mrs. Marina Oswald at this location, these officers searched the premises.

Mrs. Payne gave Deputy Walthers a telephone number where she said that Lee Oswald had been staying at, however, she stated she did not know the address. Officer Walthers then called me by public service giving me this information, whereupon I had Allan Sweatt, Chief Criminal Deputy and Deputy Clint Lewis attempt to locate this address, both by Criss-Cross and also verifying same through telephone company. Mr. Sweatt reported to me that the address to this telephone number was 1026 North Beckley.

At this time I requested that David Johnston, Justice of the Peace, to issue a search warrant for the premises at this address, which he did and he personally delivered the search warrant to that location for officers to search the premises. Information was obtained at this address from the landlady to the effect that a man by the name of O. H. Lee had been

living at this location for a period of two weeks.

All copies of statements were turned over to me for correlation and dissemination and I saw that copies of all statements were given to the Secret Service, the F.B.I. and the Dallas Police Department.

I have maintained the originals of all in my possession.

Officers of my department then started turning in supplemental reports to me as to their activities during and after the assassination. The 14 uniformed officers that had been assigned as security at the Market Hall were ordered returned to the station.

I remained in my office until approximately 9:30 PM, on Friday, November 22nd, remaining in contact with my office via telephone from my home. I returned to my office, Saturday morning at approximately 6:30AM. All during the day, Saturday, November 23rd, I remained in contact with the Dallas Police Department in the event they should have decided to move the prisoner, to the County Jail. Extra security provisions were made and special quarters prepared to receive the prisoner when the transfer would be made.

DECKER EXHIBIT No. 5323—Continued

The taking of statements from witnesses was continued on Saturday.

At approximately 3:30 PM, Saturday afternoon, I was advised from City Hall that the transfer of Oswald might take place.

At this time, it was noticeable that several hundreds of spectators were forming around the entrance to the County Jail and at this time, I notified the City of this action. I then ordered special officers to the area and began roping off area to keep spectators away from the drive-in entrance to the County Jail.

Late in the afternoon, after hearing several times that Oswald was ready to be transferred, the Press and other News Media, Cameras, TV, etc, began converging on the Sheriff's Office and County Jail area, trying to make plans for the use of electrical equipment, cameras, etc.

I remained in my office until approximately 8:00 PM when Jimmy Keer , WBAP, Channel 5, notified me that it was on TV that Oswald would be transferred to the County Jail at 10:00AM on Sunday morning, November 24th. I later confirmed this with City Hall. I remained in my office Saturday night until approximately 9:30 PM, at which time, I ordered Allan Sweatt, Chief Crim. Deputy and other Detectives who were on ~~Examination~~ this special assignment and Mrs. Rosemary Allen, who had all been standing by in the event they were needed, to go to their homes/

DECKER EXHIBIT No. 5323—Continued

I arrived at my office early Sunday morning to re-check all security measures that had been provided for the transfer of Oswald.

For additional security, I had placed all members of the Press in a small room adjoining my private office and had the doors to this room secured so that none of the Press could get to the prisoner as he was being brought into the jail.

I together with special members of my department were outside the drive in entrance to the County Jail, awaiting the arrival of Oswald, when we received a "flash" on live TV which was on in my office, that shots had been fired in the basement of the City Hall and that a riot was in progress.

At this time, the Press who had been secured in this room adjoining my office made effort to get out. I ordered the doors released and the Press proceeded to get to City Hall at great speed. I later learned that it was Oswald who had been shot in City Hall and that Jack Ruby had been taken in custody for the shooting. I was later notified that Oswald had died in the emergency room at Parkland Hospital.

I looked down real quick and rolled the film to take the next picture. I then ran down to the corner of Elm and Houston Streets, this being the southwest corner. I took another picture just as President Kennedy's car rounded the corner. Hewas just about all the way around the corner. I was standing back from the corner and had to take the pictures through some of the crowd. I ran on down Elm a little more and President Kennedy's car was starting to go down the hill to the triple underpass. I was running trying to keep the President's car in my view and was winding my film as I ran. I was looking down at my camera to see the number of the film as I ran. I took another picture as the President's car was going down the hill on Elm Street. I started to wind my film again and I heard a loud noise. I thought that this noise was either a firecracker or a car had backfired. I looked up and it seemed like there was another loud noise in the matter of a few seconds. I looked down the street and I could see the President's car and another one and they looked like the cars were stopped. Then I saw a flash of pink like someone standing up and then sitting back down in the car. Then I ran around so I could look over the back of a monument and I either saw the following then or when I was standing back down on the corner of Elm Street. I cannot remember exactly where I was when I saw the following: I heard at least two shots fired and I saw what looked like a firecracker going off in the president's car. My assumption for this was because I saw fragments going up in the air. I also saw a man in either the President's car or the car behind his and someone down in one of those cars pulled out what looked like a rifle. I also remember seeing what looked like a nickel revolver in someone's hand in the President's car or somewhere immediately around his car. Then the President's car sped on under the underpass. Police and a lot of spectators started running up the hill on the opposite side of the street from me to a fence of wood. I assumed that that was where the shot was fired from at that time. I kept watching the crowd. Then I came around the monument over to Main Street. I walked down toward where the President's car had stopped. I saw a Police Officer and some men in plain clothes. I don't know who they were. These Police Officers and the men in plain clothes were digging around in the dirt as if they were looking for a bullet. I walked back around the monument over to Elm Street where they were digging in the dirt. I went on across the street and up the embankment to where the fence is located. By this time almost all of the people had left. There were quite a few people down on the street crowded around a motorcycle. I was looking around the fence as the rumor had spread that that was where the shot had

I saw a group of men who looked like they might be officers and one of them turned out to be Deputy Sheriff Boone. I told him about the picture I had taken. Deputy Sheriff Boone contacted superiors and was told to bring me over to the Sheriff's Office. Deputy Sheriff Boone took my camera and asked me to wait. I waited in the Sheriff's Office and some time later, an hour or two, he brought my camera back and told me that as soon as they got through with the film and they were dry that they would give me the film. A little later he came in and gave me the negatives and told me that they were interested in a couple of pictures and implied that the negatives was all I was going to get back. I am here on business (oil business) and was walking down Elm Street trying to get a cab and there wasn't any. I heard people talking saying "My God the President has been shot." Police cars were passing me coming down toward the triple underpass and I walked up among many other people and this building was surrounded by police officers with guns and we were all watching them. I moved on up to the building across the street from the building that was surrounded and I ask one of the girls if there was a telephone that I could use and she said "Yes, there is one on the third floor of the building where I work". I walked through a passage to the elevator they were all getting on (freight elevator) and I got off on the third floor with all the other people and there was a lady using the pay telephone and I ask her if I could use it when she hung up and she said it was out of order and I tried to use it but with no success. I ask her how I can get out of this building and she said that there is an exit right there and then she said wait a minute here is the elevator now. I got on the elevator and returned to the ground floor and the colored man who ran the elevator said you are a stranger in this building and I ~~am~~ was not suppose to let you up and he ran outside to an officer and said to the officer that he had just taken me up and down in the elevator and the officer said for me to identify myself and I presented him with a credit card and he said well we have to check out everything and took me to his superior and said for me to wait and we will check it out. I was then taken to the Sheriff's office and interrogated.

Deposes and says:- I am presently employed by the Wallace and Beard Construction Company as a Steam fitter and have been so employed for about the past 7 weeks. I am working ~~on a pipe line~~ in the Katy Railroad yards at the West end of Pacific Street near the railroad tracks. We had knocked off for lunch and I had dinner at the cafeteria at Record and Main Street and had come back to see the President of the United States. I was sitting on a ledge or wall near the intersection of Houston Street and Elm Street near the red light pole. I was facing in a northerly direction looking not only at Elm street but I could see the large red brick building across the street ~~from~~ where I was sitting. I take this building across the street to be about 7 stories anyway in the east end of the building and the second row of windows from the top I saw a man in this window. I had seen him before the President's car arrived. He was just sitting up there looking down apparently waiting for the same thing I was to see the President. I did not notice anything unusual about this man. He was a white man in his early 30's, slender, nice looking, slender and would weigh about 165 to 175 pounds. He had on light colored clothing but definately not a suit. I proceeded to watch the President's car as it turned left at the corner where I was and about 50 yards from the intersection of Elm and Houston and to a point I would say the President's back was in line with the last window I have previously described I heard what I thought was a back fire. It run in my mind that it might be someone throwing firecrackers out the window of the red brick building and I looked up at the building. I then saw this man I have described in the window and he was taking aim with a high powered rifle. I could see all of the barrel of the gun. I do not know if it had a scope on it or not. I was looking at the man in this window at the time of the last explosion. Then this man let the gun down to his side and stepped down out of sight. He did not seem to be in any hurry. I could see this man from about his belt up. There was nothing unusual about him at all in appearance. I believe that I could identify this man if I ever saw him again.

I am married and have three children. I was standing with my wife and three year old boy, we were directly in front of the Stemmons Freeway sign, as the motorcade rounded the corner from Houston onto Elm.

When I saw the motorcade round the corner, the President was standing and waving to the crowd. And just as he got just about in front of me, he turned and waved at the crowd on this side of the street, the right side; at this point I heard what sounded like one shot, and I saw him, "The President," sit back in his seat and lean his head to his left side. At this point, I saw Mrs. Kennedy stand up and pull his head over in her lap, and then lay down over him as if to shield him.

And the two men in the front seat, I don't know who they were, looked back, and just about the time they looked back, the second shot was fired.

At this point, I looked behind me, to see whether it was a fireworks display or something. And then I saw a lot of people running for cover, behind the embankment there back up on the grass.

And at this point, I turned back around and saw the motorcade beginning to speed up, and everybody was laying down but the driver, of course. I didn't notice where it went.

My wife and I began seeking cover, and we went to our car, and then we told the policeman about what we knew.

I was with my husband and three year old child, we were standing at the corner where the sign says "Stemmons Freeway" to the right.

As the President was coming through, I heard this first shot, and the President fell to his left. The President's wife immediately stood over him, and she pulled him up, and lay him down in the seat, and she stood up over him in the car. The President was standing and waving and smiling at the people when the shot happened.

And then there was a second shot that I heard, after the President's wife had pulled him down in the seat. It came from what I thought was behind us and I looked but I couldn't see anything.

The two men in the front of the car stood up, and then when the second shot was fired, they all fell down and the car took off just like that. After the motorcade went by, after that, I jumped up and headed for my car, we were parked up on the freeway. A police patrolman came up where we were, and we told him what we saw.

Today, November 22nd, 1963, I was with Ronald Fischer, and we were on the corner at Elm and Houston, and I happened to look up there at the building, the Texas School Book Depository Building, and I saw a man at the window on the fifth floor, the window was wide open all the way; there was a stack of boxes around him, I could see. Bob remarked that he must be hiding from somebody. I noticed that he had on a sport shirt, it was light colored, it was yellow or white, something to that effect, and his hair was rather short; I thought he might be something around twenty-six, as near as I could tell.

The motorcade rounded the corner about this time, and then I thought I heard four shots, but it never occurred to us what it was. The shots seemed to come from that building there.

Today, November 22nd, 1963, I was with Robert E. I looked up at the window and I noticed that he seemed to be laying down there or in a funny position anyway, because all I could see was his head. I noticed that he was light-headed and that he had on an open-neck shirt, and that was before the motorcade rounded the corner. I noticed his complexion seemed to be clear, and that he was in his twenty's, appeared to be in his twenty's.

I turned away and by that time the motorcade rounded the corner. And then I heard what I thought was three shots, and the motorcade was about where that Stemmons Freeway sign is there.

I do remember one peculiar thing happened just at the time I saw the man up there. There was a girl walked in the Texas School Book Depository Building, a rather tall girl, and looked to me like she might be an employee in that building. She was walking in while everyone else had been coming out.

I do not know the name of this place and I went in and had a grilled cheese sandwich with a friend of mine, Richard Bartholow, who works at the National Bank of Commerce. They had a radio going on in the cafe, two gentlemen that were seated at the table next to us had the radio on. And something came on the radio about the President being shot at, so I walked out with this other boy and he went on the bank and I walked down to the railroad tracks at Pacific and Houston Street. I was walking parallel to some of the tracks and there were quite a few other people walking in the same direction I was going. I stopped on east side of Houston street across the street from the Texas School Book Depository. I stood there for a few minutes and then a lady that was standing next to me, I asked her where there was a telephone, and she said that the only pay phone that she knew of was in the County Records building. She said that there were a lot of phones on the third floor of this building that I was standing in front of. She said that she worked on the third floor and there was probably a phone up there that I could use. So I rode up the elevator with this lady and got off on the third floor with this lady and we walked to the information desk and this lady went on back to her department, to her spot. So then I, there was a lady at the information desk and I asked her if I could borrow her telephone and she said that all the lines were busy, or something to that effect. So I stood there for a minute and a fellow walked up to me. He asked me what I wanted and he told me that I couldn't use the phone. So I walked back down the elevator and rode it back down to the lobby. As soon as I got to the lobby I walked back outside and the fellow that I had talked to about using the phone was pointing out the window, pointing toward me and said that I was the man that was on the third floor. At this time two officers walked up and said for me to come with them. These officers brought me to the County Sheriff's Office. At no time did I see anyone leaving the building, the Texas School Book Depository, while I was across the street from it.

Just before Noon today, my friend John Stevens Rutter Lawrence, who works with me, and I and two other friends left the Texaco Building where we work going to the parade. We were walking down Commerce up to Main and Main to Akard and while we were walking up Akard towards Main Street we passed a man who was carrying a rifle in a gun case. I saw this man walking towards me, walking towards Commerce, and took particular attention to him because of his size. I am 6'5" and weigh 200 pounds. This man was very tall, approx 6'6" or 6'7" over 250 pounds, very thick and big through the chest, in his 30's, dirty blonde hair worn in a crew cut. Was wearing a grey colored business suit with white dress shirt, fair complexion. I remarked to my friend that there was a guy carrying a gun in all this crowd and made the remark that he was probably a secret service man. I could very easily identify this man if I ever saw him again. The gun case was holding a rifle because I could tell there was a gun in it as it was a combination leather and cloth gun case and without a gun, it would have been limp, but it was heavy and he was carrying it by the handle and the barrell of the gun was up at a 45 degree angle. It was beigh or tan leather and olive drab material.

We can place the time that we saw this man walking with the gun as I recall someone in the crowd asking for the time and they said it was 11:50A.M.

When President Kennedy's car got almost down to the underpass, I heard two shots ring out. They sounded like they came from immediately behind us and over our heads. We did see the shooting. I immediately turned and looked at the Texas Book Depository building and did not see anyone. The shots sounded like they definitely came from in or around the building. I grabbed my wife because I didn't know where the next shot was coming from and dragged her up next to the concrete embankment and threw her down on the ground and got on the ground with her. Then there was utter confusion. The Police rushed toward the railroad tracks and I finally found an officer to go to the Texas Book Depository Building. The officer I contacted was Officer Wiseman of the Dallas Sheriff's Department.

Mary and I were wanting to take some pictures of<sup>th</sup> the President so we purposely tried to find a place that was open where no people was around and we had been standing half way down toward the underpass on Elm Street on the south side. We were the only people in that area and we were standing right at the curb. The President's car came around the corner and it was over on our side of the street. Just as Mary Moorman started to take a picture we were looking at the president and Jackie in the back seat and they looking at a little dog between them. Just as the president looked up toward us two shots rang out and I saw the President grab his chest and fall forward across Jackie's lap and she fell across his back and said "My God he has been shot". There was an instant pause between the first two shots and the motorcade seemingly halted for an instant and three or four more shots rang out and the motorcade sped away. I thought I saw some men in plain clothes shooting back but everything was such a blur and Mary was pulling on my leg saying "Get down they are shooting". I looked across the street and up the hill and saw a man running toward the monument and I started running over there. By the time I got up to the rail road tracks some policeman that I suppose were in the motorcade or near by had also arrived and was turning us back and as I came back down the hill Mr. Featherstone of the Times Herald had gotten to Mary and ask her for her picture she had taken of the President, and he brought us to the press room down at the Sheriff's office and ask to stay.

I was standing on top of the triple underpass and the President's Car was coming down Elm Street and when they got just about to the Arcade I heard what I thought for the moment was a fire cracker and he slumped over and I looked over toward the arcade and trees and saw a puff of smoke come from the trees and I heard three more shots after the first shot but that was the only puff of smoke I saw. I immediately ran around to where I could see behind the arcade and did not see anyone running from there. But the puff of smoke I saw definitely came from behind the arcade through the trees. After the first shot the President slumped over and Mrs. Kennedy jumped up and tried to get over in the back seat to him and then the second shot rang out. After the first shot the secret service man raised up in the seat with a machine gun and then dropped back down in the seat. And they immediately sped off. Everything is spinning in my head and if I remember anything else later I will come back and tell Bill.

My position is to take care of the property located on the West side of Houston Street between Houston Street and the Tripple Underpass. I also take care of the fountain in front of the Union Terminal. This day I was sitting on the front steps of the slopping area and about half way down the steps. There was another man sitting there with me. He was sitting on my left and we were both facing the street with our backs to the railroad yards and the brick building. At the same time the President's car was directly in front of us, I heard a shot and I saw the President fall over in the seat. I do not know who this other man was that was sitting beside me. In our conversation he talked about having a hard time finding a place to park. He also talked about working somewhere over on Industrial Blvd. This man said Lay down and we did. I definately heard 3 shots. The shots that I heard definately came from behind and above me. When I laid down on the ground, I laid on my right side and my view was still toward the street where the President's car had passed. I did look around but I did not see anything unusual, either anyone running and I did not see any firearms at all. This shot sounded to me like a high powered rifle.

Today at about 11:45AM, me and Phil Hathaway and two other fellows left the Texaco Building, where we all work together, to go see the parade and President Kennedy. In just a few minutes after we got out on the street and walking down Akard, Phil called to my attention a big man and said he was carrying a rifle. I looked and saw the man but due to a big rush of noontime people, I did not see the rifle. I took particular attention to him because of his size. I was walking with my friend Phil Hathaway who is 6'5" and this man was fairly close to his size, maybe a little taller, he was very thick chested and big through the shoulders, maybe 250 pounds or more, but no fat, he gave me the impression of perhaps a professional football player. He had dirty blonde hair and was a short crew cut. He was approximately in his 30's. He was wearing a business suit and I believe it was light in color, perhaps tan, a white business shirt. I could identify this man if I ever saw him again.

On November 22, 1963, I was driving a rented White Valiant automobile west on Elm Street and was proceeding to the overpass in a westerly direction and at a point about 45 or 50 feet east of the overhead signs of the right entrance road to the overpass, there was a truck parked on the right hand side of the road. The truck looked like it had 1 or 2 wheels up on the curb. The hood of the truck was open. On the drivers side of the truck, there were printed letters in black, oval shaped, which said, "Air Conditioning". This was a pickup truck and along the back side of the truck were what appeared to be tool boxes. The truck was a green Ford with a Texas license. I remember seeing the word "Ford" at the back of the truck.

A man was sitting under the wheel of the car and slouched over the wheel. This man had on a green jacket, was a white male and about his 40's and was heavy set. I did not see him too clearly. Another man was at the back of the truck and reached over the tailgate and took out from the truck what appeared to be a gun case. This case was about 8" wide at it's widest spot and tapered down to a width of about 4" or 5". It was brown in color. It had a handle and was about 3½ to 4 feet long. The man who took this out of the truck then proceeded to walk away from the truck and as he did, the small end of the case caught in the grass or sidewalk and he reached down to free it. He then proceeded to walk across the grass and up the grassy hill which forms part of the overpass. This is the last I saw of this man.

I had been delayed because the truck which I described above was blocking my passage and I had to await until the lane to my left cleared so I could go by the truck.

During the time that I was at this point and observed the above incident there were 3 policeman standing talking near a motorcycle on the bridge just west of me.

The man who took what appeared to be the gun case out of the truck was a white male, who appeared to be in his late 20's or early 30's and he was

About five or ten minutes before the President came by I observed a truck from Honest Joe's Pawn Shop, and parked by the Book Depository Store. Then drove off about five or ten minutes before the President's car came by. Just after the President's car passed, I heard three shots come from up toward Houston and Elm right by the Book Depository Building, and then immediately I heard two more shots come from the Arcade between the Book Store and the Underpass, and then three more shots came from the same direction only sounded further back. It sounded approximately like a 45 automatic, or a high powered rifle. Then everybody started running up the hill. A man standing on the South side of Elm Street, was either hit in the foot, or the ankle and fell down. And then I went on back to work.

As President Kennedy was opposite me, I took a picture of him. As I snapped the picture of President Kennedy, I heard a shot ring out. President Kennedy kind of slumped over. Then I heard another shot ring out and Mrs. Kennedy jumped up in the car and said, "My God, he has been shot." When I heard these shots ring out, I fell to the ground to keep from being hit myself. I heard three or four shots in all. After the pictures I took were developed, the Picture of President Kennedy showed him slumped over. When the pictures were developed, they came out real light. These pictures have been turned over to Officers investigating this incident.

We were the last people in line going toward the underpass. When President Kennedy's car was about ten feet from us, I heard a noise that sounded like a firecracker going off. President Kennedy kind of jumped like he was startled and covered his head with his hands and then raised up. After I heard the first shot, another shot sounded and Governor Connally kind of grabbed his chest and lay back on the seat of the car. When I first saw and heard all of this, I thought it was all of a joke. Just about the time President Kennedy was right in front of us, I heard another shot ring out and the President put his hands up to his head. I saw blood all over the side of his head. About this time Mrs. Kennedy grabbed the President and he kind of lay over to the side kind of in her arms. Then my husband, Billy, said it is a shot. We grabbed our two children and my husband lay on one child and I lay on the other one on the grass. We started to get up and then all of a sudden we lay back down. I don't know what it was but another shot may have been fired that caused us to lay back down. Everyone started running back toward the brick structure. We got up and went back there. Everyone was saying, "What happened? What happened.?" Some man from Channel 8 here in Dallas took us over to the studio where we gave statements of what we had seen. This is all I saw of know of the incident.

My name is Jean Newman, I live with my parents, my father's name is G. C. Kimbriel. I work at the Rheem Manufacturing Company.

I was standing right on this side of the Stemmons Freeway sign, about half-way between the sign and the edge of the building on the corner. I was by myself, there were other people around watching the motorcade. The motorcade had just passed me when I heard something that I thought was a firecracker at first, and the President had just passed me, because after he had just passed, there was a loud report, it just scared me, and I noticed that the President jumped, he sort of ducked his head down and I thought at the time that it probably scared him, too, just like it did me, because he flinched, like he jumped. I saw him put his elbows like this, with his hands on his chest.

By this time, the motorcade never did stop, and the President fell to his left and his wife jumped up on her knees, I believe it was, in the back of the car on her knees, I couldn't say that for sure. And I realized then it had been a shot. I looked in the car and she was on her knees, and he wasn't even visible in the car. I looked around then and everybody was running every which way, I don't know why I didn't run, I just stood there and backed up and looked around to see if I could see anything, but I saw no one whatever with anything that resembled a gun or anything of that kind.

I just heard two shots. When it happened, I was just looking at the President and his wife, and when she jumped up in the car, I had my vision focused on her, and I didn't see anything else, about the others in the front of the car.

The first impression I had was that the shots came from my right.

The President jumped up in his seat, and it looked like what I thought was a firecracker had went off and I thought he had realized it. It was just like an explosion and he was standing up. By this time he was directly in front of us and I was looking directly at him when he was hit in the side of the head. Then he fell back and Governor Connally was holding his middle section. Then we fell down on the grass as it seemed that we were in direct path of fire. It looked like Mrs. Kennedy jumped on top of the President. He kinda fell back and it looked like she was holding him. Then the car sped away and everybody in that area had run upon top of that little mound. I thought the shot had come from the garden directly behind me, that was on an elevation from where I was as I was right on the curb. I do not recall looking toward the Texas School Book Depository. I looked back in the vicinity of the garden.

We had taken a position at the side entrance of the Sheriff's Office on Houston Street and were standing there talking. We talked about security measures for the President and had talked about the recent affair with Mr. Stevenson. Arnold told me to look up at the building which was the Texas Book Depository at two adjoining open windows, that there was a man up there holding a rifle and he must be a secret service man. I looked up and Arnold told me he had moved back, but I didn't see anything because I am very nearsighted and I didn't have my glasses on. We didn't think anything more of this and in about 15 minutes the President passed where we were standing and turned left onto Elm Street and started down towards the underpass when I heard a report and thought it was a backfire then in a few seconds another report sounded and in another few seconds the third report. We started running towards Elm Street and that is all I know.

We took position at the west entrance of the Sheriff's Office on Houston Street. We stood there for a time talking about various things and were talking about the security measures that were being made for the president's visit in view of the recent trouble when Mr. Adalai Stevenson had been a recent visitor to Dallas. It must have been 5 or 10 minutes later when we were just looking at the surrounding buildings when I looked up at the Texas Book ~~Supply~~ building and noticed that the second floor from the top had two adjoining windows which were wide open, and upon looking I saw what I thought was a man standing back about 15 feet from the windows and was holding in his arms what appeared to be a hi powered rifle because it looked as though it had a scope on it. He appeared to be holding this at a parade rest sort of position. I mentioned this to my wife and merely made the remark that it must be the secret service men. This man appeared to be a white man and appeared to have a light colored shirt on, open at the neck. He appeared to be of slender build and appeared to have dark hair. In about 15 minutes President Kennedy passed the spot where we were standing and the motorcade had just turned west on Elm heading down the hill when I heard a noise which I thought to be a back fire. In fact some of the people around laughed and then in about 8 seconds I heard another report and in about 3 seconds a third report. My wife, who had ahold of my hand, started running and dragging me across the street and I never did look up again at this window.

This statement is true and correct to the best of my knowledge and belief.

I was standing there when the President's car passed and just after they rounded the corner from Houston onto Elm Street, I heard a report and I knew at once that it was a high-powered rifle shot. I am a gih big game hunter and am familiar with the sound of hi powered rifles and I knew when I heard the retort that the shot had hit something. Within a ~~few~~ few seconds I heard another retort and knew it also had hit something and all I could see was the highly colored hat that Mrs. Kennedy had on. I couldn't see anything else. I was so sick that I went back to my office but after thinking it over, I came back as a citizen to offer my statement if it could help in any way. During the time I was standing there I did look up into the building where the Texas Book Depository is and saw some people, maybe 12 or 14, hanging out of windows, but I didn't see anyone with a gun.

When the sound of this shot came, it sounded to me like this shot came from away back or from within a building. I have heard this same sort of sound when a shot has come from within a cave, as I have been on many big game hunts.

I was standing on top of the train trestle where it crosses Elm Street with Austin Miller. We saw the motorcade come around the corner and I heard something which I thought was fireworks. I saw something hit the pavement at the left rear of the car, then the car got in the right hand lane and I heard two more shots. I heard a woman sa "Oh no" or something and grab a man inside the car. I then heard another shot and saw the bullet hit the pavement. The concrete was knocked to the South away from the car. ~~ixxx~~ It hit the pavement in the left or middle lane. I then went down to my car radio to see if I could find out what happened. After I came back up, a policeman asked me if I had seen anything and brought me to the Sheriff's Office.

Last Tuesday evening at approximately 12:15 AM (Wednesday morning), a lady friend and myself jxx we had made an acquaintance, of a man who invited us to his Motel for some after hours drinking (after 12 at night). I don't have his name but I have the license number of the car he was driving. I left my car at the parking lot near the Baker Hotel, in Dallas, and we proceeded to his motel, a large kitchenette motel, as you go across the Houston street ~~xxxxxx~~ viaduct it is the first motel on the right, it's a big white motel, not too modern, I don't know the name of it. After the three of us got to his motel, where he was previously registered, we had a few drinks in his room. He proceeded to enterxx tain us with a mandolin and seemed to be pretty good with it. We had been there about 30 minutes, as well as I remember. About this time this fellow began to make indecent remarks to the woman, to the effect that he wanted her to get in bed with him. We had all been drinking, I was fairly well polluted, more so than the others but still had my mental and reasoning powers. At this point I objected to his language and overtures and we became involved in an argument of words. Something came up to the effect that he ~~xxx~~ must be a queer or something. Then he tells me to get the hell out of there and if there's not going to be a party get the hell out of the place, I believe is the way he said it; and as I turned to walk toward the door and told the woman with me let's go, he pulled a rifle out of the closet, and put a round into the chamber, pointed it at me, and said: "Leave "... in so many words that's what it amounted to. As the woman and I got to the door he said, "I should make you strip and let me see your beautiful body." With that we walked out the door. He left the rifle inside the room and came outside and told us to get into the car and he would take us back to our car. When we got back to the parking lot where we had previously left ~~ENTER~~ my car, after some more conversation to the effect that I didn't appreciate what he had done and this and that, then he pulls a pistol -- I don't know where it came from, whether from his pocket or from the seat of the car on the left. He had the pistol in his lefthand. We were still in his car just as we were about to get out. And he said to sit still. And the woman put her hand on the barrel of the gun and told him to point it the other way, she was scared. I said to her, "Let's go." And opened the car door. We got out of the car and walked over to our car, which was about six feet away from his at the time. As he drove off in his car, the woman and I both got the ~~xxxxxx~~ license number on his car, and we each repeated it aloud to each other, I continued to repeat the number until we got in my car and the woman wrote the number down on the back of a check book that was laying on the dash of my car. That was the last I saw of him. This man, to the best of my recollection, was approximately five foot eight inches tall, weighing approximately 175 pounds; with dark hair; normal complexion; approximately 30 years old. He didn't appear to be a learned person, that is too well educated, and did not appear to be ignorant by any means.

The woman friend says that he had real wavy black hair and was in her opinion about five foot ten, and would weigh about 165, and about 30 years old.

The best I can describe the rifle, it appeared to be well kept, a deer rifle or something, I don't know too much about guns; it I know it was not a .22; I know that it was a larger caliber gun, perhaps in my judgment a 303 caliber...that would be my guess what it would be. It had a chrome appearance about it somewhere.

I heard him cock the pistol as he told us to sit still, and I got a very dim look at the gun, it seemed a long barrel like a police officer normally carries.

We both agreed it was a light green car, a new model somewhat on the smaller side, about like the appearance of a Chevy II. She says it was an extremely light green. The License Number on the car was EK--- CD 1583 Texas.

After the tragic incidents that have occurred in Dallas this date, upon hearing about the killing of the police officer I thought about the incidents related above about the man with the rifle in the car, and for these reasons I decided to give the information contained herein to the proper authorities for whatever value it may have.

Yesterday, at 12:00 Noon, this fellow Lee says to me, "I'm going up to eat" and I went on to my lunch. I went to a front window on the first floor and ate my lunch and waited to see the President's parade go by. I saw the president pass and heard some shots and looked at the clock there and saw it was 12:25PM. The shots seemed to me like they came from up inside the building. It was about 1:00 PM when the police made us vacate the building and as we were being checked out, I noticed that "Lee" wasn't with us and I mentioned to some of the employees there checking out that Lee wasn't there and somebody said, he must have already gone out. This man Lee has never talked much to anyone and hardly ever said anything to me. He kept pretty much to himself and hardly even answer when I would say "Goodmorning".

Yesterday, November 22, 1963, I was standing on the terrace of the small park on Elm Street to watch the President's motorcade. The President's car had just come up in front of me when I heard a shot and saw the President slump down in the car and heard Mrs. Kennedy say, "Oh, no", then a second shot and then I hit the ground as I realized these were shots. Then all of the people started running up the terrace away from the President's car and I got up and started running also, not realizing what had happened. In just a few moments the President's car sped off and everybody was just running around towards the railroad tracks and I knew that they had somebody trapped up there. I imagine I stayed there 15 or 20 minutes and then went over on Houston Street to where I had my truck parked. I had just pulled away from the curb and was headed toward the Houston street viaduct when an automobile that had 3 men in it pulled away from the curb in a burst of speed, passing me on the right side, which was very dangerous at that point, then got in front of me, and it seemed then as an afterthought, slowed in a big hurry in front of me as though realizing they would be conspicuous in speeding. These three men were of slender build and seemed to be very excited in talking and motioning to each other. They went across the Houston Street Viaduct and I turned off at Marsalis Street exit and they continued on going towards Zangs Blvd. They were in a 1961 or 1962 Chevrolet sedan, maroon in color. I ~~don't~~ don't believe I could identify these men, but I do believe I could identify the automobile if I saw it again.

The telephone number there is FR 6-6766. On Saturday, November the 16th, 1963 a man whose name I do not know moved into the cottage behind 2503 Kilburn that he rented from Mrs. Rogers. He rented this cottage for 1 week. Another man has been to this cottage named D. H. McFadin. McFadin is about 26 or 27 years of age, dark hair, heavy build, 160 to 170 pounds. The other man I have not seen but one time and I can not be sure of a good description on him. These two men either come in late at night or early in the mornings. One other odd thing is that they always park their cars by backing them into the driveway. One of the cars is a two tone Pontiac about a 58 model and the other one is a foreign made car and is black. They both bear Texas license plates. Last Friday night I had been over to my girl friend's house and had left there about 11pm and went directly home. This took me about 20 minutes, as I went directly home. I then went to bed and sometime, I think it must have been early Saturday morning, I heard voices outside my window on the walk. One person was saying "Well it's over". The other man said "Keep Quiet, that guy is probably still awake". I heard nothing else, and went on back to sleep. This morning Mrs. Rogers told me that she had not seen them anymore and I went out to the cottage and looked around. I found 3, 30-30 calibre shells a photograph taken at Guthries at Corinth and Industrial and another picture and a letter and an envelope. I picked up these things after thinking about what had happened and the conversation I had overheard and brought them to the Dallas County Sheriff's Office. To me these two men have acted peculiar all week and after hearing them early Saturday morning, they have disappeared. The man shown in the picture from Guthrie's is the McFadin man.

Date November 23 1963

On Friday, November 22, 1963, at about 12:30 PM, I was standing in front of the Sheriff's Office watching the Presidential Motorcade. The President's car had passed my location a couple of minutes when I heard a loud report which I thought was a railroad torpedo, as it sounded as if it came from the railroad yard. Thinking, this was a heck of a time for one to go off, then I heard a 2nd report which had more of an echo report and thought to myself, that this was a rifle and I started towards the corner when I heard the 3rd report. By this time I was running towards the railroad yards where the sound seemed to come from. I got with Deputy Allan Sweatt and was searching the tracks and cars, etc, then someone said the shots came from above. I then went to the Elm Street loading gates of the Texas School Book Depository where I met Deputies Ralph Walters, Luke Mooney, Eugene Boone and Sam Webster. We all went into the building and proceeded to the first floor by way of the stairs. I jumped out the first window onto the roof of the adjoining covered loading dock. I then searched the roof for any expended shell cases, as at this time we were trying to find just where the shots came from and if they were fired from the west side of the building they possibly could have fallen onto this roof. Finding no shells, I then climbed into the window and started searching the first floor, with an unknown DPD detective. Then learning other officers were searching this first floor, I went to the top floor to start down with each floor. Looking over the 7th floor to no avail, I came down to the 6th floor and while searching this floor, Deputy Luke Mooney said, "here are some shells". I went over to where he was and saw 3 expended rifle shells, a sack on the floor and a partially eaten piece of chicken on top of one of the cartons which was used as sort of a barricade, advising Mooney to preserve the scene for the Crime Lab. I then proceeded to look for the rifle as it was possible it was still on this floor. After several minutes passed, I was about 10 feet from Deputy Boone when he found the rifle with a light he was using. This also was preserved for the Crime Lab.

I then left the building and went to the Sheriff's Office to contact Sheriff Decker and report our findings. While we were standing in the hall talking, Sheriff Decker gave me a piece of paper with an address of 2515 W. 5th Street, Irving. He said to get Deputies E. R. Buddy Walthers and U.L. Oxford and go see what we could find at this location as this man that shot the officer in Oak Cliff by the name of Oswald supposedly live at this location and further that we were to meet some of Capt. Fritz's officers at this address. Upon arrival at the address, we saw a DPD plain clothes car about 1/2 block from the address. In this car was Detectives Rose and Adameik and another officer whom I did not know. We went to the door and knocked and a Mrs. Payne came to the door. I showed her my ID and told her we were from the Sheriff's Office and she invited us in. She also asked if it pertained to the shooting and we told her yes. She introduced us to Mrs Marina Oswald and advised us that she could talk only a very few words in English, that she was Russian, and that she would interpret anything we wanted to know. We told Mrs. Payne we wanted to search her home and she told us to go ahead, that she understood.

I stayed with Mrs. Oswald and Mrs. Payne while the rest of the men searched the house. They found some literature on Cuban Freedom affairs and some small files and a blanket which looked to have been wrapped around a rifle.

While standing near the phone bar, I saw a black telephone address book which I picked up and thumbed through, finding in the "O's" the name of Lee Oswald. Texas School Book Depository and the telephone number. Then another phone number, which I believe was written in pencil. I asked what this number was, pointing to this pencil number, and Mrs. Payne said that is the phone where Lee was living. I gave this number to Deputy Buddy Walthers and told him to call the Sheriff and advise him of our findings. That this was all fitting in together with the Assassination of President Kennedy.

We then loaded all of our findings into our car and Brought them and

Mr. Decker:

I was standing on Main Street in front of the Criminal Courts Building the morning of November 22, 1963, and observed the Presidential procession pass by. Just after it had turned the corner and a very short time later I heard what was shots, 3 in number. I ran around the corner and directly across the street across the Dealy Plaza to the Elm street side of the triple underpass. As we were running across the street, we could see the presidential car pulling away under the underpass and we continued on to the immediate area. Some stopped to talk to people standing there as there were a number of women who were hysterical. We could not get any information except that the President had been shot. Several of the other officers in the group ran on into the freight yards. After we failed to get any coherent information from people there, we began searching the area and possible 5 or 6 minutes after the time we reached the area, we went from there to the Texas School Book Depository and 7 of us went inside. We were the first ones into the building from the front door and several of us searched the first floor and moved on up into the building. I took the back stairs and went first to the 5th floor. I did not see anything on this floor and continued on up to the 6th floor and by that time officers Mooney and Grandstaff were on the 6th floor. They told me that Officers Webster and Victory had gone to the 7th floor and I went on up there. As I started up there, Webster came to the head of the stairs and said they needed lights. I left the building and came to the Sheriff's Office to get the needed lights. On the way to the office, I picked up Deputy L. C. Smith and then met Deputy Eugene Boone whom I had previously sent to the jail with a young boy to get film out of a camera. We then together went to the jail and got some lights and returned to the Texas School Book Depository building. We took 4 lights to the 7th floor and we stopped on the 6th floor where Officers Mooney and Grandstaff were searching the floor. The other boys took the remaining lights to the 7th floor. They had, by this time, ascertained that there was no one on this floor, so we started a thorough search of the 6th floor

and almost immediately, Deputy Luke Mooney called out that he had found some shells in the southeast corner of the floor. I was approximately 8 feet from Mooney when he discovered the shells. I crawled up on a stack of pasteboard boxes full of books and looked at the sport. Mooney then leaned out the window and called down to Sheriff Decker who was standing on the sidewalk in front of the building, requesting the Sheriff to come upstairs, that he had found the shells. At this time there were numerous City officers gathering on the streets. About 3 minutes after Deputy Mooney had called out, Chief Lumpkin and several officers from the police department came to the 6th floor and told us not to touch anything. Approximately 5 minutes later, Capt. Will Fritz and several of his officers came onto this floor. There were about 8 to 10 officers on this floor by this time and we had already started a systematic search of the floor, looking for the weapon. About 2 minutes after Capt. Fritz had arrived on the floor, Deputy Eugene Boone called out that he had found the rifle shoved down between 2 rows of pasteboard boxes of books. Capt. Fritz took over the search at this time and one of the other Deputies who had been in the building came and told us that Sheriff Decker had given orders to let the City take over the investigation and for the Deputies to return to the Sheriff's Office, which we did. We then brought the lights back and put them up and by this time the Sheriff's Office was so full of people and witnesses that no one could move around. I stayed at my desk awaiting further instructions. At approximately 7:00 PM Sheriff Decker told us that we should go home and that we were to stay on call and if we were needed, he would contact us.

Att approx. 1pm date I was in front of the Sheriffs Office at 505 Main St Dallas Texas when I heard three shots comming from the vicinity of where the Presidents car was, I raced across the street ( Main & Houston). The Presidential car and other cars were turning onto Stemmons Fwy. Some of the bystanders said the shots came from the overpass. I ran across the street ( Elm) and up the imbankment over the retaining wall and into the freight yard and was unable to locate anything. I located one (1) witness H. W. Betzner w/m 5922 Velasco Dr. phone TA-1-9761. He had taken some photbs just prior to the shots(35mm film) Betzner was taken by me to the Sheriffs office for a statement. I took the camera and film to ID and had the film developed. Betzner had three (3) pictures just seconds prior to the rifle shots. The camera and negatives were returned to Betzner. The three (3) pictures were retained by me. Officer Homer Reynolds DPD obtained a statement from Betzner. The glossy prints of the pictures were turned over to Officer Reynolds to be placed with Betznrs statement.

After I had left the film in ID, I got a battery powered light and went over to the Texas School Book Depository to help with the search of building. I proceeded to the sixth (6th) floor of the building to search for the rifle. I started on the east end of the building and worked my way to the west end of the building. In the northwest corner of the building approx. three (3) feet from the east wall of the stairwell<sup>and</sup> behind a row of cases of books I was the rifle, that appeared to be a 7.65mm Mauser

I was standing on the corner of Main and Houston, when the presidential motorcade came by. A few seconds later I heard three shots and the crowd began to move enmasse toward Elm Street. When I reached Elm Street there was much confusion. I asked a woman if they had hit the President, and she told me that he was dead, that he had been shot thru the head. I asked her where the shots came from, and she pointed toward the concrete arcade on the east side of Elm St., just west of Houston St. There were many officers going toward the railroad yard by this time and I joined them in search of the assassin. A small negro boy came up to a Dallas Uniform officer and told him that he saw a man shoot out of the window of the school Book Depository. I immediately went to the depository where I was met by A. D. McCurley, Bill Wiseman of the SO and Joe Lorraine of the Texas School Book Depository went to the top of the building and started checking the floors going down from the top in search of the assassin. When we got down to the third floor we talked to office workers who told us that they were looking out of the third floor window when the shots were fired from the street near the concrete arcade. We then went back upstairs to the fifth floor and by this time many officers were in the building and Officer Luke Mooney found the hulls of rifle cartridges at the corner window of Elm and Houston. We then started looking on the rafters and in between the boxes of books for the rifle. Capt. Will Fritz of DPD arrived on the scene and the shells were given to him. Shortly after this, Officer Boone of the SO found the rifle near the entrance to the stairway. It was apparent that the assassin had run from the window after the shots were fired, had hidden the rifle, then ran down the stairway.

I then went up on the sixth floor where I helped search out the attic for the assassin.

Mr. Decker:

Friday Morning, November the 22nd, 1963 between the hours of approximately 12 noon to 12:35pm, I was standing in front of the Criminal Courts Building talking with Allan Sweatt and Robert Benevides and awaiting the arrival of the motorcade bearing the President's party. The motorcade passed in front of us and everything appeared to be in order. A few short seconds later I heard an explosion followed in about 3 to 5 seconds later two more explosions. I am certain that I recognized the second two as being that of gunfire. I immediately came back into the office, going on through to the back of the building and out onto the street and seeing the area swarming with officers, I mingled in the crowd in an effort see what I could learn. I then returned to this office and went immediately to the Interrogation room where I spent the next few hours interrogating four witnesses and taking affidavits from them. At the conclusion of this process, I remained in the office for further instructions.

The following report of my activities for Friday, November 22, 1963 is submitted for your information:

I was at home ill on Friday, November 22, 1963 when I first learned that President Kennedy had been shot. I immediately dressed, and reported to the Sheriff's Office where I contacted Allan Sweatt, Chief Criminal Deputy. Mr. Sweatt instructed me to report to you at your station in front of the Texas School Book Depository Building, which I did. I remained in front of the building to carry out your orders until, and after you had returned to the Sheriff's Office. Upon hearing that a police officer had been shot in Oak Cliff, I, accompanied by John Scholkoef, Reporter for the Dallas <sup>Times-Herald</sup> Morning-News came to the Office, and the Reporter asked you for transportation to the Texas Theater in Oak Cliff where the suspect in the killing of the officer was supposed to be located. Reporter Scholkoef, and I proceeded to Jefferson, and Zangs where Scholkoef left the car, and I proceeded onto the Theater. Suspect had been apprehended, and was leaving the theater at the time my arrival. I returned to the station, and stayed in the office the rest of the day assisting both yourself, and Allan Sweatt.

I started running around the corner where I knew the President's car should be and in a matter of a few seconds heard a second shot and then a third shot. I, along with other officers who had been standing near me, all started running and I rushed towards the park and saw people running towards the railroad yards beyond Elm Street and I ran over and jumped a fence and a railroad worker stated to me that he believed the smoke from the bullets came from the vicinity of a stockade fence which surrounds the park area. A search was made of this vicinity and then information came to us that the shots came from the Texas School Book Depository Building at the corner of Elm and Houston. Officer Jack Faulkner and I, together with several other City officers went to the building and started checking the floors. We were searching the 6th floor when Deputy Sheriff Mooney, who was also on the 6th floor, hollered that he had found the place where the assassin had fired from. I went over and saw the 3 expended shells laying by the window that faced onto Elm Street, along with a half-eaten piece of chicken that was laying on a cardboard carton. It appeared as if the assassin had piled up a bunch of boxes to hide him from the view of anyone who happened to come up on that floor and had arranged 3 other cartons of books next to the window as though to make a rifle rest. This area was roped off and guarded until Captain Will Fritz of Dallas Police Department Homicide Bureau arrived. It was about this same time that Deputy Sheriff Eugene Boone yelled that he had found the rifle which had been placed between some rows of cardboard boxes near the staircase which leads down to the 5th floor. The Dallas Crime Lab Officers took over the gun and I proceeded to help officers continue to search this building from the roof down and through the basement area.

**Mr. Decker:**

Just shortly before 12:30pm, Friday, November 22, 1963, I was standing in front of the Sheriff's Office on Main street and watched the President and his party drive by. Just a few seconds later, I heard the first shot, which I thought was a backfire, then the second shot and third shot rang out. I knew then that this was gun shots and everyone else did also. I ran as fast as I could to Elm Street just West of Houston and I heard a woman unknown to me say the President was shot, in the head and the shots came from the fence on the North side of Elm. I went at one behind the fence and searched also in the parking area. Then came from word the shot was thought to have come from the Texas Book Depository Bldg., on the corner of Elm and Houston.

When I arrived there they were bringing in hand lights to search out the top floor. I helped search the 5, 6 and 7th floors. I was on the floor when Officer Boone found the rifle behind some books. From here I went to the remaining floors and the attic for which we had to have huge fire department lights to search the attic good. Then Officer McCurley and myself went to the top of the building and searched it also. After the building was finished being searched, I returned to the Sheriff's office for further duties or orders.

I was standing at the front entrance of the Dallas Sheriff's Office when the motorcade with President Kennedy passed. I was watching the remainder of the President's party when within a few seconds I heard a retort and I immediately recognized it to be a rifle shot. I immediately started running west across Houston Street and ran across Elm Street and up into the Railroad yards. At this time, it was not determined if, in fact, this first retort and 2 succeeding retorts were of a rifle, however, in my own mind, I knew. Upon reaching the railroad yard and seeing other officers coming, I immediately went to the triple underpass on Elm street in an effort to locate possible marks left by stray bullets. While I was looking for possible marks, some unknown person stated to me that something had hit his face while he was parked on Main Street, the next lane south from Elm, as the traffic had been stopped for the parade. Upon examining the curb and pavement in this vicinity I found where a bullet had splattered on the top edge of the curb on Main Street which would place the direction of firing, high and behind the position the President's car was in when he was shot. Due to the fact that the projectile struck so near the underpass, it was, in my opinion, probably the last shot that was fired and had apparently went high and above the President's car. At about this time word was passed through the crowd that the President had been shot, as well as Governor Connally. The only building that was likely to have a shot fired from in this area was the Texas School Book Depository Building on the northwest corner of Elm and Houston streets, which, by this time, was fast becoming surrounded by police officers. Upon returning to the front of this building, I met Allan Sweatt, Chief Criminal Deputy of the Dallas Sheriff's Office and immediately escorted 5 witnesses to the shooting which he turned over to me and took them to Sheriff Bill Decker's office and placed them in the custody of Deputy Harold Elkins until they could be questioned. At this time Deputy Allan Sweatt told me that a police officer had been killed in Oak Cliff area somewhere on Jefferson Street. I immediately left the office with Deputies J. F. Ramsey and Deputy Frank Vrla and ran Code 3 to Oak Cliff. I received information by radio that there was a suspect

in the Dallas Public Library located at Marsalis and Jefferson. Upon arriving at this location, we were met by a number of other police officers and we surrounded the library. It was then determined that the person inside the library was the wrong person. Upon getting back into our automobile, we started towards 10th Street, where the police officer had been killed in an effort to obtain further information and then received radio information from Deputy Sheriff Bill Courson, who was also in the Oak Cliff area, that the suspect was in the balcony of the Texas Theatre on West Jefferson. We arrived at this location within a few seconds and were met by many other officers. Upon proceeding to the balcony of the theatre, I ordered the manager to turn on the house lights. Some unknown officer was holding a white man at the steps of the balcony and I proceeded on into the balcony. I looked over the balcony and saw a commotion in the center section, near the back, in the downstairs of the theatre, and I hollered to other officers, "He's downstairs", and we all ran down the steps and to the area of the commotion. When I reached the area of commotion, it was hard to tell "Who had Who" as there were so many officers into a melee on the floor between the seats, but I saw Officer Carroll of the Dallas Police Department standing on the other side of the melee of people and I could see a gun on the floor with 2 or 3 hands on it and I reached into this melee and pulled up on the people and I believe it was Officer Carroll who reached down and got this gun. I am not positive it was Officer Carroll, but I believe it was, however, there was such a swarm of officers at this time, it was hard to determine. 4 or 5 officers then began carrying subject towards the front of the theatre and I picked up my shotgun which I had laid down in some seats away from the melee and me, along with several other officers who had shotguns, proceeded outside and held the crowds back so the officers could put the suspect in a car. The crowds were pushing and yelling, "Kill the SOB!" and "Let us kill the SOB". The only thing I ever heard the suspect say was, "It's all over". After they left the area with the suspect, me and the officers who were with me got in our car and reported back to Sheriff Decker at his office. Sheriff Decker then ordered me, together with

Deputy Harry Weatherford and Deputy J. L. Oxford to go to a house at 2515 West 5th Street in Irving, Texas and meet some officers from Capt. Will Fritz' office. We arrived at location and met Detectives Rose and Adamcik from the Homicide division of the Dallas Police Department. Upon getting to this residence, we were met by a Mrs. Michael Payne and upon showing our credentials and advising her who we were, she stated, "It's about the President being shot. We've been expecting it. Come on in". She informed us that the lady standing beside her was Mrs. Oswald. Mrs. Payne went on to explain that Mrs. Oswald spoke only Russian, however, he would help interpret as she spoke both English and Russian. Upon asking if suspect Oswald lived at this location, she advised that his wife and children lived there, but that Lee Oswald and his wife had been separated and he did not live there. Mrs. Payne gave us permission to search the house or do anything we wanted to and she also, through interpretation, gave us Mrs. Oswald's permission to do the same. Mrs. Payne then gave us a telephone number and stated that was the phone number of Lee Oswald, however, she advised she did not know an address where he was staying. At this time, I called Sheriff Decker and advised him of this and he criss-crossed this telephone number and gave us an address of 1026 North Beckley. He advised he would dispatch other officers to cover this address. About this time, Mr. Michael Payne came to this location. Mr. Payne works at Bell Helicopter Plant. When told of the incident, Mr. Payne did not seem at all surprised, and merely stated that he had just taken off and had come home, when he had heard that the President had been shot. It was then learned that Mr. Payne had also been separated from Mrs. Payne and that he has been living in Grand Prairie. Mr. Payne gave no explanation for coming to this house in Irving, Texas.

Upon searching this house we found stacks of hand bills concerning "Cuba for Freedom" advertising, seeking publicity and support for Cuba. Also found was a set of metal file cabinets containing records that appeared to be names and activities of Cuban sympathizers. All of this evidence was confiscated and turned over to Captain Fritz of the Dallas Police Department and Secret Service Officers at the City Hall.

I had just looked out the window of the radio room facing Main St and watched the Presidential parade pass and as it turned the corner onto Record I looked over in that direction but was unable to see any of the vehicles from my location and about that time I heard three loud reports evenly spaced which I presumed to be rifle or shotgun blast. I looked at the time on the radio panel and it was about 40 seconds after 12:30pm as I was calling Dallas PD on the hot line and I asked the operator that answered if anything had been reported and she said no I told her that I heard what I believed to be three shots and she thought I was kidding. At that time all the traffic officers at the intersection of Main and Record started running and some were on their motorcycles with red light and siren wide open headed in the direction of the railroad area north of Elm St. About that time DPD called advised that the President had definitely been hit condition unknown and was enroute to Parkland and the hospital had been advised to stand by.

Then DPD advised that Mr. Decker said to send every available deputy to the area of the railroad track SS North of Elm St. To my knowledge everyone but Mr. Crews, Mr. Dameron and myself went to the area to assist in the search for the suspected assassin. Squads 20, 25, 26 and various civil and constable units were in route also when Mr. Player advised that he was at the location and that there were sufficient officers at the location and the other units were not believed to be needed at that time. ### DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.: (Investigating Officer must sign)

Date Nov 23, 1963 19

I was standing in front of the Sheriff's Office at 505 Main Street, Dallas, Texas, watching President Kennedy pass in the motorcade. I was watching the rest of the motorcade a few seconds after President Kennedy passed where I was standing when I heard a rifle shot and a few seconds later a second and then a third shot. At the report of the first shot, I started running around the corner and Officer Buddy Walthers and I ran across Houston Street and ran up the terrace on Elm Street and into the railroad yards. We made a round through the railroad yards and I returned to Elm Street by the Turnpike sign at which time Officer Walthers told me that a bullet had struck the curb on the south side of Elm Street. I crossed to Elm with Deputy C. L. Lummie Lewis to search for a spot where a shell might have hit. About this time I heard a shrill whistle and I turned around and saw a white male running down the hill from the direction of the Texas School Book Depository Building and I saw what I think was a light colored Rambler Station wagon with luggage rack on top pull over to the curb and the subject who had come running down the hill get into this car. The man driving this station wagon was a dark complected white male. I tried to get across Elm street to stop the car and talk with subjects, but the traffic was so heavy I could not make it. I reported this incident at once to a secret service officer, whose name I do not know, then I left this area and went at once to the building and assisted in the search of the building.

Later that afternoon, I heard that the City had a suspect in custody and I called and reported the information about the suspect running down the hill and getting into a car to Captain Fritz and was requested to come at once to City Hall. I went to the City Hall and identified the subject they had in custody as being the same person I saw running down this hill and get into the station wagon and leave the scene.

I talked to the above subject by phone and he stated that he thinks that  
the subject who is in custody on the murder of the president rode the same bus  
with him to Oak Cliff about 10 minutes after the parade was over. He saw the picture  
on T.V. of Lee Oswald. He rode the Bishop bus which he caught near H.L. Greens. He  
said the man got on somewhere near Poydras St. and said " The president has been  
shot and the governor has been killed". He then sat down and didn't say anything  
else. He said the subject was wearing a dark felt hat and a dark coat. He said the  
subject got off before the bus got to Bishop St. but he doesn't know exactaly where .

I told the complainant that we would call him if we needed him any further.

I was standing in front of the Sheriff's Office at 505 Main Street, Dallas, when President Kennedy and the motorcade passed by. Within a few seconds after he had passed me and the motorcade had turned the corner I heard a shot and I immediately started running towards the front of the motorcade and within seconds heard a second and a third shot. I started running across Houston Street and down across the lawn to the triple underpass and up the terrace to the railroad yards. I searched, along with many other officers, this area, when Sheriff Bill Decker came up and told me and Officers Sam Webster and Billy Joe Victory to surround the Texas School Book Depository building. As we approached the two big steel wire gates to the loading dock at the back of the building on Elm Street side, we saw that the loading dock had locks on it and I then pulled the steel gates closed and requested of a citizen standing there to see that no-one came out or went in until I could get a uniformed officer there, which he did. Officers Webster, Victory and myself took to the building. Officers Webster and Victory took the stairs and I told them I would take the freight elevator. At the time I got on the elevator two women who work in the building got on the elevator, saying they wanted to go to their office. As the elevator started up, we went up one floor and the power to the elevator was cut off. I got out on the floor with these women and looked around in their office and I then took to the stairs and went to the 6th floor, and Officers Webster and Victory went on up to the 7th floor. I was the only person on the 6th floor when I was searching it and was reasonably sure there was no one else on this floor as I searched it and then criss-crossed it, seeing only stacks of cartons of books. I was at that time also checking for open windows and fire escapes. I found where someone had been using a skill saw in laying some flooring in one corner of this floor and I then went to the 7th floor and was assisting in searching it out and crawled into the attic opening and decided it was too dark and came down to order flash lights. I then went on back to the 6th floor and went direct to the far corner and then discovered a cubby hole which had been constructed out of cartons which protected it from sight and found where someone had been in an area of perhaps 2 feet surrounded by

cardboard cartons of books. Inside this cubby hole affair was three more boxes so arranged as to provide what appeared to be a rest for a rifle. On one of these cartons was a half-eaten piece of chicken. The minute that I saw the expended shells on the floor, I hung my head out of the half opened window and signaled to Sheriff Bill Decker and Captain Will Fritz who were outside the building and advised them to send up the Crime Lab Officers at once that I had located the area from which the shots had been fired. At this time, Officers Webster, Victory and McCurley came over to this spot and we guarded this spot until Crime Lab Officers got upstairs within a matter of a few minutes. We then turned this area over to Captain Fritz and his officers for processing.

At this time I continued to search this 6th floor along with many other officers and within a few minutes, I heard Deputy Sheriff Eugene Boone holler out that he had found the rifle near the staircase between some rows of cartons.

We continued to search the building for a suspect.

On November 22, 1963, I was standing in front of the Courthouse along with Officers McCurley and Wiseman of the Sheriff's Department and the President's car had just gone by. We stood there until the rest of the cars had passed. While we were standing there, we heard what I thought to be shots. Officer McCurley and myself ran across Houston Street on across Elm and down to the underpass. When we got there, everyone was looking toward the railroad yards. We jumped the picket fence which runs along Elm Street and on over into the railroad yards. When we got over there, there was a man who told us that he had seen smoke up in the corner of the fence. We went on up to the corner of the fence to see what we could find, and searched the area thoroughly. After we searched this area, we separated. Then I, with a couple of Dallas Police Officers, began searching through the cars on the parking lot. After we got through searching the cars, I stood guard watching the Texas School Book Depository Building and came back to the Sheriff's Office. Sheriff Decker then sent me along with Deputies Buddy Walthers, Harry Weatherford to a location at 2515 W. Fifth Street in Irving, Texas, to meet Dallas Police Officers to search a house there and talk to the people within. When we got at this address, Officer Adamcik of the DPD and myself went to the back of the house and Officers Weatherford, Walthers and Detective Rose of the DPD and another DPD officer went to the front door. These officers later let us in the back door. We talked to a Mrs. Oswald, the wife of the suspect and a Mrs. Ruth Paine and were in the process of getting them ready to bring to City Hall for statements when Michael Paine, husband of Ruth Paine, came up and we talked to him. We found a blanket in the garage. This blanket looked like a rifle had been wrapped in it. We also found about 7 metal boxes which contained pamphlets and literature from abroad. Also, there were cameras and film found. All of this was brought to the City Hall along with Mr and Mrs. Paine and Mrs. Oswald. The children were also brought along. We called Sheriff Decker and he told us to leave all of the evidence at the City Hall and report back to the Sheriff's Office. Upon arriving back at the Sheriff's Department we then had assignment of carrying witnesses to their homes who had made statements in the Sheriff's office.

At approximately 12:30 PM, Friday, November 22, 1963, I was standing with a group of Deputy Sheriff's about 30 feet east of the corner of Houston and Main Street on Main Street.

The President's caravan had just passed and about a minute or 2 I heard a shot and about 7 seconds later another shot and approximately 2 or 3 seconds later a third shot which sounded to me like a rifle and coming from the vicinity of Elm and Houston street. Several officers and myself from the Sheriff's department ran around the corner and towards Elm Street and Houston and were told that someone had shot at the President. A man by name of "Hester" told Deputy John Wiseman that the shots had come from the old Sexton building. As we approached the building we were told the shots had come from the fence. Deputy Wiseman and a City Officer went to the front door of the building and I continued towards the railroad yards with Deputy Harry Weatherford and I stopped where I could see two sides of the building which was the west and south sides. Deputy Harry Weatherford went into the building through an open window on the 1st floor and Deputy Wiseman and the DPD officer went in the front door. On the far side of the building opposite me were some DPD officers. At that time I was told the President had been shot and that Governor Connally also had been shot.

Officers started coming to the scene and approximately 15 deputy sheriff's and a number of DPD officers were at location. At that time, Inspector Sawyer of the DPD came to the front of the building and started taking names of witnesses and I suggested to Inspector Sawyer that I get two deputies and send the witnesses to the Sheriff's Office for statements instead of letting the witnesses leave the scene. Inspector Sawyer agreed with this plan and as witnesses were brought together they were taken directly across the street to the Sheriff's Office to wait until statements could be taken.

While I was still at the front of the Building, Deputy Sheriff Luke Mooney stuck his head out of the 5th floor window and the Northeast corner of the

building and stated he had found some spent cartridge cases and he was told to let them remain untouched until the DPD Crime Lab arrived on the scene.

Shortly after, a DPD officer brought a boy in a sport coat up and said, "Here is the man that had done the shooting". As officers started to question him, the crowd began to talk and passed the word around that this was the individual that had shot the President. At that time, in the company of city officers, I sent 2 deputy sheriffs to take this man into custody and take him to the Sheriff's Office. Also Inspector Sawyer was informed of this and he sent a DPD detective to the Sheriff's Office to talk to the boy.

At this time Sheriff Bill Decker arrived at the location where I was standing and I informed him as to what had been done up to that time. I then returned to the Sheriff's Office to co-ordinate the taking of statements and see that all persons that were in the office gave statements. I separated certain witnesses whom seemed to have more facts than others and turned them over to Mrs. Rosemary Allen of the Dallas Sheriff's Office, Mr. Wallace Heitman of the FBI and Mr. Forrest Sorrells of the Secret Service, and they took witnesses to the Polygraph room of the Sheriff's Office where they obtained statements.

At approximately 1:30 PM, I received word that a Police Officer had been shot on Jefferson Street in Oak Cliff and the suspect was supposedly at large in that area. I immediately dispatched Officers Buddy Walthers, James Ramsey and Frank Vrla to the scene of the shooting. Officer Bill Courson of the Sheriff's Office joined with them in Oak Cliff. Apprehension was made of the suspect in the Texas Theatre and suspect was turned over to the Dallas Police Department.

After this we correlated all statements, getting copies separated and in separate files. Sent a complete set of all statements taken to Capt. Fritz of the Dallas Police Department.

I was standing in front of the Sheriff's Office at 505 Main Street, Dallas when the President passed and the car went around the corner and a few more cars had passed when I heard a shot and I knew something had happened. I ran at once to the corner of Houston and Main Street and out into the street when the second and third shots ran out. I ran on across Houston Street, then across the park to where a policeman was having trouble with his motorcycle and I saw a man laying on the grass. This man laying on the grass said the shots came from the building and he was pointing to the old Sexton Building. I talked to a Marilyn Sitzman, 202 S. Lancaster who said her boss, Abraham Zaprutes, RI 8 6071, had movies of the shooting. She said the shots came from that way and she pointed also to the old Sexton building. I ran at once to the Sexton Building and went in. I asked some woman how many doors lead out of the building and she said 4. I left the building and found some DPD patrolmen and we came back to the building. I ran up the stairs and the patrolmen started trying to get more help to search the building. I went up the stairs to the 7th floor and started up into the attic and noticed that the door to the roof was locked on the inside with a gate type hook latch. I stopped and started back down the stairs taking a quick look on each floor. I met more officers on the 2nd floor and then in a few minutes the place had maybe 50 officer in it. A better search was started floor by floor. About the time we got started on the 5th floor, Deputy Sheriff Luke Mooney found some spent hulls. An officer of the Dallas Police Department told us all to get on one side of the room and make one clean sweep of the entire floor to see if we could find the rifle. As we worked our way across the room which was filled with boxes, we got to the front of the stairway when Deputy Sheriff Eugene Boone said, "here is the gun". It was about 4 feet in front of me in the aisle in which I was working. Deputy Boone stayed at one end of the aisle where the gun was spotted and I stayed at the other end of the aisle so that nothing would be touched. Officer Day of the DPD Crime Lab came and took pictures of the gun in its hiding spot behind the boxes and then removed it from this spot. I then left the building and came back to the Sheriff's Office to talk with witnesses. A Mrs. Mary Moorman was in the office with a picture of the President getting shot.

MR. DECKER,

I HAD RECEIVED SEVERAL LONG DISTANCE CALLS FROM PEOPLE ALL OVER THE UNITED STATES - THE SAME PERSON CALLED THREE TIMES FROM NEW JERSEY. I MIGHT ADD THAT HE SOUNDED TO BE QUITE DRUNK, AND STATED THAT HE HAD BEEN TO TEXAS DURING WORLD WAR TWO AND HE STATED THAT HE THOUGHT A LOT OF THE PEOPLE HERE AND HE WANTED TO LET US KNOW THAT HE FELT VERY SORRY FOR ALL OF US. ONE LADY CALLED FROM CALIFORNIA AND SHE LET ME KNOW WHAT SHE THOUGHT OF THE WHOLE STATE OF TEXAS AND THE PEOPLE WHO LIVED HERE. ONE MAN CALLED FROM PENNSYLVANIA AND STATED THAT HE HAD HEARD WHAT KIND OF PEOPLE WE WERE AND THAT HE WAS A LEADER OF 14,000 NEGROES AND THAT THEY WERE ALL COMING TO TEXAS AND GET THIS BUNCH OF BARBARIANS STRAIGHTENED OUT. HOWEVER, THE MAJORITY OF PEOPLE WERE VERY NICE AND JUST WANTED US TO KNOW THAT THEY FELT SORRY FOR US AND WANTED TO KNOW IF THE OFFICERS WERE SURE THAT THEY HAD THE RIGHT MAN.

WHEN YOU CALLED THE OFFICE AT 2:00 AM., I HAD NOT RECEIVED ANY THREATS ON THE LIFE OF OSWALD BUT AT THAT TIME YOU MENTIONED THE FACT THAT YOU THOUGHT THAT OSWALD SHOULD BE TRANSFERRED FROM THE CITY JAIL WHILE IT WAS STILL DARK AND YOU WANTED TO KNOW ABOUT WHAT TIME THAT IT WAS DAY LIGHT, AND I TOLD YOU THAT IT WAS DAY LIGHT AT APPROX. 6:30 AM. OR 6:45 AM. AND YOU ASKED ME TO CALL YOU AT 6:00 AM. AND YOU WOULD SEE ABOUT GETTING OSWALD TRANSFERRED WHILE IT WAS STILL DARK.

AT APPROX. 2:15 AM. I RECEIVED A CALL FROM A PERSON THAT TALKED LIKE A W/M AND HE STATED THAT HE WAS A MEMBER OF A GROUP OF ONE HUNDRED AND THAT HE WANTED THE SHERIFF'S OFFICE TO KNOW THAT THEY HAD VOTED ONE HUNDRED PER CENT TO KILL OSWALD WHILE HE WAS IN THE PROCESS OF BEING TRANSFERRED TO THE COUNTY JAIL

AND THAT HE WANTED THIS DEPARTMENT TO HAVE THE INFORMATION SO THAT NONE OF THE DEPUTIES WOULD GET HURT. THE VOICE WAS DEEP AND COURSE AND SOUNDED VERY SINCERE AND TALKED WITH EASE. THE PERSON DID NOT SEEM EXCITED LIKE SOME OF THE CALLS THAT WE HAD RECEIVED RUNNING DOWN THIS DEPARTMENT, THE POLICE DEPARTMENT AND THE STATE OF TEXAS AND HE SEEMED VERY CALM ABOUT THE WHOLE MATTER. VIRGIL AND ALSO LISTENED TO PART OF THE CONVERSATION. A SHORT TIME LATER, MR. NEWSOME, FROM THE FBI OFFICE CALLED AND WANTED TO KNOW IF WE HAD RECEIVED ANY CALLS ON THE LIFE OF OSWALD AND I PASSED ON THE ABOVE INFORMATION AND HE ASKED ME TO CALL THE POLICE DEPARTMENT AND GIVE THEM THE SAME INFORMATION. I CALLED THE CITY HALL AND TALKED TO SOMEONE IN CAPTAIN FRITZ'S OFFICE, I DID NOT GET HIS NAME, THE OFFICER MADE SOME SLIGHT REMARK AND SAID THAT THEY HAD NOT RECEIVED ANY SUCH CALLS AS YET.

I RECEIVED ONE OTHER CALL REGARDING THE TRANSFER OS OSWALD AND WHEN I ANSWERED THE TELEPHONE, A MALE VOICE ASKED IF THIS IS THE SHERIFF'S OFFICE AND I SAID THAT IT WAS, HE SAID JUST A MINUTE AND THEN ANOTHER MALE VOICE STATED THAT OSWALD WOULD NEVER MAKE THE TRIP TO THE COUNTY JAIL. I COULD NOT DETERMINE WHETHER OR NOT THIS WAS THE SAME VOICE THAT HAD CALLED EARLIER.

AS YOU KNOW, WHEN I CALLED YOU AT 6:00 AM., YOU WANTED TO KNOW WHO WAS THERE AT THE OFFICE AND I TOLD YOU THAT KENNEDY, VIRGIL, WATKINS AND ONE OR TWO OTHERS AND YOU ASKED ME TO CALL BOCKEMEHL AND HAVE HIM CALL YOU AT HOME AND THEN YOU ASKED ME IF I THOUGHT THAT KENNEDY AND I COULD TRANSFER OSWALD FROM THE CITY JAIL WITHOUT CAUSING MUCH OF A SCENE BY HAND CUFFING OSWALD TO ME AND BY KEEPING OSWALD IN THE FLOOR BOARD OF THE CAR SO THAT HE COULD NOT BE SEEN. On the day of this offence I was standing in front of the sheriff's office at 505 Main St., which is a block south and just around the corner from the building from which the shots were fired. Just a few seconds after the president's car had passed my location I heard a shot ring out, a couple of seconds elapsed and then two more shots ring out. I immediately ran to the area from which it sounded like the shots had been fired. This is an area between the railroads and the Texas School Book Depository which is east of the railroads. There were several other officers in this area and we secured it from the public. After searching this area for about ten minutes and not finding any evidence, I went to a tower that overlooks the railroad yards and also has a vantage point over the area around the school book building. I talked to an employee there and he gave me the descriptions of two automobiles that he had seen in the area just a few minutes earlier. When I went back outside I learned from the other officers that it had been established that the shots were fired from the school book building. I went to the building and found that several officers were inside and others were gathering outside. I then went back to the street and mixed with the crowds trying to get people who were witnesses to the tragedy. After I had brought several people to the office I went to TV Station WFAA and got two witnesses who had been taken there by some reporter. A while later a City of Dallas policeman came to our office with three prisoners who he had arrested on the railroad yards. I took these three to the city jail and turned them over to Capt. Fritz. I then came back to the sheriff's office where I remained the rest of the day talking to witnesses and taking statements.

Officer Smith said to me "That sounded like a Deer Rifle."

We saw people running toward the parkway and ran in that direction.

Officers and People were running to the parkway on north side of Elm.

I went to the rail yards and parking area west of the book store and helped search this area.

I talked to a city officer who said "I was stationed in rail yards and had this entire area in view. No body came this way."

I then went to the Book Building and saw that several Sheriffs Dep. were going in along with a large number of city officers.

I did not go into the Bldg.

I took 1 man to S. O. to talk to officer Lummy Lewis.

I did not learn the mans name and do not know what he told officer Lewis.

Mr. Decker:

On Friday morning, November the 22nd, 1963 I was standing in a window of the Identification Bureau of the Dallas County Jail and I observed the President's motorcade pass in front of the Criminal Courts Building on Main Street. After the motorcade passed, I stood around in the Identification Bureau. I did not see anything nor did I hear anything. I guess something like 10 minutes later I left the Criminal Courts Building thru the driveway and went across the street as far as the parking lot near the railroad tracks looking for Officer Todd. When I failed to find him there, I returned back to the driveway of the Dallas County Jail and then came into the jail. I was later sent back by Chief Holman and made another circle looking for Todd and when I returned, the Chief was standing on the alleyway to the driveway. He then told me that he saw Todd in front of the School Book Depository and I then walked over to him and told him that the Chief wanted him back at the jail. We then returned back to the jail. I did not see anything or hearing anything.

Mr. Decker:

On November the 22nd, 1963 I had come on duty at 9am working the information window at the Dallas County Jail. About 12:15pm the window was closed where I work and I walked outside and onto Houston Street to view the President's motorcade as it passed. A few seconds after the President's car passed me and had turned the corner off Houston onto Elm Street, I heard what I first thought was a backfire. I heard a total of 3 and after the last two (2), I immediately recognized them as being gun fire. I ran across the street and went behind the railroad tracks and I did not talk to anyone over there and I helped them get the crowd back. I then waited for a while at the front entrance of the School Book Depository Building and then returned to the Dallas County Jail. I did not see anything but after I did come to the front of the building, I heard a man holler from the next to the top floor saying that he had found three hulls. I do not know who this man was, but he did have a suit on and I believe it was brown.

## Les Résultats d'un voyage

Le récent voyage aux États Unis d'Amérique de Mr. Clémard Joseph Charles, l'actif Président et Manager Général de la Banque Commerciale d'Haïti, a constitué un magnifique succès pour cet établissement bancaire, en plein essor.

En effet, au cours d'une cérémonie des plus amicales, le Maire adjoint de New - York, Mr. James O'Brien a remis à Mr. Clémard Joseph Charles, Directeur Général de la Banque Commerciale, les clefs de la ville de New York, au nom du Maire Wagner, alors en Europe.

Un bref contact avec Mr. Clémard Joseph Charles nous a permis d'obtenir quelques renseignements succincts pour nos lecteurs.

L'actif Président et Directeur Général de la Banque Commerciale a pu conclure un important contrat, avec l'une des plus grandes sociétés de financement de New York, au chiffre d'affaires annuel de deux milliards de dollars. Cette entreprise, garantie par la Import - Export Bank, la Chase Manhattan Bank et la Bank of America, accordera aux importateurs haïtiens de marchandises américaines, par le Canal de la Banque Commerciale d'Haïti, des crédits d'un montant illimité d'environ 8 mois et plus.

Une autre société financière, spécialisée dans les affaires immobilières au chiffre d'affaires de cent cinquante millions de dollars par an, va entreprendre, par l'intermédiaire de la Banque Commerciale d'Haïti, un programme de constructions de maisons, dont le montant sera remboursable en 10 ans. Un système d'assurances couvrira ces constructions et une maison sera donnée en prime annuelle aux clients de l'entreprise.

My dear De Mohrenschildt:

It was a pleasure to receive your letter of July 23rd instant, and I am glad to hear that your distinguished wife joins in extending her appreciation for the friendly gesture and on the occasion the privilege is mine to present her my respectful hommages.

I am also anxious to see you and presume that our cooperation as planned shall be of mutual interest to all concerned.

In fact, as you know, I received several offers of similar nature but I chose you and Texas so I am convinced that the goal desired will be attained.

Moreover, the great effort expended by our friend in common, Mr. Tardieu in taking steps with my bank and self, has created every hopes; and judging by what has been achieved in Porto Rico, I am persuaded that with you and Texas, such a job does not surpass our capacities.

Thanks to new ideas and hard work positive results can be obtained. Shortly Mr. Tardieu will be able to present you the different projects which he scrupulously negotiated with me and our Board of Directors in particular.

According to the mutual understanding entered into depends the economic position we would want to entertain in the country.

In good faith and in closing the present, I wish to say to you and your distinguished wife, "Un gros bonjour d'Haïti".

Sincerely,

Clemard Joseph Charles

Dear Mr. de Menil:

I appreciated the opportunity you gave me of outlining the project in Haiti, West Indies. According to your suggestion I prepared a short memorandum relating to this project.

1. People Involved.

Charles, Clemond Joseph, President de la Banque Commerciale d'Haiti, the only Haitian bank in existence. His references: Irwing Trust Company, 1 Wall Street, NYC, Mr. Joseph Welsh, International Mission. Manufacturers Trust Company, 14 Wall Street, NYC, Mr. James Greene, V. President. American Express Company, 65 Broadway, NYC, Mr. Marshall S. Walker Jr. Vice President Overseas Banking. La Banque Commerciale d'Haiti in addition to usual banking activities is a sole representative of General Electric Ltd and of Siemens Schuckert Werke for Haiti.

Mr. B. Gindine-Tardieu, well known in France and England, came to Haiti in 1935 on behalf of an English Syndicate of Investment Companies to organize export of precious wood and build starch factories in the whole Caribbean area. He later organized the total export of bananas in Haiti. Mr. Tardieu owns a chocolate factory in Port-au-Prince and has considerable real estate holdings. He is an adviser to the Banque Commerciale d'Haiti and Mr. Charles' spiritual father. This sounds strange but such is the case.

Mr. Tardieu's original investment of \$ 50,000 will be of real estate holdings and he will obtain debentures payable from the profits only.

George de Mohrenschildt (resume included) has an agreement with the Haitian Government, made through the Banque Commerciale d'Haiti, for a complete geological and geophysical survey of the country and will apportion into the Holding Company the profits from this survey and eventual oil and/or mineral concessions.

2. The Holding Company, called tentatively Curtis Lee Inc., will consist of 100 shares of \$ 1,000 each. The money is to be spent exclusively on preparing projects, expenses and elaboration of agreements and guarantees in Washington and Haiti. It may participate jointly with the Banque and/or Haitian capital in the projects outlined below, but the main financing will be done by the joint American and Haitian interests under the auspices of the Alliance for Progress.

3. The projects that the Banque Commerciale is considering at present and in which ~~she~~ <sup>it</sup> will participate are as follows: Building of inexpensive houses. 2. Building of a bonded warehouse. 3. Building of a wharf. 4. Building of a hydroelectric plant. 5. Organisation of a Haitian Insurance Company. 6. Promotion of planting of tobacco to larger extent and construction of a cigar factory. 7. Lobster tail canning and freezing. 8. Manufacture of desiccated coconut with sugar. 9. Participation in a telephone system. 10. Cotton wool plant. 11. Operation of a sisal plantation and of factories already in existence. 12. Refining of vegetable oils. 13. Manufacture of containers for domestic oil distribution. 14. Manufacture of margarine. 15. Participation in building of small sugar mills near the existing cooperatives. 16. Building of a casino in Petionville. 17. Operation of a hotel mortgaged to the Banque. 18. Other projects which

2

G. de Mohrenschildt to  
Mr. Jean de Menil; continued. Page 2.

come to the attention of the Banque Commerciale d'Haiti, among them production of local films.

4. The Holding Company expects to retain a small participation in all of these industries and enterprises by bringing the native and the American capital together and by preparing engineering studies for each project. The Holding Company will obtain the necessary Washington guarantees and the help of the Allience for Progress. Each individual project will be presented naturally for consideration to the Banque Commerciale and to the partners in this Holding Company and they may decide to take a complete control of a project of their choice.

5. In arranging your eventual participation in the Holding Company, Mr. de Menil, I can follow any of your suggestions which may fit your tax situation. This is why the project is presented in such a fluid form.

6. At present Haiti is in the economic doldrums. A revival and a great boom is expected because of the proposed massive injection of the American money, because of the beneficial strategic position of Haiti between the Dominican Republic and Puerto Rico, and because of the proposed combination of the private initiative, native and American capital and intervention of the Banque Commerciale in each transaction. U.S. Government help should not be underestimated - followed by the revival of the tourist trade with the confidence and because of the extremely safe geographic position of Haiti in case of an armed conflict.

Enclosed you will find a photostatic copy of the articles I showed to you in Houston, my latest communication with Tardieu and my resume.

Excuse this letter written in a great hurry.

Sincerely yours,

G. de Mohrenschildt

This Holding Company will cooperate with the Banque Commerciale d' Haiti, Port-Au-Prince, Mr. B. Gindine-Tardieu, adviser to the Bank, local Haitian and American enterprises in reworking and creating certain industries and enterprises in Haiti, West Indies.

1. Personalities involved.

Charles, Clemard Joseph, President of the Banque Commerciale d'Haiti, the only native bank in existence. His references: Irving Trust Company, NYC., Mr. Joseph Welsh, International Division, Manufacturers Trust Company, NYC., Mr. James Greene, vice-president. American Express Company, NYC., Mr. Marshall S. Walker, vice-president overseas banking. Mr. Charles is also a sole representative in Haiti of General Electric Ltd. and of Siemens Schuckert Werke.

B. Gindine-Tardieu, well known in banking circles in France and England, came to Haiti in 1935 on behalf of an English Syndicate of Investment to organize export of precious wood and to build starch factories in the whole Carribean area. At a later date he built up the total export of bananas from Haiti to USA. Mr. Tardieu owns a chocolate paste factory in Port-Au-Prince and has considerable real estate holdings. He has actively contributed for years to the development of cooperatives in Haiti. He is adviser to the Banque Commerciale and is Mr. Charles' spiritual father; this sounds strange but such is the case.

Mr. Tardieu's original investment of \$50,000 will be of real estate holdings evaluated by the Court for which he will obtain debentures payable out of the profits of the Holding Company only. He will not be the stockholder.

George de Mohrenschildt familiar with Haiti from many trips and several surveys made by him in the interior, has a tentative agreement with the Haitian Government (Minister of Finance) made through the Banque Commerciale d'Haiti for a complete geological a geophysical survey of the country for the amount of \$181,670 and an additional aerial survey for \$85,340 - for oil, gas and other minerals - and is apportioning into the Holding Company all profits from this Survey and any eventual oil and/or mineral concessions.

2. The Holding Company.

It will consist of 100 shares of \$1,000 each. The money is to be spent on preparing projects, expenses connected with the projects, elaboration of agreements and guarantees in Washington and Haiti. It will bring native and American capital together, working thus along the lines of the Alliance for Progress. It will retain small participations in all industries and enterprises outlined below, will prepare detailed engineering and economic studies for each project and will supervise their completion. Each individual partner in the Holding Company will be given an opportunity to participate to a larger extent in any of the projects and the Banque Commerciale d'Haiti will have a participation of at least 10% in the capitalization of each project.

3. The projects which the Banque Commerciale is considering at present and in which it will participate are the following: 1. Planting of tobacco on a larger scale and building of a cigar factory. 2. Development of cheap housing. 3. Building of a wharf. 4. Construction of a hydroelectric plant in conjunction with a completed dam (by Brown and Root), following electrification. 5. Lobster tail canning and freezing for export. 6. Plant for dessicated coconut and coconut candy. 7. Building and operation of a cotton wool plant. 8. Organization of a local Insurance Company. 9. Operation of a sisal plantation and factories already in existence. 10. The telephone system. 11. Refining of vegetable oil. 12. Manufacture of containers for domestic oil distribution. 13. Manufacture of margarine. 14. Participation in building of small sugar plants near the existing plantations. 15. Building of a casino. 16. Other projects, among them local making of films, which come to the attention of the Banque Commerciale d'Haiti.

4. This is the first attempt of bringing together the local Bank, capital, American financing and US. Government help together. One should not forget the highly important geographical position of Haiti.

Sincerely, *G. de Mohrenschildt*

Dear Paul:

How are you? Have you received my previous letter, written, I think, in June? Some of my letters got lost.

Now, all settled in our delightful house, in the foothills near Port-au-Prince, we can invite you to come over and visit us. We have lots of flowers and lots of space. I think you will find it very interesting here.

My work is advancing very well. I have an assistant, a geologist from Florence, Italy, and we are concentrating for the time being, on the interpretation of aerial photos. We are doing some geophysical work also. So far, I found some manganese and new indices of hydrocarbons. Since the Russians have found a major oil field in Cuba, there is a new interest in the Caribbean area.

Our sisal operations are also progressing and I am anxious for you to see the plantation and the factory at Mont Rouls.

If you decide to come, send us a wire c/o Embassy a few days in ADVANCE, because we are often out of town. We want you to have a good reception and we should be at the airport to facilitate all the formalities for you.

With best personal regards,

Dear Janet:

Thank you for your letter of January 29th.

No, I am not connected with our Foreign Service.

I was a consultant for the State Department in 1957'58 (in the geological field) but have not had any consulting jobs for the Government and did not mind as I have always been a Republican.

As you can see from the letterhead, I have a geological consulting firm in Dallas and specialize in foreign exploration. Here in Haiti I have a loose contract with the Government for the complete exploration of the whole country. Also I have some oil companies backing me in the eventual development of the oil resources of this island.

Dimitri is in India right now, for his sabattical year. He belongs to some Buddhist sect and goes to Bengal for a year of study and retreat. I will write to him and give him your kind message.

*every 4 years*

When in Washington I will be delighted to come and see you and your charming husband. If possible I shall bring my wife along. She is a well known designer, by the way.

Since I have a sisal plantation here, I stay quite often in Haiti and am very fond of this country. If you and your husband have a chance to come and visit us here, I am extending to both of you an invitation to come over and stay with us any time you feel like. We have a beautiful house way up above Port-au-Prince. Do not believe the silly reports of the American press about Haiti. It is not a "hell hole", no Americans have been molested here and the situation at present time is peaceful and pleasant. The effects of the terrible cyclone Flora are being alleviated and the situation is becoming normal again.

Very sincerely yours,

DE MOHRENSCHILDT EXHIBIT No. 14

Dear Janet:

We are appaled and deeply disgusted by President Kennedy's cowardly assassination. We were ashamed that it happened in our home town. May I ask you to express my deepest sympathy to your daughter and tell her that both my brother and I will always remember her as a charming little girl from East Hampton. So many sorrows have been ruining her young life.

Since we lived in Dallas permanently last year and before, we had the misfortune to have met Oswald and especially his wife Marina sometime last fall. Both my wife and I tried to help poor Marina who could not speak any English, was mistreated by her husband; she and the baby were malnourished and sickly. We took them to the hospital.

Sometime last fall we heard that Oswald had beaten his wife cruelly, so we drove to their miserable pplace and forcibly took Marina and the child away from the character. Then he threatened me and my wife but I did not take him seriously. Marina stayed with the family of some childless Russian refugees for a while, keeping her baby, but finally decided to return to her husband. Somehow then we lost interest in the Oswalds.

It is really a shame that such crimes occur in our times and in our country. But there is so much jealousy for success—and the late President was successful in so many domains—and there is so much desire for publicity on the part of all shady characters that assassinations are bound to occur. Better precautions should have been taken.

Remember our discussion one day on the plane from Dallas to Washington? We spoke of criminal children and of the terrible problem of delinquency in the South. Oswald was just an expression of that cancer which is eating American youth.

You will excuse this rambling letter but I was just sitting in my office thinking of the strange fate which made me know Jackie when she was a little girl—and which made me also know the assassin (or presumable assassin) his wife and child. And your daughter has been of such help to the Cystic Fibrosis Research Foundation—which he had started in Texas several years ago. She was an honorary chairman of this Foundation.

I do hope that Marina and her children (I understand she has two now) will not suffer too badly throughout their lives and that the stigma will not affect the innocent children. Somehow, I still have a lingering doubt, notwithstanding all the evidence, of Oswald's guilt.

I just received a letter from my brother and he also recalls our friendship with you and extresses his deepest sympathy to you and to your daughter.

Please adept my feelings of respect and consideration.

Sincerely,  
/s/ G. de Mohrenschildt  
George de Mohrenschildt

I also had a great tragedy three years ago, my only son died of Cystic Fibrosis at the age of ten and I understand the impact of the sudden death and the ensuing horrible shock.

Dear Friend:

As per your request for the words of the 'Internationale',  
they are as follows:

INTERNATIONALE

Arise ye prisoners of starvation,  
Arise ye wretched of the earth,  
For just the thunders condemnation,  
A better world's in birth.  
No more traditions chains shall bind us,  
Arise ye slaves, no more enthrall.  
The earth shall rise on new foundations,  
We have been naught, we shall be all.

Chorus:

'Tis the final conflict,  
Let each stand in his place,  
The International party shall be the human race.  
(repeat)

We ask no condescending saviours,  
To rule us from a judgment hall.  
We workers ask not for their favors,  
Let us decide for all.  
To make the thief disgorge his booty,  
To free the spirit from its cell,  
We must ourselves decide our duty.  
We must decide and to it well.

Chorus.....

Very truly yours,

Dear Mr. Oswald:

We have your clipping requesting application for membership in the Socialist Workers Party.

We are sorry for the delay in answering your letter.

Our constitution requires that there must be a minimum of five members before a branch of the Socialist Workers Party can be formed and it is not our practice to take in individual members where no branch yet exists. Unfortunately we don't have any branches at all in Texas.

We very much appreciate, however, your request for membership in the party and wish to continue on a basis of close sympathetic relation with you until such time as a branch of the SWP can exist in Dallas. Pending the necessary basis for such a local structure, we suggest that you concentrate on seeking subscribers to the Militant and promoting the sale of socialist literature obtainable through Pioneer Publishers. Through contacts you may be able to develop on this basis let us hope it will be possible before too long to welcome a Dallas, Texas branch into the party.

In line with the above I am taking the liberty of sending a number of subscription blanks to the Militant so that you can have full advantage of our introductory offer of 4 months for only \$1. We have had great success nationally with our subscription campaign. Also, you yourself should be sure to subscribe to both the Militant and International Socialist Review as you will find them excellent sources of socialist literature and information.

Please keep in touch with us. — Farrell Dobbs Exhibit No. 11

Dear Mr. Oswald:

Your letter and reproductions were turned over to me by the SWP office.

I am familiar with reproductions and offset printing processes. It is clear from your work that you are skilled at blow-ups, reversals and reproduction work generally. Do you do any other phases of the process as well as photography? What about layout and art work?

We have access to a small offset shop here in New York. Generally, when we need any copy work done we have taken it there directly. However there might very well be occasion when we could utilize your skill for some printing project. It would, of course, necessarily have to be a project in which we would have flexibility as to time. It is not easy to do anything in which there is pressure to get a job out immediately through correspondence between New York and Texas. Such work must be done locally, out of necessity. However, for a longer term project it might be possible to ask your aid.

Could you write to me directly at the above address? I would like to know what size camera you have; how large a paper print you can make; how large a negative; and any other technical information that you can give us that would help us judge how your aid could be most effective. If you have any questions please ~~feel~~ free to   to me and I will try to respond promptly.

With best wishes for a year of progress

DIAGNOSIS: WOUND, MISSILE, UPPER LEFT ARM GUNSHOT, NO A OR N INVOLVEMENT #8255

1. Within command - work.

2. Patient dropped 45 caliber automatic, pistol discharged when it struck the floor, and missile struck patient in left arm causing the injury.

NARRATIVE SUMMARY:

This 18 year male accidentally shot himself in the left arm with a sidearm, reportedly of 22 caliber. Examination revealed the wound of entrance in the medial portion of the left upper arm, just above the elbow. There was no evidence of neurologic circulatory, or bony injury. The wound of entrance was allowed to heal and the missile was then excised through a separate incision two inches above the wound of entry. The missile appeared to be a 22 slug. The wound healed well, and the patient was discharged to duty.

JACK EDWIN DOUGHERTY, 1827 S. Marsalais, employee of Texas School Book Depository, was reinterviewed to clarify information previously furnished by him to FBI on November 22, 1963, in relation to information furnished by him to Dallas Police Department on same date.

DOUGHERTY advised that he arrived at work at the Texas School Book Depository just prior to 7:00 AM on November 22, 1963.

DOUGHERTY stated that he saw LEE HARVEY OSWALD, who had been working there for just a few weeks, at approximately 8:00 AM when he, OSWALD, arrived. He stated that he saw OSWALD again at approximately 11:00 AM on the 6th floor but did not see him again after that.

DOUGHERTY stated that just prior to 12:00 PM he and five other men were working on the 6th floor. He said that the others were WILLIAM SHELLEY, DAN ARCE, BONNIE WILLIAMS, BILL LOVELADY, and CHARLES GIVENS.

DOUGHERTY stated that he worked on the 6th floor until 12:00 PM at which time he went to the 1st floor to eat his lunch. He said he went back to work at approximately 12:45 PM, at which time he returned to the 6th floor. He stated that as soon as he arrived on the 6th floor, he went down to the 5th floor to get some stock.

DOUGHERTY stated that it was while he was on the 5th floor that he heard a loud noise. He said that it appeared to have come from within the building but could not tell where. He said that he went down to the 1st floor and saw a man, EDDIE PIPER, and asked him if he had heard a loud noise, and PIPER told him that he had heard three loud noises. He also told him that someone had just shot the President.

DOUGHERTY stated that he then went back to the 6th floor. He said that he used the elevator to go up and when he went back up there, there was no one on the 6th floor. He stated that the five other men whom he had previously mentioned had gone down to the 1st floor to watch the President go by.

KENNETH L. DOWE, 1008 Beechwood, Apartment #1001, Dallas, Texas, furnished the following information:

He is a radio announcer for radio station KLIF, Dallas, and works under the name KEN DOWE. He has been in Dallas for about six weeks and after the murder of LEE HARVEY OSWALD he recalled that an individual who stopped by the radio station on a couple of occasions was JACK RUBY. He also recalled that on November 23, 1963, he received three telephone calls on the KLIF "Hot Line" which is phone number RI 7-9319. He stated on the first call an individual requested to know if he had any information as to when LEE HARVEY OSWALD was going to be transferred. On the second call the same individual inquired as to whether any of the KLIF newsmen were at the City Hall. This individual then asked him if he knew who he was and when he said he did not, the individual identified himself as JACK RUBY. On the third call, RUBY, who he now realized had made the first two calls, told him that he would call the radio station if he learned anything newsworthy as he was going to personally go to the City Hall. As best he could recall these three calls were made between 2:00 p.m. and 5:00 p.m., on November 23, 1963. He knows nothing concerning RUBY's background, personal life, or political convictions and does not know why he shot LEE HARVEY OSWALD. He never heard of OSWALD prior to President KENNEDY's assassination and knows of no connection between OSWALD and RUBY.

He stated that CHUCK DUNAWAY was formerly an announcer for KLIF and now resides at 1438 Oates Drive in Dallas and is employed by Abnack Record Company in Dallas.

KENNETH L. DOWE, who currently resides at 4617 Samuell Boulevard, telephone EV 8-1555, advised he has been employed as a radio announcer for radio station KLIF, Dallas, Texas, since October 23, 1963. Mr. DOWE is 23 years of age and prior to his present employment was employed by radio stations WQXI, Atlanta, Georgia, for ten months; KBOX, Dallas, Texas, approximately eight to ten months; KDEO, San Diego, California, for eight months; WABB, Mobile, Alabama, for six or eight months, and previously was employed while attending college by radio station WHSY, Hattiesburg, Mississippi.

DOWE advised the only time to his knowledge that he ever personally met JACK L. RUBY was either on the first or second day of his employment by radio station KLIF, which was October 23, 1963, or October 24, 1963. He recalled he was being "shown around" the radio station by CHUCK DUNAWAY who was then also employed as an announcer by KLIF, and, on this occasion, JACK L. RUBY was engaged in a conversation with an unknown person, who may or may not have been an employee of the radio station, and they were standing in the front lobby of the station. DUNAWAY interrupted RUBY's conversation with the individual to whom he was talking long enough to introduce DOWE to RUBY. He recalls only that RUBY was described by DUNAWAY in this introduction as the owner or proprietor of a Dallas night club and that RUBY invited him to visit his night club.

DOWE advised he has never visited RUBY's night club and has never personally seen RUBY since that time. He also advised he has never seen RUBY in the premises of radio station KLIF since the occasion on which he was introduced to him.

The only occasion on which DOWE ever spoke with RUBY by telephone occurred on Saturday, November 23, 1963, at which time DOWE was on duty from 12:00 noon until 6:00 p.m. During this period RUBY called the station on three occasions, however, it is DOWE's impression that RUBY identified himself by name on only the last two calls. It is his present recollection that on the occasion of the first call which would have been during the early or middle part of the afternoon RUBY was attempting to reach the news service and inquired as to whether the station had any information concerning the transfer of LEE HARVEY OSWAL.

from the Dallas City Jail to the County Jail. He recalls he advised RUBY, who had not at this point identified himself, that he, DOWE, had no such information.

It is DOWE's recollection that on the occasion of the second call RUBY inquired as to whether any of the newsmen from station KLIF were in the vicinity of the Dallas City Hall and on this occasion that the caller identified himself as JACK RUBY. He advised the name JACK RUBY meant nothing to him and he inquired of some other employee of the station, whose identity he does not now recall, "Who is Jack Ruby?" or words to that effect.

On the occasion of the third call from JACK RUBY, it is DOWE's recollection that RUBY again identified himself and was again attempting to reach the news department and told him that he, RUBY, was going personally to the Dallas County Jail, County Building, or City Hall, he does not now recall specifically which, and in the event he, RUBY, obtained any news story, he would recontact the station.

In this connection, it is DOWE's recollection that RUBY mentioned he was acquainted with HENRY WADE and that he felt he could "get a story" from WADE.

DOWE advised he does not know what prompted the telephone calls to this station by RUBY. He is sure that all three calls were made on the station's "hot line" which was at that time Riverside 7-9319, and that all three calls were made on the afternoon of Saturday, November 23, 1963. He explained the "hot line" calls are screened by the station's switchboard operator each weekday until 5:00 p.m. and on Saturday until 12:00 noon. DOWE explained the station's "hot line" is an unlisted telephone number, however, the number is posted at various places in the station, is known by all station employees, and he feels certain it is also known by the immediate families of station employees and by close personal friends of these employees. He said he does not know how RUBY obtained the "hot line" telephone number but he feels relatively sure the number is rather widely known

and its principal purpose is to screen the numerous calls by "youngsters" calling the station to make requests for the playing of certain musical records from other telephone calls.

DOWE advised as of November 23, 1963, on which date these calls were received from JACK RUBY, he, DOWE, was not well acquainted or familiar with the locations of the Dallas City Hall or County Buildings, and he is not now certain with respect to the third telephone call from RUBY which of these public buildings RUBY indicated he was going to visit. Regardless of which building RUBY indicated he would visit, he did not indicate what he planned to do at that building but merely stated he would call the station again if he secured a news story.

DOWE advised that on Friday, November 22, 1963, it is his present recollection he would have been on duty as an announcer at this station from 3:00 p.m. to 7:00 p.m. and that being a new employee, he was present at the radio station from approximately 10:00 a.m. to at least 7:30 p.m. On Saturday, November 23, 1963, he was on duty at this station from 12:00 noon to 6:00 p.m. and was "on the air" during this period and was probably in the station for some time prior to 12:00 noon familiarizing himself with the operation of the station. On Sunday, November 24, 1963, he recalls that he went to the home of CHUCK DUNAWAY who was then also employed as an announcer by station KLIF and that upon arrival at DUNAWAY's home he was advised that he, DUNAWAY, had just witnessed on television the shooting of LEE HARVEY OSWALD by JACK RUBY. It is his recollection that he spent practically all day on Sunday, November 24, 1963, at the DUNAWAY home.

DOWE advised information previously furnished by him was possibly misleading regarding the number of visits of JACK RUBY to the premises of radio station KLIF, however, he is presently positive he has never seen RUBY at this station except on the occasion of his introduction to him.

GLEN DUNCAN, News Announcer, KLIF, Dallas, Texas, advised he was on duty the evening of November 22, and early morning of November 23, 1963, and recalls receiving two telephone calls from JACK RUBY sometime during the early morning of November 23, 1963, probably between 1:00 a.m. and 2:00 a.m. He stated RUBY said he was going to bring some sandwiches over to the station and inquired as to whether they wanted to interview HENRY WADE, District Attorney Dallas concerning the OSWALD case and indicated he would endeavor to locate WADE and put him in touch with DUNCAN. He stated RUBY indicated he was at the Police Station and apparently HENRY WADE was there also. He stated in the second telephone call RUBY put WADE on the phone and DUNCAN taped an interview with WADE. He stated shortly after these calls, RUBY came to the station with sandwiches and soft drinks. He stated he had never met RUBY before and would describe his condition as being animated about OSWALD being charged with the assassination of the President and the fact that the evidence was shaping up. He stated he knows nothing about the background, associates or activities of RUBY.

DUNCAN stated it is his understanding that when RUBY first called on the early morning of November 23, 1963, he had obtained the telephone number which is a semi-private line from DANNY McCURDY, Aka., Danny Patrick, who was on duty at the radio station at the phone number listed in the Dallas Telephone Directory for KLIF.

DUNCAN stated RUBY did not ask for or receive a press pass from him or from Station KLIF to his knowledge.

1 A I was.

2 Q At that time did you know the Defendant in this case,  
3 Jack Ruby?

4 A No, I did not. I met him by telephone, and later in  
5 person that same night.

6 Q All right sir, now I will ask you if sometime on  
7 Friday evening, late Friday, or early Saturday morning, if you  
8 got a telephone call from a man who identified himself as  
9 Jack Ruby?

10 A I did.

11 Q Will you tell us about what time that was you got the  
12 first call?

13 A That would have been around midnight or shortly there-  
14 after.

15 Q And what did this person who identified himself as  
16 Jack Ruby say to you?

17 MR. TONAHILL: Hearsay.

18 MR. BELLI: He didn't know his voice, didn't  
19 know who it was.

20 Q Let me ask another question.

21 You did receive a telephone call?

22 A Yes sir, I did. I receive a telephone call that was  
23 relayed to the news room from our control room, by a person  
24 who told me he was Jack Ruby. And I was introduced over the

2 Q All right, and who was that other person that introduced

4 A The other person was Danny McGurdy.

5 MR. ALEXANDER: I submit, Your Honor, that that  
6 identifies it sufficiently, and we will connect it with  
7 later conversation.

8 MR. BELL: I don't think it does, Judge. I  
9 don't know what it is. Subject to a motion to strike,  
10 of course.

11 Q All right now, let me ask you a couple of questions.  
12 Did you later meet Jack Ruby in person?

13 A I did.

15 A I did.

16 Q Did you recognize that as being the voice of the person  
17 who had previously identified himself as Jack Ruby on the  
18 telephone?

19 A That, and the conversation over the telephone, and later  
20 meeting Jack Ruby in person, and identifying him to me as the  
21 same man.

22 Q And to you now, do you know now that was Jack Ruby that

1 conversation with him?

2 A Well, this came just after Lee Harvey Oswald had been  
3 charged. At that time I was working --

4 MR. BELLI: Had been what?

5 A Had been formally charged. At that time I was working  
6 alone, and we were short staffed. So I was quite anxious to  
7 get ahold of some information from the City Hall.

8 The man who telephoned, Jack Ruby, asked me if I would  
9 like to get some information, he asked me if I would like to  
10 talk to the District Attorney, Henry Wade. I said I would.

11 Then, the District Attorney was put on the phone, and  
12 I talked to him.

13 MR. BELLI: The District Attorney was what?

14 A The District Attorney was put on the phone. I talked  
15 to him, and recorded an interview with him, in line with the  
16 charging of Oswald.

17 MR. BELLI: Wait just a second -- that is Mr.  
18 Wade?

19 A Mr. Wade, right.

20 Then this was about all the telephone conversation,  
21 except that Jack said he had been looking for one of our news-  
22 men at the City Hall. He said he had some sandwiches and  
23 things for us; that he had come to the front door but hadn't

2 He said he had been over there to try and get in, and  
3 hadn't been able to do so, and had gone over to the City Hall  
4 to try and find one of our newsmen so he could get in.

5 Q Now, did he call back a second time, or was that the  
6 only telephone call that you had?

7 A Actually that was the only conversation I had with him,  
8 to the best of my recollection.

9 There was a mixup in getting the phone number from the  
10 newsroom and so forth, and there were two or three telephone  
11 calls back and forth. To the best of my recollection there was  
12 only one actual telephone call with Jack.

13 Q All right now, sometime after your conversation with him  
14 on the phone, on past midnight, which would bring it to the  
15 early morning hours of Saturday the 23rd, did Jack Ruby show up  
16 at your radio station?

17 MR. TONAHILL: He said his conversation, does  
18 he mean the one with Mr. Wade or with Mr. Ruby?

19 Q I mean the one with Ruby.

20 MR. TONAHILL: All right.

21 A He did.

22 Q All right, and about what time of night was it that he  
23 actually showed up at the radio station?

1 A Yes, I did.

2 Q Will you relate, as best you can, your conversation  
3 with Jack Ruby from the time he showed up there?

4 A Well, he brought the sandwiches and some soda pop,  
5 some Exotic Cola, and he wanted to know if the talks I had  
6 with the District Attorney were satisfactory. It seemed he  
7 was interested in the things that were happening. And I  
8 told him it was.

9 And he stayed for about a half hour or thirty-five  
10 minutes, the best I can --

11 Q He stayed past your two o'clock broadcast?

12 A Yes. That's the only way I can tie that time down,  
13 really. He was there about a half hour to thirty-five min-  
14 utes. It was over the two o'clock newscast.

15 Q In other words, you had to leave in order to make your  
16 two o'clock broadcast?

17 A No, I did it from the newsroom, but he was there over  
18 that time; he was in the newsroom during that newscast. This  
19 is the best time I could put it down, it was about a half hour  
20 around that two o'clock pivotal point somewhere.

21 He seemed excited -- I shouldn't say excited, he seemed  
22 interested in what was happening; he was pleased that he had  
23 thought to ask Russ Knight, who is a KLIF disc jockey, who had  
24 gone over to the City Hall with a tape recorder, and also  
25 interviewed District Attorney Henry Wade with a tape recorder.

1 Jack seemed pleased that he had suggested to Russ that he ask  
2 the District Attorney whether or not Oswald was sane. We  
3 talked about the case and what was happening for about thirty-  
4 five minutes, and then Jack left.

5 Q Did Ruby say anything about when they were going to  
6 move Oswald?

7 A Not to my recollection.

8 Q Let me ask you, if he told you that he had seen Oswald?

9 A Yes, he did.

10 Q What did he say about having seen Oswald?

11 A He said that he had been in the City Hall with the sand-  
12 wiches and so forth in a bag, looking for someone from KLMF;  
13 then, he said, all of a sudden -- I am paraphrasing -- all of  
14 a sudden there was a large rush and commotion when Oswald was  
15 brought out to meet the Press. He said he was caught up in  
16 people rushing, and the first thing he knew he found himself  
17 standing in front of Oswald or close to Oswald.

18 Q Was he pleased that he had seen Oswald?

19 A He seemed to be pleased. In the sense that he was  
20 being in on something, that was important to everyone, yes.

21 Q Did you recognize him as what you people call a "news  
22 bug", someone that tries to follow the events of the day by

1 he certainly is an interested individual, he was eager, he  
2 was excited but not overly so. He seemed in character in  
3 being excited, alert, slightly nervous perhaps. In the sense  
4 of a quick personality, sure.

5 Q And then after the 2:00 o'clock broadcast, he left?

6 A Yes, he did.

7 Q How many sandwiches were there -- I mean, did he have  
8 a big sack full of them?

9 A It was a big sack, there was a sack of sandwiches; there  
10 was various cola -- soda pop; there was a bag of ice in a  
11 plastic bag; and how many sandwiches, I don't know. There were  
12 a lot of sandwiches.

14 A Yes.

21 Q All right, before you came to Dallas did you do news

1 Q Where?

2 A Port Arthur, that is in Southeast Texas, the Louisiana  
3 Coast.

4 Q Would you say that Jack Ruby, when you say he was in  
5 character, was one of those tolerated characters you find in  
6 a community, that you had seen not only in Dallas but in Port  
7 Arthur, that are tolerated until they do something, or some-  
8 thing happens, something like an O'Henry character that is  
9 around buying the hot dogs, bringing coca colas, bustling  
10 around, that people think are sometimes odd, but they let them  
11 stay if they don't disturb anything?

12 A Well, this was my only meeting with Jack Ruby. I  
13 really couldn't say that.

14 When I said excitable, what I meant was, as I say, a  
15 quick individual.

16 Q Yes.

17 A Highstrung might be a word.

18 Q Yes?

19 A But not only excited, I don't mean to convey that.

20 Q But you have to determine in relativity whether he was  
21 more excited this time or some other time, you hadn't seen him

6 MR. BELLI: Withdraw.

7 Q When he said that he had Henry Wade there, he put Henry  
8 Wade on the telephone; and Henry Wade then talked about the

11 Q Was that the time that Mr. Wade said, "This is the man  
12 who shot the President, and he's the man --"

13 MR. ALEXANDER: We object to that.

14 Q -- "that will have to go to the electric chair?"

15 MR. ALEXANDER: We object to going into that.

1           presumably Jack Ruby was there while Mr. Wade came to

3       Q       Is that right?

4                       MR. ALEXANDER: Now, we object to that, that  
5           is outside the record, not evidence.

6                       MR. BELLI: Withdraw.

7       Q       So far as we know, Mr. Ruby was standing alongside the  
8       District Attorney, Mr. Wade, when Mr. Wade was talking to you  
9       for the news beat, is that right?

10      A       I don't know the actual physical placement of the two  
11      individuals, Jack asked me if I would like to talk to the  
12      District Attorney and I said yes. Of course, there was a lot  
13      of commotion on the other end of the line, I could hear a lot  
14      of people in the background, and the next thing I knew I was  
15      talking to the District Attorney.

16      Q       Did that sort of solidify in your mind that Jack Ruby  
17      was a character, someone that could reach out and say, "Here  
18      is the District Attorney, I'll put him on for a news beat,"  
19      and make you think that he was that sort of a character?

20      A       Well --

21      Q       He wasn't a public relations officer for the District  
22      Attorney at that time?

23      A       No.

25      A       No. Under normal circumstances possibly, but in this

1 case things were so disrupted and hectic that I really formed  
2 no particular opinion about it. This was, of course, after  
3 a full day and some, it seems, of covering the assassination  
4 itself, and things were hectic and probably a little foggy  
5 at the time.

6 Q What did this character Jack Ruby say, when he brought  
7 the sandwiches and the soft beverages over to the newsroom,  
8 what did he say, did he make any offer to sit around there,  
9 or want anything in exchange? How did you discern the motive  
10 for this gratuitous act?

11 A Well, in terms of bringing the sandwiches, I did not  
12 know, because I had never met Jack Ruby. I hadn't been in  
13 Dallas that long. But I thought perhaps he knew other people  
14 around the City, or something like that. In terms of helping  
15 with getting the District Attorney on the phone for me and so  
16 forth, I put it down to being interested and wanting to be  
17 helpful.

18 Q Now, what I am interested in, is that he said that he  
19 had seen Oswald. Right?

20 A Yes, he did.

21 Q And he didn't tell you that after having seen Oswald  
22 he made up his mind that he was going to shoot him, did he?

23 A There was no mention of anything like that, nor to the  
24 best of my recollection any mention of moving Oswald.

25 Q He certainly didn't look to you like a man who had made

1 up his mind to shoot anybody at that time, did he?

2 MR. WADE: He wouldn't know what was in the man's  
3 mind.

4 THE COURT: All right.

5 Q Did you know that Jack Ruby had his gun with him and  
6 some \$1200 at the time he had seen Oswald, and at the time he  
7 was with you?

8 A No, I did not.

9 Q He didn't say anything about that?

10 A No.

11 Q As he stood up, you didn't see a little gun in his  
12 pocket, did you, or a big gun?

13 A I didn't see any gun.

14 Q All right. After he had seen Oswald, did he seem in any  
15 wise pleased or satisfied that he had seen this character,  
16 whether it was a grotesque character, a villain, a hero or what  
17 not, he had been in on world events, and he had seen someone  
18 who had done something. Right?

19 A Just to sum it up, yes, he seemed interested and excited  
20 in that sense.

21 Q That he had seen someone, and at least at that time he  
22 didn't seem to be upset about having seen him, or didn't  
23 comment about him having a black eye, or didn't comment about  
24 anything else, did he there? Or did he say he had seen him  
25 having a black eye?

1 A He said, of course, that he had seen him. Whether or  
2 not he mentioned the fact that Oswald may or may not have had  
3 a black eye, or not, I don't remember.

4 Q Did he say that he was standing on a chair in the back  
5 of the assembly room, where he had a clear view of Oswald?

6 A Jack?

7 Q Yes.

8 A As I recall he said he had been caught up in the crowd  
9 and he was standing close to Oswald, with his arms full of  
10 sandwiches, and so forth.

11 It seems to me he used the term, "There I was standing  
12 there looking up, and he was right in front of me." Or  
13 "close to me."

14 Q Then he left you. And this was Friday night?

15 A Friday night, Saturday morning, yes.

16 Q All right, tipping over into Saturday morning?

17 A Correct.

18 Q Well, when he left you, it was about 1:40?

19 A No, it was somewhere after 2:00 o'clock, I would say  
20 2:10 or 2:15, possibly.

21 Q He was going home at that time, is that right?

22 A I don't know.

23 Q Did he say where he was going?

24 A No, he didn't.

25 Q He was alone, he didn't have anybody with him?

1 A There was no one came up with him, no.

2 Q You haven't heard about him meeting a policeman later

4 A No, I had not.

5 Q Did you see him again before his arrest?

6 A No, I didn't.

7 Q You didn't see him any more?

8 A No.

9 Q He didn't communicate with you any more, did he?

10 A No.

11 Q All right.

12 MR. BELLII: Now, Your Honor ruled that anything

18 A Yes, it would be around, if we could find it somewhere.

EBERHARDT EXHIBIT No. 5025

## FEDERAL BUREAU OF INVESTIGATION

Date 12-21-63

1

AUGUST M. EBERHARDT, Detective, Burglary and Theft Division, Dallas, Texas, Police Department, was interviewed concerning the name MIKE EBERHARDT, 706 E. Farmer, CH 4-1766, Seagoville, Texas, being found in the personal affects of JACK RUBY during the time of his arrest.

EBERHARDT has known JACK RUBY and RUBY's sister, EVA GRANT, for five or six years and has been in contact with both individuals over this period of time in connection with official business. He said that both RUBY and EVA GRANT, he is sure, have his calling card. He believed that RUBY wrote his name and address sometime shortly prior to May 8, 1962, because this was the day his, EBERHARDT's, child was born and RUBY wanted to send the child a present. He had also invited JACK to visit him and JACK stated he was going to see him but he never did.

He has not seen JACK RUBY for about three weeks prior to November 22, 1963.

On November 22, 1963, EBERHARDT was on duty from 3:00 p.m. to 11:00 p.m. on that day, which was the day the President was assassinated. He recalled seeing JACK RUBY in the hallway on the third floor at about 6:00 or 7:00 p.m. and asked him what he was doing there and RUBY told him that he had brought some sandwiches over and was acting as interpreter for some Israeli reporters. RUBY was carrying a note book and he thinks he had on some kind of a lapel badge such as reporters were wearing. He could not be sure about this but recalled that when he asked him what he was doing there, RUBY had pushed his lapel with his note book when he answered about acting as interpreter.

EBERHARDT said that he might be mistaken about this press card. He also remembered that RUBY said he had bought sandwiches and had remarked that he had brought nothing but "Kosher stuff."

He next saw RUBY sometime between 11:30 p.m. and midnight on the 22nd when there was a press conference in the Police Assembly Room in the basement of the Police Department. At that time, RUBY was standing on top of a table with a group of reporters when LEE HARVEY OSWALD was being interviewed by the press that night. He did not recall RUBY asking any questions during the press conference. He did not recall seeing RUBY between 7:00 p.m. and the time of the press conference.

EBERHARDT was not on duty Sunday, November 24, 1963. He had no idea as to how RUBY got into the basement on that day, which was the day OSWALD was shot. He said that RUBY knows numerous Police Officers in Dallas, both plain clothes officers and uniformed officers. He did not know why RUBY shot OSWALD, but remarked when Detective "SLICK" MULLINIX of the Vice Squad was shot to death previously, RUBY had been quite concerned and had been further disturbed when the person accused of shooting him was not prosecuted.

He had in his own, EBERHARDT's, dealings with RUBY found him to be honest and reliable. He knew of no favors that RUBY had extended to any Dallas Police Officers or of any Dallas Police Officers soliciting any favors of RUBY.

EBERHARDT knew of no connection or association between OSWALD and RUBY and had no information concerning any conspiracy on the part of RUBY and others to kill OSWALD.

Today, November 22nd, 1963, I was with Ronald Fischer, and we were on the corner at Elm and Houston, and I happened to look up there at the building, the Texas School Book Depository Building, and I saw a man at the window on the fifth floor, the window was wide open all the way; there was a stack of boxes around him, I could see. Bob remarked that he must be hiding from somebody. I noticed that he had on a sport shirt, it was light colored, it was yellow or white, something to that effect, and his hair was rather short; I thought he might be something around twenty-six, as near as I could tell.

The motorcade rounded the corner about this time, and then I thought I heard four shots, but it never occurred to us what it was. The shots seemed to come from that building there.

Today, November 22nd, 1963, I was with Robert E. (Bob) Edwards, we were standing on the corner of Elm and Houston, on the southwest corner; about thirty seconds before the motorcade came by, Bob turned to me and said that there was a man on the fifth floor of the Texas School Book Depository Building, at the window there, and I looked up and saw the man. I looked up at the window and I noticed that he seemed to be laying down there or in a funny position anyway, because all I could see was his head. I noticed that he was light-headed and that he had on an open-neck shirt, and that was before the motorcade rounded the corner. I noticed his complexion seemed to be clear, and that he was in his twenty's, appeared to be in his twenty's.

I turned away and by that time the motorcade rounded the corner. And then I heard what I thought was three shots, and the motorcade was about where that Stemmons Freeway sign is there.

I do remember one peculiar thing happened just at the time I saw the man up there. There was a girl walked in the Texas School Book Depository Building, a rather tall girl, and looked to me like she might be an employee in that building. She was walking in while everyone else had been coming out.

FISCHER EXHIBIT No. 1

Date 6/29/64

HAROLD FLEMING, Operations Manager and Corporate Counsel, Armored Motor Service, Inc., 1020 West Seventh Street, Fort Worth, advised that between 9:30 and 9:40 AM, on November 24, 1963, he received a telephone call at his home in Dallas from Assistant Chief of Police BATCHELOR, Dallas Police Department, asking if the company could loan the city an armored truck for transportation of LEE HARVEY OSWALD from City Hall to the County Court House. FLEMING asked Chief BATCHELOR if there was any limitation as to the size of the vehicle he wanted to use, and asked Chief BATCHELOR to measure the Commerce Street entrance to the City Hall Garage, which Chief BATCHELOR stated the truck should enter, to determine if the truck would fit into that entrance. He told Chief BATCHELOR he would recontact him later to ascertain the measurements.

Chief BATCHELOR told FLEMING the armored truck was needed in order to handle the transportation of OSWALD with the utmost security. He also told FLEMING he wanted the truck backed into the Commerce Street entrance.

FLEMING told Chief BATCHELOR there would be some delay, because it would be necessary to contact two employees, each of whom had a key to the armored transport terminal, two keys being necessary to open the terminal. Chief BATCHELOR asked him to get to City Hall as soon as he could. He made no mention of the details of the transportation, such as the route that would be taken, the time OSWALD would be put into the truck, the size of the guard, or any other details.

FLEMING then attempted to call BERT HALL, manager of the Dallas Office of his firm, but was unable to locate him at home. He then called TOM MASTIN, JR., the company President, in Fort Worth, and told him of Chief BATCHELOR's request. MASTIN gave his okay for the furnishing of an armored truck to the Police Department.

FLEMING then called TOM JAMES, a Vice President of the firm, who lives near the church BERT HALL attends, and asked JAMES

to go to the church, attempt to locate HALL, and have him call FLEMING. He told JAMES at that time of the Police Department's request to furnish a truck for the transporting of OSWALD.

A few minutes later, at around 9:45 to 9:55 AM, HALL telephonically contacted FLEMING. The latter asked HALL who had the two keys to the Dallas terminal of the company. HALL told him they were in possession of employees DONALD GOIN and ED DIETRICH. FLEMING called DIETRICH and it took him another ten minutes, approximately, to contact DIETRICH. He did not tell DIETRICH of the plans to move OSWALD, but merely told him to meet FLEMING and HALL at the terminal immediately. FLEMING said DONALD GOIN was telephonically contacted by HALL and given similar instructions.

FLEMING then proceeded to the Dallas terminal of the company. By the time he arrived, HALL, GOIN and DIETRICH were already there. FLEMING, from the terminal, telephonically recontacted Chief BATCHELOR and ascertained the dimensions of the Commerce Street entrance to the City Hall garage. FLEMING said that by this time such information was unnecessary, because the other men had been at that garage and knew that the larger truck would not go all the way into the entrance.

FLEMING and HALL discussed what truck to take. HALL was in favor of using an ordinary armored truck, but FLEMING was in favor of taking the larger, two-ton Chevrolet truck, because he felt this larger truck would be necessary to accommodate the many persons who he felt would accompany OSWALD on the transfer. It was decided that the larger truck would be used.

FLEMING said he had left his wrist watch at home, and could not even estimate the time that their conference broke up, the time they left the terminal, or the time they arrived at City Hall. He added parenthetically that his company was most anxious to extend complete cooperation to the Police Department in this or

FLEMING EXHIBIT No. 1—Continued

any other matter, because the company was seeking the issuance of fifty special officers' permits for its employees to carry guns.

They then left the terminal, with HALL driving the larger armored vehicle and FLEMING riding as passenger. GOIN and DIETRICH followed in the smaller vehicle. FLEMING believes GOIN drove the smaller vehicle, and believes GOIN was the only member of the group in uniform. They left the parking lot on Flora Street, drove west on Flora to Leonard, south on Leonard to Ross, west on Ross to Pearl south on Pearl to Main, west on Main to Harwood, south on Harwood to Commerce, and east on Commerce to the entrance of the City Hall garage.

HALL backed the truck into the Commerce Street entrance of the garage, and was only able to get the rear end in, the cab and the four front doors of the truck protruding outside the garage. FLEMING got out the passenger side, while HALL remained in the truck the entire time, with the motor running. The truck fit very snugly into the entrance and was so close to the entrance on the passenger side that FLEMING had to go around the front of the truck and enter the garage on the driver's side of the truck. He recalls there was a policeman on guard duty on the passenger side of the garage entrance. He was not a part of the OSWALD guard force, but was merely on duty to prevent unauthorized persons from entering and leaving the garage. FLEMING does not know the identity of this officer.

When FLEMING tried to enter the garage he was challenged by a police officer just inside the garage. During the course of the period he spent there, he was in and out of the garage on three occasions, conferring with the other employees of his firm, and he was challenged on three occasions, having to identify himself and explain the reason for his presence in the garage.

When FLEMING got in the garage, he located and conferred with Chief BATCHELOR. They got into the rear of the truck and checked

FLEMING EXHIBIT No. 1—Continued

the locks and other security devices for protecting the prisoner. Chief BATCHELOR did not tell FLEMING when OSWALD would be brought down, the route they should take in going to the County Court House, or any other details of the proposed transfer. FLEMING said he entered into no discussion with any other police official or employee.

He said the smaller armored vehicle parked across the street from the garage entrance, on the south side of Commerce Street, and during the period he was in and out of the garage he was checking their position, and conferring with GOIN and DIETRICH in that truck. He instructed them to follow the larger truck when they departed for the Court House, so that should anything go wrong with the larger truck OSWALD could be immediately transferred to the smaller vehicle and the transfer could be accomplished with a minimum of trouble and a maximum of security.

FLEMING said he did not see any police officer conferring with HALL while the truck was parked in the entrance. He said that when the shooting occurred he, FLEMING, was outside the garage. He said the shooting sounded like a cap pistol. He said he was not in a position to see into the garage at the time or immediately after the shooting, but he did enter the garage soon thereafter and was told by a newspaper reporter that OSWALD had been shot.

FLEMING said he never knew OSWALD or RUBY, and did not see either of them at any time. He said he could not estimate the length of time they were at the City Hall garage before the shooting. Shortly after the shooting, an ambulance entered the Main Street side of the garage to pick up OSWALD, at which time their armored truck was kept from leaving the Commerce Street side because it was barred by a police cruiser parked in front of it. However, in a short time, the police cruiser was moved and the truck then pulled out of the garage entrance, and parked across the street on the south side of Commerce Street.

FLEMING then located Chief BATCHELOR, told him it did not

FLEMING EXHIBIT No. 1—Continued

look as though the services of the armored truck would be needed any longer, to which Chief BATCHELOR agreed, and the four individuals from the armored transport firm left in the two trucks. He estimated that they left about seven or eight minutes after the shooting of OSWALD.

Dear Mrs. GEMALD:

The letter of Commander, Marine Air Reserve Training, 50/C-117, Over 1900 of 26 April 1960, to your son was prompted by his request for Soviet citizenship. An investigation concerning this matter has been conducted by military authorities and the case will be placed before a board of officers which will recommend what your son is retained in, or separated from the U. S. Marine Corps Reserve.

Your son, of course, has the right to appear in person or to present any facts or evidence which would assist the board in reaching its decision. The letter of 26 April 1960, informed him of these rights. In view of the fact that he has not informed this Headquarters of his current address and that he has left the United States without permission, it is considered that a letter sent to the last address on file at this Headquarters is sufficient notification. A letter will be sent by certified mail informing your son of the convening date of the board.

Should you be aware of any facts or information which would assist the board in evaluating your son's case, it is suggested that you forward them to this Headquarters.

It is regretted that action of this nature must be taken in your son's case.

MEMORANDUM

From: Wing Law Specialist  
To: Chief of Staff

Subj: Summary Court-Martial, case of Lee H. Oswald, private, USMC

1. Subject court-martial has been reviewed pursuant to the provisions of Article 65c, Uniform Code of Military Justice.
2. In reviewing said case no errors or irregularities were noted, other than the failure of the record to reflect legally admissible evidence of the one prior conviction considered by the court. The accused pleaded not guilty to all charges and specifications. Since he was found guilty of only one charge and specification the summary of the evidence will be limited to the approved findings only.
3. Technical Sergeant Rodriguez and two companions were seated in a C-47. The accused approached their table. He spilled part of a drink on the Technical Sergeant. Whether this was accidentally or not was an issue in the case. Apparently the court decided that it was accidental. When the drink was spilled the Technical Sergeant arose and shoved the accused away. This resulted in the accused inviting the sergeant outside. The Sergeant testified that the actual words alleged were used. This was corroborated by another witness. The accused testified in his own behalf. The substance of his testimony was that he felt that the Sergeant had it in for him. He had asked to be transferred from under his cognizance. This had been refused. He testified that he went over to see the sergeant for the purpose of discussing the situation with him; that the drink was spilled accidentally; and that he was somewhat intoxicated. He remembered inviting the accused outside but did not remember calling him yellow or anything like that.
4. The findings are correct in law and fact and the evidence is sufficient to establish guilt beyond reasonable doubt. The victims' testimony was corroborated by disinterested witnesses; the accused's testimony admitted certain material aspects of it; and did not deny uttering the words charged. As a matter of fact his competency as a witness is seriously impaired by his own admission that he was drunk.
5. Even without evidence of the one prior conviction the sentence is legal and appropriate for the offense. This was determined by reference to the table of maximum punishments contained in MCM 1951, and by reference to sentences imposed in like cases. Its approval is recommended. An action reflecting my recommendation has been prepared for your consideration.

REVIEW OF THE DISCHARGE OF

OSWALD, Lee Harvey Ex-Pfc 1653230 USMC

CHARACTER OF DISCHARGE RECEIVED

UNDES(UNFIT)

CONCLUSION

REMARKS

The service record of petitioner shows that he was discharged as unfit for good and sufficient reasons. This was based on reliable information which indicated that he had renounced his U.S. citizenship with the intentions of becoming a permanent citizen of the Union of Soviet Socialist Republics. Further, that petitioner brought discredit to the Marine Corps through adverse newspaper publicity, which was generated by the foregoing action, and had thereby, in the opinion of his commanding officer, proved himself unfit for retention in the naval service.

After careful consideration of the facts presented in all available records of the Department of the Navy and of the claims and evidence submitted, the Board finds that the discharge was proper and equitable under standards of law and discipline applicable at the time, or since made applicable, and that the discharge accurately reflects petitioner's conduct and character during the period of service which was terminated by the discharge. Not finding sufficient evidence to support a contrary conclusion, the Board concludes that no change, correction or modification should be made in the type or character of the discharge.

DECISION: NO CHANGE. ~~XXXXXXXXXX~~

It is the decision of the Board that the character of the discharge originally issued is proper and that no change, correction or modification be made in the Undesirable Discharge.

Petitioner requests recommendation for reenlistment, review of case and appropriate action. He submitted a brief which essentially states that his discharge was improperly issued. Also included was pet's statement and two letters from the U.S. Embassy, Moscow. As requested by pet, his lengthy statement was read to the board. It contained his contention that the Undesirable Discharge Board found against him primarily on the grounds that he went to USSR and allegedly renounced his U.S. citizenship to become a citizen of that country. Pet denied this allegation and claimed that since he had a choice of residence as an American citizen, such action could not be judged as being fair or impartial. He further stated that he did not violate any U.S. laws by his actions and quoted in part, an American Embassy, Moscow letter which stated: "Meanwhile, your continued retention of your present Soviet passport or an extension thereof does not prejudice in any way your claim to American citizenship."

ASS. DIRECT. OF PERSONNEL

Dear Sir;

In reply to your notification  
of the granting of an undesirable  
discharge and your conveying of the  
process at which it was arrived.

I would like to point out  
in direct opposition to your  
information that I have never  
taken steps to renounce my U.S.  
citizenship, also that the United  
States State Department has no  
charges or complaints against  
me whatsoever.

I refer you to the United  
States Embassy, Moscow, or to the U.S.

Department of State Washington D.C., for  
the verification of this fact.

also, I was aware of the finding  
of the board of officers of August 1960.  
I was notified by my mother in  
December 1962.

My request to the Secretary of  
the Navy, his referral to you and  
your letter to me, did not say  
anything about a Review, which  
is what I was trying to arrange.

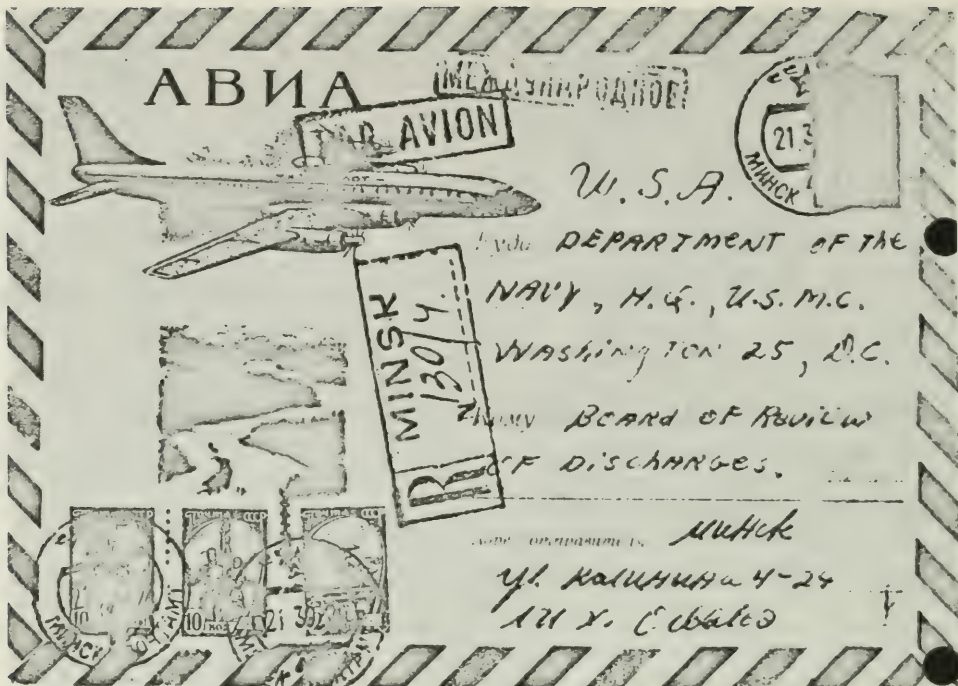

You mention "reliable information"  
as the basis for the undesirable  
discharge. I have no doubt it was  
newspaper speculation which furnished  
your "reliable information."

Under U.S. law governing the  
use of passports and conduct abroad  
I have a perfect right to reside in  
my country. I wish too.

I have not violated, Article 1544,

Mr. Lee H. Oswald

Dear Mr. Oswald:

Your letter of 30 January 1962 addressee to the Secretary of the Navy concerning your separation from the Marine Corps Reserve on 13 September 1960 has been referred to me for reply.

A review of your file at this Headquarters reflects that a board of officers was convened by the Commander, Marine Air Reserve Training, Naval Air Station, Glenview, Illinois, for the purpose of determining your fitness to remain a member of the Marine Corps Reserve. Referral of your case to this board was premised on reliable information which indicated that you had renounced your United States citizenship with the intentions of becoming a permanent citizen of the Union of Soviet Socialist Republics. The Commander, Marine Air Reserve Training, made reasonable effort to inform you of your right to appear before the board in person, representation by counsel of your choice and to present any evidence or statements you believed pertinent to your case.

In the absence of reply from you concerning your rights as noted above, the board, nevertheless, convened and met on 8 August 1960 at which time a recommendation was submitted that you be separated from the Marine Corps Reserve as undesirable. This recommendation was concurred in by the Commander, Marine Air Reserve Training and approved by this Headquarters. Your discharge as undesirable was directed by this Headquarters on 17 August 1960 and effected 13 September 1960.

Your discharge certificate as undesirable is attached. Earlier delivery of your certificate could not be accomplished since your whereabouts previously was unknown.

Sincerely,

LEE H. OSWALD

January 30, 1961

Dear Sir,

I wish to call your attention to a case about which you may have personal knowledge since you are a resident of Fort Worth as I am.

In November 1959 an event was well publicized in the Fort Worth newspapers concerning a person who had gone to the Soviet Union to reside for a short time, (much in the same way E. Hemingway resided in Paris.)

This person in answer to questions put to him by reporters in Moscow criticized certain facets of American life. The story was blown up into another "sensational" with the result that the Navy Department gave this person a belated dishonourable discharge, although he had received an honourable discharge after three years service on Sept. 11, 1957 at El Toro, Marine Corps Base in California.

These are the basic facts of my case.

I have and always had the full sanction of the U.S. Embassy, Moscow U.S.S.R. and hence the U.S. government. In as much as I am returning to the U.S.A. in this year with the aid of the U.S. Embassy, bring with me my family (since I married in the U.S.S.R.) I shall employ all means to right this gross mistake or injustice to a born-free U.S. citizen and ex-service man. The U.S. government has no charges or complaints against me. I ask you to look into this case and take the necessary steps to repair the damage done to me and my family. For information I would direct you to consult the American Embassy, Chikovski St. 19/21, Moscow, U.S.S.R.

Thank you

FOURTH ENDORSEMENT on Pfc OSWALD's ltr of 17 Aug 1959

From: Senior Member, 3d Marine Aircraft Wing Hardship or Dependency Discharge Board

To: Commanding General, 3d Marine Aircraft Wing

Subj: Discharge by reason of dependency; request for case of Private First Class Lee H. OSWALD 1653230/6741 USMC

1. Guided by the provisions of reference (a) and in compliance with Third Endorsement hereto, the Hardship or Dependency Discharge Board met at 1530, 27 August 1959 to consider the case of Private First Class Lee H. OSWALD 1653230/6741 USMC. The Marine had submitted an official request for a dependency discharge in accordance with reference (a). The following members were present:

Lieutenant Colonel Bolish J. KOZAK 07108 USMC (AMWHG-3)  
Major George E. MC CLANE 016430/7335 USMC (MAG-36)  
Major Eugene T. CARD 035129/7304 USMC (AMWHG-3)

2. Upon examination of the basic request, supporting enclosures and Service Record, Private First Class Lee H. OSWALD was interviewed by the Board. The following facts were then considered:

a. Private First Class Lee H. OSWALD, not married, on his initial three (3) year enlistment in the Marine Corps is obligated to serve on active duty until 7 December 1959.

b. The Marine submitted his request for a dependency discharge in order that he may provide physical and financial assistance to his invalid mother residing in Fort Worth, Texas.

c. The home situation of Private First Class OSWALD has been aggravated subsequent to his enlistment date through incapacitation of his mother as a result of an industrial accident. The mother is no longer gainfully employed due to her physical condition and has no source of income. The presence of her son, Private First Class OSWALD, is required for physical and financial assistance.

d. One son, married and residing in Fort Worth is unable to provide either financial or physical assistance to the Marine's mother due to his marital responsibilities and the inability of the two families to maintain a common home. Another son, married, with the U. S. Air Force on active duty in Japan, cannot furnish financial support.

e. The Marine has no firm offer of employment he has indicated that his former employer will entertain offering employment with a suitable salary to provide the necessary support of his mother.

3. In evaluation of all facts available, it is the opinion of the Board that Private First Class OSWALD meets the requirements of paragraph 10273 MCM for release from active duty.

4. The Board recommends that Private First Class Lee H. OSWALD be released from active duty with the Marine Corps for reasons of dependency.

  - a. Pfc OSWALD's EOS is 23 October 1962.

To Whom It May Concern:

This is to certify that the undersigned is attorney for Mrs. Marguerite C. Oswald, representing her in a claim for Workman's Compensation Benefits, growing out of her injuries sustained December 5, 1958, while she was an employee of the King Candy Company working at the Fair Ridglea Department Store.

This is a Workman's Compensation Claim, and suit has not yet been filed because the claim is pending before the Industrial Accident Board of the state of Texas, and the matter was supposed to have been passed on by the Industrial Accident Board on July 14, 1959, but no notice has been received as of this date as to whether or not any award was entered at that time.

It is possible and likely that suit will have to be filed when the award of the Industrial Accident Board is known, and it is not expected that the case would be set for trial earlier than December, 1959, and probably not later than March or April of 1960.

I, Mrs. Marguerite Childs, of 3240 Sondra Drive, Fort Worth, Texas, do on this 24th day of July 1959, make the following statement concerning the need for Pfc. Leo H. Oswald, 1653230, MCAD - 1-MAG 11, F.P.O. San Francisco, California, to be given a discharge.

I am a friend of the serviceman's mother. I have known the serviceman's mother for four months while we were neighbors. I know Mrs. Oswald is in poor health and not able to work. Her condition is due to an accident which occurred in December 1958. I know she has been the care of doctors since then. They tell her there is no cure for her. Her illness is such that she cannot hold a job.

I know Mrs. Oswald is in dire need of money. She has no income and for a time, I as well as other neighbors bought her groceries for her.

I feel that Mrs. Oswald needs her son here with her to take care and provide for her.

Signed,

*Mrs. Melba Childs*

RE: Pfc. Lee H. Oswald

F.P.O. San Francisco,  
California

I, Mrs. John B. Knight, of 6470 Greenway, Fort Worth, Texas, do on this 24th day of July 1959, make the following statement concerning the need for Pfc. Lee H. Oswald, 1653230, MCAS -1- MAG - 11, F.P.O. San Francisco, California, to be given a discharge.

I am a friend of the serviceman's mother. I have known her for eight months. Our acquaintanceship and friendship started over the sale of a dog which we had and the Oswalds bought.

Mrs. Oswald has not been in good health since her accident in December 1958. She is very nervous and has a great deal of trouble in breathing. Her nose is swollen much of the time. I know Mrs. Oswald has been under the care of doctors for many months. Because of her condition she is not able to return to her work. She has tried to hold down other jobs but because she is not well she is forced to give up her work.

It is hard for Mrs. Oswald to be alone and to make all the many decisions which come up. I know how hard it is for a woman alone since I had to make all the decisions for my family for 4 years.

I know Mrs. Oswald has no income and since she can't work she needs her son here to provide for her. I believe that Pfc. Lee Oswald should be given a discharge so that he may come home and provide for his mother.

RE: Pfc. Lee V. Oswald

San Francisco, Calif.

I, Vera M. Oswald, of 2124 West 5th, Fort Worth, Tex on this 20th day of July, 1959, make the following statement concerning the need for my son, Pfc. Lee V. Oswald, 1653220, M.C.A.S. 1-1443-11, T10, San Francisco, California to be given a discharge.

I need my son to provide for me since I am no longer able to work. In December 1958 some bones fell on my foot as I was reaching for them off a high shelf. At that time I was manager of the candy department for King Candy Company in the Fair Ridgely Department Store. At that time my foot was badly swollen. I was examined by two doctors designated by Liberty Mutual Insurance Company, who insure the King Candy Company. These doctors told me "there is nothing wrong" and "to go back to work." I did go back to work at two different times, but was unable to complete a days work due to nasal drainage and foot spinal discomfort. A first doctor who examined me, Dr. J. R. Harris, an M.D., M.P., eye and throat specialist, advised me to "go back to the swollen area or not on my" and at that time one-half cup of infection leaked out. "Everyone got scared" and realized that, although there was no fracture of the nose, I've not been well after all. So five weeks after the accident I am receiving \$29.00 a week disability payment. When my payments were discontinued, the insurance doctors being of the opinion that I was employable, I hired a lawyer, Mr. Jacks, to bring suit against King Candy Company. It is uncertain when my case will be up before the State Board of Insurance Commissioners.

In the meantime since I had no prospects of any income I sold all my furnishings for less than \$200.00 and took employment as a housekeeper at \$21.00 a week plus room and board. I stored there only two weeks because my employer drank too much. I hope to find baby-sitting jobs but I cannot apply for an eight-hour-a-day job because my sight are completely congested at night and I must apply steady to drain them, losing a lot of sleep. Also I must constantly blow my nose.

My budget is as follows:

I have two other sons: Robert is married and is not able to help me since he has his own responsibilities.

My other son is John E. Po. He is in the Air Force and is presently stationed in Japan. He has a wife and three small children to support and is in no position to help me.

I have no money to use for living expenses and I must have my son at home now to provide for me.

Re: PFC Lee H. OSWALD, 1653230, USMC

Attn: R. A. Cooley  
Major, U.S. Marine Corps

Dear Sir:

- I. At the present time, my monthly gross income from all sources is none from wages, contributions, pensions, social security, and compensations. I have no income.

In the last 12 months, August to December 1958, I received \$200 a month from wages, contributions - none, pensions - none, social security and compensations - none. Then January thru May 1959, I have received the Workers Disability Compensation of \$29 a week, which totaled \$543.

From May until the present time, I have had no income nor reserve amount to draw upon. I have had to sell my furniture in order to pay my rent and food bills. It sold for less than \$200 and during this time, my cocker spaniel dog had puppies which I sold for \$55. This has helped me, but now my funds are exhausted and I have no income and am unemployable since I am under the care of two doctors and must go every day.

- II. I am a widow and live alone.

- III. I have not worked since December 5, 1958, which was the date of my accident. My gross monthly pay was \$200 a month and the name and address of my last employer - King Candy Company, 813 East 9th, Fort Worth, Texas.

FOLSOM EXHIBIT No. 1—Continued (p. 94)

I received \$116 a month from Disability Compensation from the months January thru May 26, 1959. I have no spouse.

IV. Doctor's statement attached.

V. I have not received the Workers Disability Compensation since May 26, 1959.

Re: PFC Lee H. OSWALD,  
1653230, USMC

My dear Mrs. Oswald:

The above-named Marine has applied for an allowance in your behalf and pending a determination as to entitlement, he has registered the required voluntary allotment to you.

Under current regulations, parents are deemed eligible dependents for the purpose of an allowance if the Marine has provided their principal support and if their income from sources other than the Marine does not constitute their principal support. Dependency is determined on the basis of a Parent's Dependency Affidavit completed by the parent; therefore, in order to determine your dependency, it is requested that you complete the enclosed form of affidavit in detail, acknowledge it in the presence of a notary public or other official authorized to administer oaths and return it to the Commandant of the Marine Corps, Code DNB, Washington 25, D. C.

If you are not dependent on the Marine, please write that fact on the form, sign and return it to the address given above.

If it is determined that you are dependent on the Marine for your principal support, the allotment registered to you will be increased to include the allowance contributed by the government.

An instruction sheet is enclosed for your guidance in completing the form.

If a reply is not received within thirty (30) days, it will be necessary to disapprove the application filed in your behalf.

Sincerely yours,

Encl:

MEMO FOR THE RECORD on subject record

To: Judge Advocate General  
From: Commandant of the Marine Corps  
Via: Chief, Bureau of Medicine and Surgery

Subject: Injury - Injury to PVT Leo M. GARDIS, 1631270, USMC,  
on 27 October 1947

1. Forwarded for information and record.

2. The basic report of investigation reveals that the subject was placed a loaded Remington .22 caliber pistol in his locker. On 27 October 1947, at Private Gardis opened his locker to remove some gear, the same instrument was on the floor and discharged, wounding Private Gardis in the left elbow. The investigating officer was of the opinion that the injury was inflicted in the line of duty and was not the result of misconduct. The third, seventh and eighth environments did not approve the basic finding of no misconduct.

3. Misconduct is wrongful conduct. Simple or ordinary negligence, however, does not constitute misconduct. The fact that an act violates a law, regulation or order does not of itself constitute misconduct. In order to support a determination of misconduct, it must be found that the injury was intentionally incurred, or resulted from negligence which was so gross as to demonstrate a reckless disregard of the consequences. 1953 US HCN, sec. 841B.

4. It is recognized that firearms are inherently dangerous and their use demands the highest degree of care. In the instant case, the record reveals that Gardis displayed a certain degree of carelessness or negligence by his act of storing a loaded pistol in his locker where there was the possibility that it might be accidentally used. Such carelessness on his part, however, is not deemed to be so gross as to indicate an utter or reckless disregard of the consequences.

3. It is considered that the subject case is distinguishable from the case cited in the cited memorandum to the same effect. In the cited case, it is shown that the injuries sustained were the direct result of the careless use of handling of the weapon, whereas the injury in the instant case was the result of an accidental fall of the weapon to the deck, resulting in the discharge.

4. Accordingly, the Judge Advocate General holds that the injuries to Private Lee H. Oswald, U. S. Marine Corps, on 22 November 1957, were incurred in the line of duty and were not the result of his own misconduct.

5. Pursuant to 1953 HCSM, sec. 5000 paragraph (a) that the purpose of the ordering and recording of injuries on a certificate shall be placed thereof by endorsement, this subject is deemed the sixth endorsement on subject record.

6. In view of the foregoing, the proceedings in the attached are legal.

Date Dec. 9, 1963

Captain W. B. FRAZIER, Radio Patrol, Dallas Police Department, advised that about 3:45 a.m., November 24, 1963, he received a telephone call at the Dallas Police Department from Mr. NEWSOM, a Special Agent of the Dallas FBI Office, to the effect that the FBI had received an anonymous telephone call from a male individual, indicating that a group was going to kill LEE HARVEY OSWALD that day, that night or the following day. The anonymous caller had stated further, he did not want any officer hurt and that was the reason for the call but was going to kill OSWALD and there was nothing anybody could do about it.

Captain FRAZIER stated subsequently, about 5:00 a.m. to 5:30 a.m., November 24, 1963, he called Captained J. W. FRITZ, Homicide and Robbery Bureau, Dallas Police Department, at his (FRITZ's) home and related the circumstances of the above call from the FBI. Captain FRAZIER stated that Captain FRITZ told him that Chief JESSE CURRY was handling the transfer of OSWALD and suggested that he (FRITZ) call Chief CURRY.

FRAZIER

Captain FRAZIER stated between 5:30 a.m. and 5:45 a.m., November 24, 1963, a Deputy COX or COY from the Dallas Sheriff's Office, called and stated Sheriff DECKER had instructed him to call the Dallas Police Department and request that Chief CURRY call him (DECKER) about the transfer of OSWALD. Captain FRAZIER added that the Deputy Sheriff indicated Sheriff DECKER wanted OSWALD transferred to the County Jail as soon as possible.

Captain FRAZIER stated as he recalls he thereafter called Captain J. W. FRITZ again and advised him that Sheriff DECKER wanted OSWALD transferred as soon as possible. Captain FRAZIER stated Captain FRITZ again told him that he (FRAZIER) would have to contact Chief CURRY as he (CURRY) was handling it.

Captain FRAZIER stated he attempted to call Chief CURRY at his residence about 6:00 a.m., November 24, 1963,

Captain FRAZIER said he contacted the telephone operator and asked the operator to check Chief CURRY's telephone and see if a conversation was in progress on that line or if the line was out of order. Captain FRAZIER said the operator called back and stated the telephone was out of order.

Captain FRAZIER stated by this time it was about 6:15 a.m., November 24, 1963, and Captain CECIL E. TALBERT arrived at the office and relieved him (FRAZIER). Captain FRAZIER said he advised Captain TALBERT of the facts relating to the above threat and also of his attempts to contact Chief CURRY and the fact that Chief CURRY's telephone was out of order. Captain FRAZIER said he also advised TALBERT that Sheriff DECKER wanted Chief CURRY to call him.

Captain FRAZIER stated Captain TALBERT said that he would send a squad car by Chief CURRY's residence and have Chief CURRY call him (TALBERT). Captain FRAZIER said he (FRAZIER) then went off duty, and he has no knowledge as to what may have transpired thereafter.

Captain W. B. FRAZIER, man in charge, Dallas Police Department, at 3:20 AM was advised of information received from an unknown caller by Security Patrol Clerk VERNON R. GLOSSUP at the Dallas FBI office, as follows: "I represent a committee that is neither right nor left wing, and tonight, tomorrow morning, or tomorrow night, we are going to kill the man that killed the President. There will be no excitement and we will kill him. We wanted to be sure and tell the FBI, Police Department, and Sheriff's Office and we will be there and we will kill him."

FRAZIER said the Police Department has not received any calls of this type to his knowledge, but he advised he would check other bureau heads in the Police Department to see if a call of this type had been received. He stated he would advise the Dallas office of this information. He said he would give this information to Chief of Police JESSE E. CURRY immediately. He was advised that the Dallas Sheriff's Office received a similar call.

FRAZIER said that plans to transfer OSWALD to the County Jail may be changed in view of this threat, and the Dallas Police Department will keep the FBI advised.

FRAZIER stated that OSWALD's planned transfer had been publicized primarily as a form of cooperation with the press and news agencies of the press, and other news agencies.

Date 12/10/63

HAROLD E. FUQUA, 4370 Penelope, employed as a parking attendant at the Dallas Police Garage, advised he had worked for the City of Dallas a total of six years. He stated that the last three years he had been employed as a parking attendant in the Dallas Police Garage. FUQUA furnished the following information:

He was on duty on November 24, 1963, the date that LEE HARVEY OSWALD was shot in the basement of the Dallas Police Department. At approximately 10:00 AM, on that date, a Captain and a Sergeant, of the Dallas Police Department, whom FUQUA does not know by name, but whom he would recognize on sight, were in the basement. FUQUA, ALFREDIA RIGGS, and the elevator operator named MC KINZIE, and possibly one or two other individuals, were in the basement used for parking automobiles by city employees.

The Captain and Sergeant came over and told FUQUA and the other men that they would have to leave the basement and that no one was going to be allowed to be in the basement, except news reporters and police officers. FUQUA and the approximate four or five men he was with took the elevator to the first floor of the Municipal Building. FUQUA heard the Captain tell the elevator operator that he should not bring the elevator back to the basement any more.

FUQUA informed that before he and the group were sent up on the first floor of the Municipal Building he observed a number of police officers searching the basement area. He advised they searched in, under and on top of cars, and apparently did a thorough job.

FUQUA, along with the other men, after going up on the first floor of the Municipal Building, looked out on the Commerce Street entrance to observe the transfer of OSWALD to the County Jail. This group of men "milled around" on the first floor of the Municipal Building watching out on Commerce Street for approximately thirty or forty minutes. FUQUA became impatient and he and ALFREDIA RIGGS went out of the building on the Main Street side. They went by the ramp leading into the basement from the Main Street

side. He saw two officers at the ramp and recalled that while on the first floor of the Municipal Building had seen numerous officers on the Commerce Street side.

There were approximately two or three people whom FUQUA just vaguely recalls on the Main Street side near the ramp. FUQUA recalls that one of these persons asked one of the police officers what was going on down in the basement, and the individual stooped down to look. FUQUA recalls the officer made a statement to the effect that he did not know what was going on, but was at the entrance to keep people from going down into the basement. FUQUA did not see any police cars or any other cars come in or out of the Main Street entrance to the ramp while he was there. FUQUA could not recall what any of the people looked like who were standing outside the entrance to the ramp on the Main Street side of the building.

He estimated he and ALFREDIA RIGGS lingered at the entrance for approximately two or three minutes, and then they went on to the locker room to watch television. There was a man in the locker room at this time who told FUQUA and RIGGS that the transfer of OSWALD probably would not be shown on television at the time he was being transferred and would probably be shown at a later time. He advised this man, whose name he does not know, is a civilian employee in the jail. He stated he knows this man well, but does not know his name.

FUQUA advised he does not know JACK RUBY and did not know LEE HARVEY OSWALD.

FUQUA and RIGGS then left and went into the Records Bureau, which is in the basement of the Police Department at the Harwood Street entrance. Entrance to the Records Bureau was had through the Harwood Street side of the Police & Courts Building. RIGGS and FUQUA were in there at the time of the shooting and were not allowed to leave until they had been "checked." The police officer, whom FUQUA knows as Chief LUMPKIN (phonetic), recognized FUQUA and RIGGS and allowed them to leave shortly after the shooting.
